**RE: Extension of Connecticut Licenses, Identity Cards, Permits, Registrations and Emissions Testing**

To Whom It May Concern:

Under the authority of section 14-5c of the Connecticut General Statutes, and with the approval of the Honorable Ned Lamont, Governor of the State of Connecticut, I have extended for a period of **one-hundred eighty (180) days** from their expiration dates the validity of all operator's licenses and permits, identity cards, motor vehicle and boat registrations and emissions tests ("credentials") that expire or are due between March 10 and June 30, 2020. Any person who holds an affected credential that has expired is the holder of a lawful and valid credential provided that it is presented within one-hundred eighty days after the expiration or due date shown on the credential, and it is not suspended or revoked. To check for suspensions or revocations using the license number, go to the Department of Motor Vehicles credential verification site at <https://www.dmvselfservice.ct.gov/LicenseStatusService.aspx>.

The extension order and a complete list of items affected by the extension order may be found at:
