

CCSMM

CT Coalition for Sustainable
Materials Management

Unit-Based Pricing (UBP) Working Group Meeting

Monday, November 23, 2020 from 9:00am – 11:30am

ZOOM Registration Info: https://ctdeep.zoom.us/webinar/register/WN_BK_n-2E8TmW-GL-qiMZM8Q

Agenda

- I. Welcome, Introductions, 9:00 – 9:20
Katie Dykes, DEEP Commissioner
Elinor Carbone, Mayor of Torrington

- II. Review and Member Discussion Re: Implementation Options, 9:20 – 11:00
Questions to consider:
 - A. If you were to implement UBP, what system would you select and why? What are the pros and cons of system types that play a role in your decision? What are your concerns about implementing a UBP program?
 - B. What partners could we/you engage to assist in the implementation of UBP?
 - C. What kind of working relationship do you have with your haulers? For communities with subscription service, do haulers register and follow local ordinances? Do haulers provide curbside carts/toters for residents? For communities that are serviced by one hauler or operate their own fleet, do you own the curbside toters? What might be your limitations to implementing UBP in subscription or municipally controlled system?
 - D. What communications support would help successful implementation of UBP?
 - E. Would you be interested in co-collection of organics (trash bag and organics bag collected in same curbside container, separated at transfer location) in your community? What feasibility exists for implementation of food waste collection with alternate week of trash collection?
 - F. What other considerations need to be made for UBP to be successful?

- III. Public Comments, 11:00 – 11:15

- IV. Next Steps and Schedule, 11:15 – 11:30
Katie Dykes, Commissioner
Elinor Carbone, Mayor of Torrington
