Participants will reflect: The juvenile will complete an assignment that forms the foundation of all forms of restorative practices and aims to discover the root cause (s) of challenging behavior, determine impact, repair harm, and restore relationships and the community. Accountability: The juvenile will speak with staff to focus on repairing the harm that was done to the individuals involved in the incident. An additional assignment will be completed that addresses his disciplinary behavior with a focus on anger management, victimization, and the importance of following rules. Mediation: The juvenile will complete an assignment in order to prepare for the mediation process with the impacted parties. The participant will then focus on the continued repair of the community that includes scenarios that may present future conflict. The goal is for the juvenile to apply what he has learned in future situations to avoid conflict.
