Connecticut Department of Correction

CN 1301
REV 07/25/16

Administrative Directive Number: 6.7	Title: Searches Conducted in Correctional Facilities
--------------------------------------	--

I recommend the following inclusion or revision to the above referenced Administrative Directive (provide detailed explanation):

In light of a recent field review conducted for Administrative Directive 6.7, Searches Conducted in Correctional Facilities, the need to identify and prohibit the use and/or possession of any form of smart watch was identified and deemed a priority.

As this relates to Administrative Directive 6.7, Searches Conducted in Correctional Facilities, the following will be added as an exception to the directive:

Attachment D, "List of Unauthorized Items"

4. Electronic Wireless Communication Devices. This category includes, but is not limited to blackberry devices, ipods, MP3 players, PDAs, etc. Cellphones, pagers, any type of smart watch and/or wireless communication devices, other than state-issued equipment, shall not be carried or worn by staff while on duty, unless authorized by the Commissioner of Correction or designee. This category of items shall include any components and/or accessories related to an electronic wireless communication device.
