Exemption Application for 2021 Manufacturers of Beverage Containers

Pursuant to section 22a-345b CGS, any manufacturer who, during a calendar year, bottles and sells 250,000 or fewer beverage containers containing a noncarbonated beverage that are 20 ounces or less in size may apply for an exemption from the requirements of section 22a-244 to 245a CGS inclusive, with regard to such beverage containers containing noncarbonated beverages, by completing and submitting this form. **A manufacturer or such manufacturer's authorized agent must apply for an exemption no earlier than October 1 and no later than November 1st of each year.**

Manufacturers **or such manufacturers' authorized agent** must complete all sections of this form and certify to the statements made hereto.

Should a manufacturer choose to use an agent to complete the exemption application, such manufacturer shall provide the agent with a clear written statement authorizing such agent to act on behalf of the manufacturer and submit the original letter with this completed application.

You must complete the **ENTIRE** form, otherwise your form cannot be processed and your exemption cannot be approved. If a question does not apply, enter "N/A".
