

STOP USING OLD FOAM CONCENTRATE!

You can help protect yourself, the environment, and your community's health.

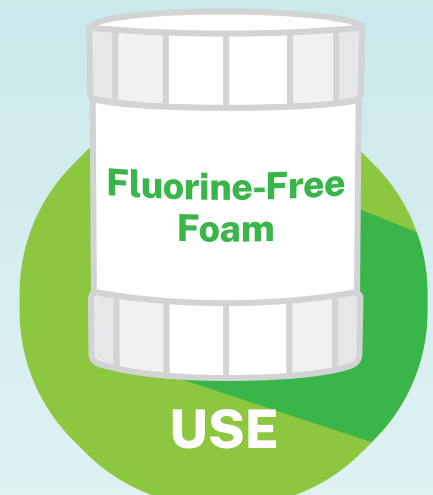

Stop using AFFF foam concentrate for training or for any non-Class B fires

Public Act 21-191 prohibits use for training and testing.

Stop using AFFF foam concentrate for Class B fires

*State law prohibits use as of October 1, 2021.
(October 1, 2023 for aviation)*

Purchase and use a fluorine-free alternative instead

Some extensions apply.
