

SWAC E-Waste Update

January 25, 2022

Kevin T. Sullivan

Supervising Environmental Analyst

Waste Engineering and Enforcement Division

Connecticut Department of Energy and Environmental Protection

SWAC E-Waste Update

- 1) Status of Applications for Covered Electronic Recyclers
- 2) 2021 Annual E-Waste Report DRAFT
- 3) Reminder: Option for Towns to use the State E-Waste Recycling contract

SWAC E-Waste Update

Applications for Covered Electronic Recyclers

- Application period ends March 4, 2022
- Decisions expected to be issued by around May 1st
- Anticipate that all currently approved CERs will submit renewals

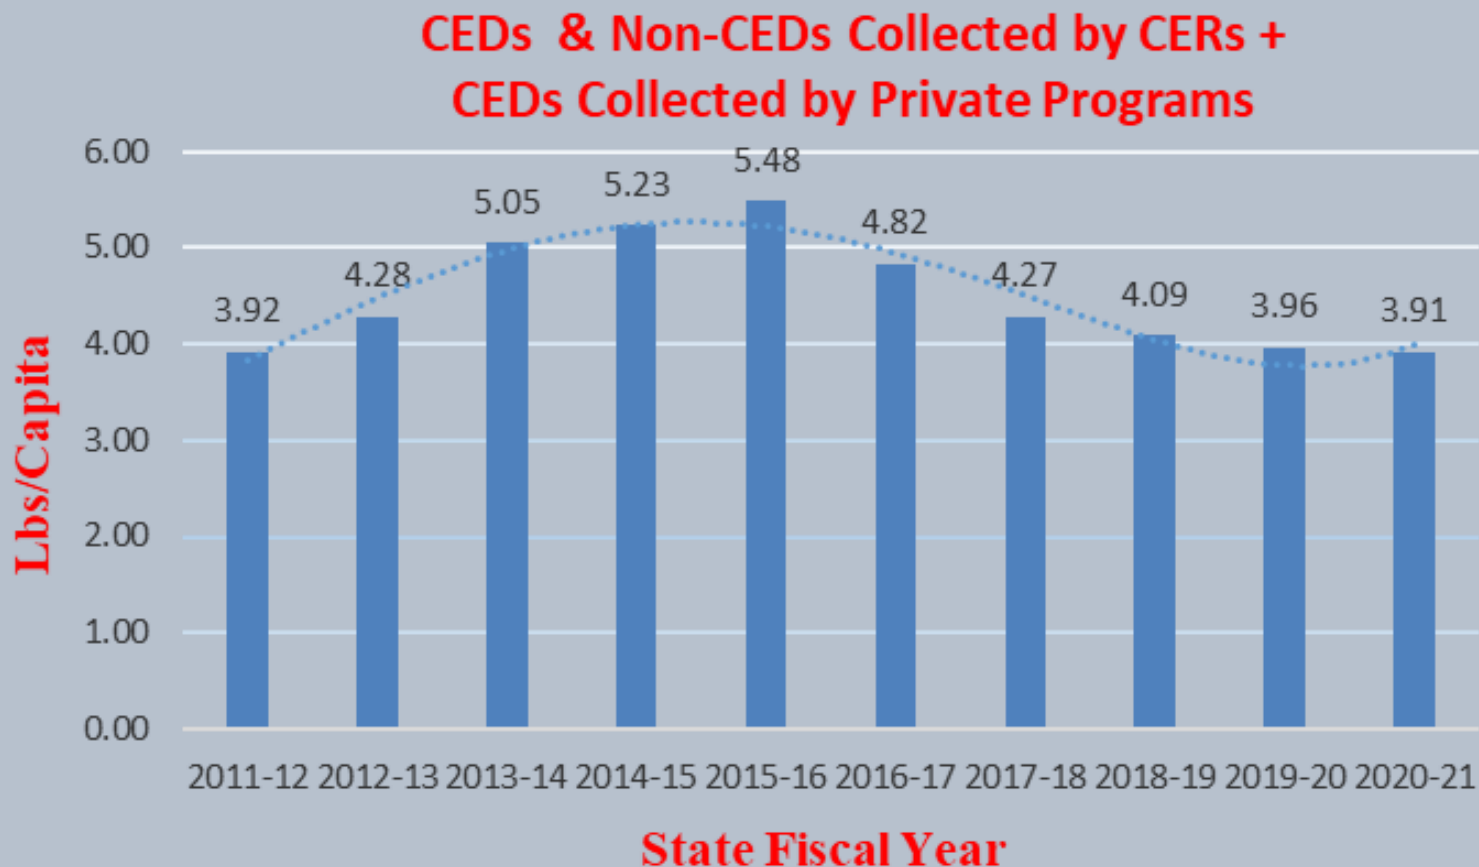

DRAFT 2021 Numbers

- Almost 14 million pounds waste collected
- Total of 165 million since 2011
- Saved CT municipalities over \$600,000

Total Collection Trend

State Contract Available

Recycling Reminder for Towns:

Towns may use the State contract for recycling municipally-generated E-waste at reduced rates.
