The Department of Housing (DOH) and the Connecticut Housing Finance Authority (CHFA) are pleased to announce the State-Sponsored Housing Portfolio (SSHP) Notice of Funding Availability (NOFA) for Critical Needs (defined below). Up to $3 million is available under this NOFA.

A. BACKGROUND
   The purpose of this NOFA is to provide funds to SSHP developments that need to make physical improvements to the property to directly address Critical Needs.

B. ELIGIBLE APPLICANTS
   All owners of SSHP developments that were included in the CHFA Capital Plan released in 2013 (the Capital Plan) and have one or more Critical Needs, as defined in Section C of this NOFA are eligible to apply for funding under this NOFA for such developments; except:
   (1) if such owner was already selected for financial assistance for such project through a prior SSHP recapitalization round or other State-funded recapitalization program; or
   (2) if such owner was previously awarded Critical Needs funding and the recommended transaction year in the Capital Plan has passed; or
   (3) if such owner was selected for Pre-Transaction Critical Needs funding within the past 12 months.

C. ELIGIBLE USES OF FUNDING
   Funding provided under this NOFA may be used solely to address Critical Needs at an SSHP property. A Critical Need is a capital improvement that is urgently needed to protect the health and/or safety of one or more residents as certified by a building design professional or other professional with equivalent expertise. Allowable hard and soft costs will be at the discretion of CHFA. Examples of allowable scopes of work include, without limitation, major system repairs/upgrades, environmental remediation, and associated architect/engineering drawings. Developer fees are not allowed.

D. SUBMISSION REQUIREMENTS
   The application can be found here. Applicants whose applications were pending based on previous appropriations will be required to resubmit a new application using this current form. Applications for funding under this NOFA will be accepted on a rolling basis beginning April 16, 2018. Applications must include supporting quotes/contract proposals, consistent with project costs, and include supporting documents for all “other” funding commitments, if any, to be considered complete. Applications must be submitted electronically to CHFASHP-2@chfa.org.

E. SELECTION CRITERIA
   Completed applications will be reviewed as they are submitted and awarded funding based on need, including, as applicable, consistency with the Capital Plan, if applicable, and relevant documentation demonstrating the scope of Critical Needs. Completed applications will be accepted on a rolling basis until further notice.
F. OTHER INFORMATION

The following additional criteria apply to this NOFA:

(1) Owners are expected to leverage property reserves in excess of the recommended minimum balance of $1,500 per unit for family properties and $1,000 per unit for elderly housing properties.

(2) If the proposed scope of work involves energy related work, the application must include a Letter of Agreement signed by the utility company.
