**PAPERLESS SUBMISSION OF
SECURITIES REGISTRATION, EXEMPTION AND COVERED SECURITY FILINGS AND BUSINESS
OPPORTUNITY REGISTRATION FILINGS
IN LIGHT OF PANDEMIC RESTRICTIONS**

Date: March 25, 2020 (updated 8/10/2020)

As a result of the recent pandemic, many staffers in the Securities and Business Investments Division of the State of Connecticut Department of Banking will be working remotely and will not be physically present in the office. While this may cause some delays with our processing of filings, we will make every effort to limit them.

As an accommodation to securities registration, exemption and covered security filers (as well as business opportunity registration filers) and for the foreseeable future, the Division is giving you the option of making your filings and payments electronically. This approach will be reassessed once normal functions resume.

Electronic payment is highly encouraged. In addition, the Division will waive manual signature requirements. Notarization requirements (e.g. on Form U-2) are temporarily suspended.

Following is a quick summary of the optional procedure.

1. NON-MONETARY FILINGS

Examples Include: Amendments (e.g. Post-Effective Amendments; Supplemental Amended Disclosure and Offering Documents); Exemptions Not Requiring a Fee (e.g. Accredited Investor Exemption; Self-Executing Exemptions Only Requiring a Consent to Service of Process on Form U-2)

In lieu of a mailed paper filing, scanned submissions may be e-mailed to:
