

UST Petroleum Clean-up Program Payment Elections Received from Mid-Size and Large Station Applicants

The Reverse Auction for the submission of payment elections by mid-size and large station applicants will begin 9:00 a.m. on July 1 and end August 1 at 4:30 p.m. Applicants are strongly advised to review Connecticut General Statute (CGS) Section 22a-449r and the payment election information noted above before submitting a payment election.

Any mid-size station or large station applicant that has not previously submitted a payment election and does not submit a payment election by 4:30 p.m. on August 1 will not be able to receive payment in the fiscal year July 1 to June 30 for any of its awarded costs.

If two mid-size station or large station applicants submit a payment election for the same amount, payment will be prioritized by which payment was ordered earliest. In the case where two applicants make the same payment election and payment was ordered on the same day, payment will be prioritized by which application was received first.
