# TEMPORARY CERTIFICATION EXAMINATION PROCEDURES FOR REPEAT EXAMINEES ONLY FOR WASTEWATER TREATMENT PLANT OPERATORS

TO ALL SUPERINTENDENTS  
PLEASE POST OR DISTRIBUTE TO APPROPRIATE STAFF

---

**IMPORTANT!! PLEASE READ CAREFULLY:**

- Individuals who took a wastewater operator exam between 12/1/20 and 2/20/21 but did not pass will be allowed to retake the same level of exam after waiting 90-days from their most recent test date. These individuals do not need to reapply to the Department but must contact Craig Motasky directly at [craig.motasky@ct.gov](mailto:craig.motasky@ct.gov) prior to 5/6/21 to set up scheduling of their exam.
  - Individuals who took a computer based exam after 2/20/21 and did not pass will NOT be allowed to retake an exam during this extension of the Executive Order because their 90-day waiting period will fall outside of the expiration date of the current extension of the Executive Order.
  - This test period is only for repeat examinees who have already taken (and did not pass) their exam between 12/1/20 and 2/20/21.
- 

1. How to Retake Your Exam: Contact Craig Motasky at [craig.motasky@ct.gov](mailto:craig.motasky@ct.gov) prior to 5/6/21.
2. All exams must be taken prior to 5/20/21. No one will be allowed to sit for the exam beyond 5/20/21.
3. If Governor Lamont's executive order is extended for a significant period beyond 5/20/21 any examinee who fails their exam during this exam period can potentially retake the same level of exam without having to reapply to DEEP after a 90 day waiting period from their initial exam date. These individuals will simply reschedule their next exam with the testing agency after contacting Craig Motasky of this Department. Scheduling for the retake exam can be done within the 90-day waiting period.
4. Any questions, contact Craig Motasky at [craig.motasky@ct.gov](mailto:craig.motasky@ct.gov) or phone number 860-424-3815.
