NOTICE TO RENEW

Your Driver License Expires on:

Operator No.	BIRTHDATE	PRINT DATE		
SelectCT	EYES	SEX	HEIGHT	DONOR
CLASS	ENDORSEMENT(S)	RESTRICTION(S)		

YOU MUST APPEAR IN PERSON - For exceptions visit ct.gov/dmv/renewbymail

To enhance your identity security, DMV and AAA will begin transitioning in Spring 2017 from issuing license cards in their offices to printing and mailing them from a secure facility. If your renewal occurs after this transition, you will keep your expiring card and also receive a temporary one. You should receive your permanent card within 20 calendar days.

When you renew you must select either a **VERIFIED** or **REGULAR** renewal.

VERIFIED - Meets future federal standards for domestic air travel and other federal purposes.
 DMV must verify your identification documents. A valid U.S. passport can serve the same purpose as a Verified license. **To qualify for a Verified License:**

- * You must bring ALL required original or certified documents.
- * You must comply with the Document Checklist on the back of this notice (also available at ct.gov/dmv/realID).
- * Non-U.S. citizens and Certificate of Naturalization/Citizenship holders must prove legal presence - legal presence documents including certificates of naturalization/citizenship will be verified with USCIS which may take 10 business days or more.
- * Non-U.S. Citizens and Non-U.S. born Citizens, without a U.S. passport, must go to a DMV Hub office.

If you already have a Verified license, you can bring your license to any DMV or participating AAA office to renew.

REGULAR - Bring your driver license and ask for a Regular renewal.

- * If lost, bring one identity document from Document Checklist on the back of this notice.
- * Name change documents if applicable.
- * If you leave DMV with a Regular license and return to obtain a Verified license, a \$30 duplicate fee applies.

65 years of age or older: You may choose to renew your license for six or two years.

Name Change: Your new name must verify with Social Security Administration (SSA).
 Visit the SSA first to change your name. Allow at least 48 hours for SSA update.

Participating AAA Offices: Can process Verified renewals only for U.S. born Citizens, Non-U.S. born Citizens with a U.S. passport, and Regular renewals for anyone. A convenience fee that must be paid separately to AAA is now \$5.
 For office locations visit ct.gov/dmv/offices

ORGAN DONATION: If you are an organ/tissue donor, you will continue to be unless you check "No".
 If you want to be added to the Organ/Tissue Donor Registry, check "Yes".
 Present this form to the license examiner if you make a change.
