STALL USE-AGREEMENT INFORMATION

The Stalls: All vendors wishing to do business at the farmers’ market must have a farmers’ market stall use-agreement in place with the DOAG/CRDA. No individual or business without an active stall use-agreement on file shall sell and/or deliver products to a vendor at the farmers’ market.

Each farmers’ market stall is approximately 10 or 12 feet by 30 feet. A very limited number of covered stalls are available and will be reserved for farmer vendors only. Stall assignments will be made by DOAG. Applicants may request a specific stall but stall requests cannot be guaranteed. DOAG staff reserve the right to adjust stall assignments during the season on a temporary or permanent basis to meet the needs of the expanding operations of HRM market tenants.

Stall Use-Agreement Options: Farmer stall use-agreements are available in blocks of 3 month minimums up to 9 months. Farmers are also welcome to add additional months. Jobber stall use-agreements are only available for the entire 9-month season. Full-season (9-month) use-agreements are in affect from April 1, 2020 through December 31, 2020. Advance stall placements application are due by March 15, 2020. No use-agreement will be written or accepted for more than 12 months.

Guest Vendor Stalls: New farmers can request to use a stall for one Saturday as a guest to explore the option to apply to be a regular vendor. The daily fee for a stall is $35.00. Call DOAG to arrange a stall and date. Application, fee, proof of insurance, and necessary attachments are still required in advance.

Vendor Stall Fees: There is no change in Farmer or Jobber stall rental fees for the 2020 season.
