### **NOTICE TO VESSEL OWNERS**

**Please find enclosed your 2017 vessel registration renewal.**

If your vessel is documented with the United States Coast Guard you will see that a Connecticut registration number has been referenced on your "certificate of decal" renewal invitation. This "CT" number is there for administrative purposes only and is not a valid registration number. Please DO NOT put this "CT" number on your vessel. Your final registration document, which will be mailed to you following the submission of your renewal invitation, will only list the U.S. documented number.

DMV cannot renew your vessel if you have delinquent Motor Vehicle Property Tax. You can check your compliance for property tax by visiting the DMV website at CT.GOV/DMV or contact your local tax office.

If you have any DMV questions about the vessel registration, please call 860-263-5151 (within the Hartford area or outside of Connecticut) and 800-842-8222 (elsewhere in Connecticut).

Have a safe and fun boating season.
