

**Request for Inclusion or Revision to an
Administrative Directive**
Connecticut Department of Correction

CN 1301
REV 07/25/16

Administrative Directive Number: 10.6

Title: Inmate Visits

☒ I recommend the following inclusion or revision to the above referenced Administrative Directive (provide detailed explanation):

In light of a recent field review conducted for Administrative Directive 6.7, Searches Conducted in Correctional Facilities, the need to identify and prohibit the use and/or possession of any form of smart watch was identified and deemed a priority.

As this relates to Administrative Directive 10.6, Inmate Visits, the following will be added as an exception to the directive:

Attachment A, "Inmate Visiting Rules"

12. No personal items are permitted in the visiting room (including, but not limited to: pocketbooks; coats; paper; food; chewing gum; electronic wireless communication device; any type of smart watch, etc.), visitors may secure personal items at their own risk in the lockers provided. The Department will not assume any responsibility for loss or damage to any items stored in the lockers or left anywhere on institutional property. Staff shall not retain or take custody of any personal property belonging to a visitor.
