RFI # 2022_0204_OPM_HHS

Health Disparities & Prevention Insights

Release Date: 02/04/2022

Responses Due: 03/14/2022, 5:00 PM eastern time

Summary: The Office of Policy and Management (OPM) is interested in learning about potential uses of capital investment to address public health disparities and has issued this RFI to gather knowledge, ideas or best practices in the community health and behavioral health industry to strengthen the operations, effectiveness, and accessibility of community health centers and mental health and substance use treatment providers to address disparities in public health and accelerate the post-COVID-19 pandemic recovery.
