

Congregation Assistance and Community Awareness Program

CAP, referred to as the "Community Awareness/Congregation Assistance" Program educates people of behavioral health concerns and about the local community resources available to people seeking help with these concerns.

CAP LEARNING OBJECTIVES

1. Describe education and awareness overview of substance use, gambling, and mental health concerns
2. Identify signs/symptoms of substance misuse, problem gambling behavior, and other mental health concerns
3. List local resources available to support persons experiencing behavioral health concerns
4. Identify and respond to signs/symptoms of substance misuse, problematic gambling behavior, and other mental health concerns/crises such as risk of suicide

WHO SHOULD ATTEND

CAP includes people who work in lay ministries, non-clinical settings, foster parents, school or office staff—anywhere people are in roles as “natural helpers” to connect people who may be in need to local community services and supports available to them.

COST

This is a no cost training provided by the Regional Behavioral Health Action Organization in your region and is funded by DMHAS Problem Gambling Services.

CERTIFICATES

Certificates of Completion, Contact Hours and CEUs from the Connecticut Certification Board can be provided.

How to Learn More

If you are interested in hosting a training or have any questions, please contact your Regional Gambling Awareness Team Coordinator:
