## WEBINAR SERIES – SAVE THE DATE

### Nonprofit Security Grant Program (NSGP) Webinars for Nonprofit Partners

**January 16, 2020**

The Federal Emergency Management Agency's (FEMA) Grant Programs Directorate, in partnership with the DHS Center for Faith and Opportunity Initiatives, invites faith-based, community and nonprofit partners to participate in one of three upcoming webinars regarding the Nonprofit Security Grant Program (NSGP).

The NSGP provides funding support for target hardening and other physical security enhancements to nonprofit organizations; and promotes emergency preparedness coordination and collaboration between public and private community representatives, as well as state, local, tribal and territorial governments. Additional program information is located at <https://www.fema.gov/grants>.

Each webinar will present the same content, including: an overview of the NSGP, information on grant program eligibility and allowable costs, and a moderated question and answer session.
