Recommendation for Inclusion or Revision to an Administerative Directive
Connecticut Department of Correction

Administrative Directive Number: 9.6  Title: Inmate Administrative Remedies

I recommend the following inclusion or revision to the above referenced Administrative Directive (provide detailed explanation):

Currently, Administrative Directive 9.6 does not specify whether an Administrative Remedy filing must be submitted on an original document, or if a photocopy is acceptable. It has been suggested that clarification be made within the directive to state that an original document must be submitted. Accordingly, the following inclusion to section (5), subsection (E) (1) is suggested.

1. A request for an administrative remedy must be filed, in writing, on CN 9602, Inmate Administrative Remedy Form containing an original signature.
