

HOW CAN WE HELP?

The “How Can We Help?” project was developed by the CT Department of Mental Health and Addiction Treatment (DMHAS) in response to the opioid epidemic in CT. The focus is twofold:

- * Help individuals that have overdosed on heroin to find recovery, and
- * Help loved ones of individuals addicted to heroin to find peace of mind

“How Can We Help?” has been established in seven communities around CT. These communities have been especially hard-hit by the opioid crisis. The locations and contact information for these are listed below:
