Scope:		Authority:	CGS 14-163c & 14-163e
Regulation of Connecticut State Agencies (RCSA) Cite	CGS 14-163c (referencing 49 CFR 396.17 through 396.25, inclusive) CGS 14-163e		
Summary:	Vehicles that require a Federal Annual Inspection/Inspector Qualifications		
Historical Information (i.e., former policy and, current operational procedures)	S:\		

PURPOSE: To clarify what documents registrants are required to submit at the time of registration to demonstrate compliance with section 14-163e of the Connecticut General Statutes. This policy outlines the requirements for the Federal Annual Inspection Report and Inspector Qualification form.

DEFINITIONS: As adopted from Title 49 CFR 390.5:

- a) *Interstate commerce* means trade, traffic, or transportation in the United States - (1) Between a place in a State and a place outside of such State (including a place outside of the United States); (2) Between two places in a State through another State or a place outside of the United States; or (3) Between two places in a State as part of trade, traffic, or transportation originating or terminating outside the State or the United States.
- b) *Intrastate commerce* means any trade, traffic, or transportation in any State which is not described in the term “interstate commerce.”

POLICY: This policy applies to the following vehicles: 1) All commercial vehicles over 10,000 pounds GVWR used in **interstate commerce** or over 18,000 pounds GVWR used in **intrastate commerce**; 2) Commercial trailers over 10,000 GVWR; 3) Vehicles that are designed or used to transport more than eight (8) passengers, including the driver, for compensation; 4) Vehicles that are designed or used to transport more than 15 passengers, including the driver, not for compensation; and 5) Any vehicle transporting hazardous materials requiring placarding.

Registrants of these vehicles are required to submit a Federal Annual Inspection Report (49 CFR 396.17) that has been completed by a dealer or repairer licensed in the State of Connecticut, an Original Equipment Manufacturer (OEM) or a person or motor carrier who has completed and submitted an Inspector Qualification form (attached) stating the inspector is qualified to perform the inspection in accordance with 49 CFR 396.19. The Federal Annual Inspection Report shall be dated within thirty (30) days of the date of registration. The Federal Annual Inspection Report completed by a licensed dealer/repairer shall include the dealer/repairer's business name and identifying license number. The Inspector Qualification form, if required, shall be dated within thirty (30) days of the inspection (photocopies are acceptable).

PROCEDURE: At the time of registration, all registrants of the commercial vehicles identified in this policy are required to submit a properly completed Federal Annual Inspection Report and an Inspector Qualifications form, if required.
