Open Close:True, Session Group:False, Session Numbers: 1, Evidence Based:False

Description:

Participants will be encouraged to work on their media of choice (letter writing, other prose, music, poetry), they will also be exposed to basic rules of writing, including, but not limited to, spelling, grammar and punctuation. As the group consists of participants of different ability levels, the class will begin with simple letter writing; first the personal letter and then progressing to more formal letters. Though each lesson will be different, weekly students will be exposed to a sample of reading (for evidence of vocabulary, grammar and punctuation usage), group work (for collaboration with others on independent work) and an in-class assignment that will be evaluated for the following week. Given a fluid atmosphere it is hopeful that all participants can find meaning and seek improvement over the course of the activity.
