Division of Emergency Management and Homeland Security

- Section I: Program Highlights
- Section II: Key Dates and Instructions
- Section III: Application Checklist
- Section IV: Applicant Data Sheet
- Section V: Project Narrative
- Section VI: Previous Funding
- Section VII: Budget

*If applying for more than one school, only **ONE Part I** must be submitted **per district**, per program (SSGP or MMSSGP).*

Section I: Program Highlights

Division of Emergency Management and Homeland Security

- Contains important information regarding:
 - Available funding
 - Period of performance
 - Eligible applicants
 - Eligible & Ineligible Expenses
 - Reimbursement procedures
 - Decision matrix

Please review this section as it may be valuable in answering questions.

Section I. Program Highlights

Program Highlights:

Public Act 21-111 established funding for two competitive grant programs: (1) School Security Competitive Grant Program (this application) and (2) Multi-Media Interoperable Communications Systems School Security Program. This application should be used for security improvement projects that DO NOT meet the definition of Multi-Media Interoperable Systems (systems that provide a direct line of communications between the school and law enforcement).

Round 6 SSGP Highlights:

Public Act 21-111 established additional funding in the amount of \$10 million for round 6 of the School Security Grant Program for costs incurred between January 1, 2013, and June 30, 2026.

Funding:

There is no maximum application/award amount for eligible public schools; however, IF AWARDED, a schools must be able to fund their entire project and be reimbursed the percentage identified in the Reimbursement Percentage section.

Competitive Program:

Applications will be reviewed and ranked based on the need for security. Priority will be given to those with the greatest need for security infrastructure. Applications will be awarded based on the ranking criteria, up to the amounts available (see SSGP Highlights above). If selected for funding, applicants will be notified and will receive an official award.

Period of Performance:

Eligible expenses can be incurred on or after January 1, 2013, through June 30, 2026. Applicants may apply for allowable security improvements that were completed on or after January 1, 2013 (see Applicant Checklist section for instructions on how to complete the Safe Schools Checklist for completed projects).

Eligible Applicants:

Public schools (K-12), Regional Education Services Centers (RESC), Governing Authority for a state charter school, State Technical High Schools, incorporated endowed high school or academy.

Eligible Expenses:

Eligible expenses include: 1) portable screening and physical security improvements, 2) the cost of vendor provided training on the use of allowable equipment purchased under this program.

Section II: Key Dates & Instructions

Division of Emergency Management and Homeland Security

- Provides directions and overview for the sections contained within the application (both Parts I and II)
- Identifies important due dates
- Please use indicated file naming structures

Section II. Key Dates and Instructions

A completed application includes both Parts I and II

All parts of the application must be submitted to SchoolSecurityGrant@ct.gov no later than Friday, March 31, 2023, at 3 pm, EST.

Application Part I

Applicant Data Sheet:

Please provide the requested information in Boxes 1 through 8 of this form. Please note that your grant award and any related documents will be sent to you via e-mail, so it is imperative that you include e-mail addresses in the contact boxes. Box 4 is intended for the person authorized to sign documents on behalf of your municipality/organization. The application must be approved by the authorized person in Box 8 (digital or ink signatures are acceptable). Please include more than one point of contact for your organization.

Project Narrative:

Use the Project Narrative section to provide a needs statement and overview of your proposed project. Identify how the proposed projects will close existing infrastructure gaps and an overview of the population served.

Be specific, include the type of project you intend to implement (i.e., cameras, radios, panic buttons, etc.,).

Previous Funding:

Use this section to provide information on funding received previously through either the School Security Grant Program (SSGP), Multi-Media School Security Grant Program (MMSSGP), and other state or federal grants, such as construction grants through the Connecticut State Department of Education.

Budget:

Use this section to identify your estimated budget for the identified projects. Budget totals for each project should include any labor, materials, or additional (i.e., permits, etc.) costs associated with the project. Use the separate spreadsheet to complete your budget.

If applying for more than one school, ONE Part I should be submitted per district and ONE Part II survey must be submitted per school.

Save and rename the Application Part I document as:

"2023 SSGP Public_School District Name"

Section III: Application Checklist

Division of Emergency Management and Homeland Security

- Tool that can be used by the applicant for ensuring all requirements are completed

Section III. Application Checklist

A completed application submission must include the following:

- Completed Application Part I (this document)
 - Budget Spreadsheet
- Completed Application Part II (survey)

Application Part I: (One per district):

- Applicant Data Sheet
- Project Narrative
- Previous Funding
- Budget (separate spreadsheet)

Application Part II: (One per school)

<https://www.surveymonkey.com/r/PUBLIC-SCHOOLS>

Please complete the online Safe Schools Checklist survey. The survey will be automatically submitted to DEMHS upon completion.

If applying for more than one school, ONE Part I should be submitted per district and ONE Part II survey must be submitted per school.

*Ensure that the school's name on both Parts I and II match exactly. *

Completed application packages should be emailed to
SchoolSecurityGrant@ct.gov with the subject line:

“2023 SSGP Public _School District Name.”
