1. **Policy.** The Department shall supervise certain offenders convicted of driving under the influence or driving under suspension in a home residence. Such offenders shall be fully assessed prior to a release from incarceration.

2. **Authority and Reference.**
   
   A. Connecticut General Statutes, Sections 14-215, 14-227a, 18-78a, and 18-81.
   
   B. Public Act 11-51, Section 26
   
   C. 23 U.S.C. Section 164

3. **Definitions.**

   A. **Continuous Monitoring for Alcohol Consumption.** Automatically testing breath, blood or transdermal alcohol concentration levels and tamper attempts at least once every hour regardless of the location of the inmate being monitored.

4. **General Provision.** An inmate sentenced to a period of incarceration in accordance with Connecticut General Statutes, Section 14-215 or 14-227a(g) may be classified to home confinement at the discretion of the Unit Administrator after a mandatory period of at least ten (10) days. The offender may be subject to electronic monitoring, which may include the use of a global positioning system and continuous monitoring for alcohol consumption, and to any other conditions the Unit Administrator deems appropriate.

5. **Assessment.** No inmate shall be classified to Home Confinement until fully assessed in accordance with guidelines issued by the Director of Programs and Treatment or designee.

6. **Mandatory Assessment Time.** An inmate must serve at least ten (10) full calendar days in a correctional facility prior to being classified to the community. These ten days shall constitute a mandatory assessment period, which shall include, but not be limited to, mandatory assessment of alcohol use and/or abuse.

7. **Supervision.** An inmate shall be supervised by the Parole and Community Services Unit while on Home Confinement status. An inmate who violates the conditions of the program may have his release revoked and may be confined to a correctional facility.

8. **Advisory Committee.** At the direction of the Commissioner, an advisory committee shall be established for the purpose of developing a protocol for the training of correctional staff assigned to the assessment and supervision of offenders eligible for Home Confinement pursuant to this directive, evaluation of outcomes of this release status, the establishment of victim impact panels, and the provision of treatment to inmate participants.
9. **Exceptions.** Any exceptions to the procedures in this Administrative Directive shall require prior written approval from the Commissioner.
