

CERTIFICATE OF COMPLETION

The Commissioner of Environmental Protection has made a final administrative decision that no activities are being conducted that require a RCRA permit at **ABB Inc.** for the portion of the site consisting of the Third and Fourth portions, which are defined in the Final Administrative Determination letter of 2000 Day Hill Road, EPA ID No. CTD001159557, located at 2000 Day Hill Road, Windsor, Connecticut.

Environmental investigation and remediation activities are complete at the facility. Opportunities for public comment were provided related to the environmental investigation and remediation. Opportunity for public comment was also provided related to the Commissioner's proposed disposition of the facility's permit status.

The issuance of this certificate is based on the completion of environmental clean-up work required by state laws and regulations, including RCRA Corrective Action and Closure, as determined by compliance with Connecticut's Hazardous Waste Management Regulations and Remediation Standard Regulations, as well as state and federal guidance. This clean-up is consistent with the requirements of Connecticut's Property Transfer Act defined in Connecticut General Statutes Sections 22a-134 and 22a-134(a) through (e), and may be used as the basis for submitting a Form II pursuant to Connecticut's Property Transfer Act.
