I. OVERVIEW OF SMALL CITIES COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM

A. Purpose

The primary statutory objective of the Community Development Block Grant Program (CDBG) is to develop viable communities by providing decent housing, a suitable living environment, and by expanding economic opportunities for persons of low and moderate-income. To achieve these goals, the CDBG regulations outline eligible activities and national objectives that each activity must meet.

The CDBG Program is administered by the United States Department of Housing and Urban Development (HUD). Within the State of Connecticut, Department of Housing (DOH) is designated as the principal state agency for the allocation and administration of CDBG for “non-entitlement areas” (the “Small Cities CDBG”).

In 1981, Congress amended the Housing and Community Development Act of 1974 (“HCD”) to give each state the opportunity to administer CDBG for non-entitlement areas. Non-entitlement areas include those units of general local government that do not receive CDBG directly from HUD as part of the entitlement program. Non-entitlement areas in Connecticut are either cities or towns with a population of less than 50,000 or a central city of an area as designated by the Office of Management and Budget. States participating in Small Cities CDBG have three major responsibilities: formulating community development objectives, deciding how to distribute funds among communities in non-entitlement areas, and ensuring that recipient communities comply with applicable state and federal laws and requirements.

Entitlement communities receive annual grants directly from HUD as part of CDBG. Listed below are Connecticut municipalities that are entitlement communities and therefore are ineligible for Small Cities CDBG.

CDBG ENTITLEMENT COMMUNITIES IN CONNECTICUT (Municipalities <u>not eligible</u> for Small Cities CDBG)		
Bridgeport	Hartford	New London
Bristol	Manchester	Norwalk
Danbury	Meriden	Norwich
East Hartford	Middletown	Stamford
Fairfield	Milford (Town)	Stratford
Greenwich	New Britain	Waterbury
Hamden (Town)	New Haven	West Hartford
		West Haven

All other Connecticut municipalities are eligible for the state administered Small Cities CDBG.

B. Major Use of Funds

Except for a limited amount of funds for its own CDBG-related administrative expenses, each state must distribute the Small Cities CDBG to units of general local governments in non-entitlement areas. Each state must also ensure that at least 70% of its Small Cities CDBG funds are used for activities that benefit low- and moderate-income persons over a one, two, or three year time period selected by the state. The 70% requirement applies to each state's Small Cities CDBG Program as a whole and does not apply to each individual grant Small Cities CDBG to a unit of general local government.

All activities must meet one of the following national objectives for Small Cities CDBG: benefit low-and moderate-income persons; prevention or elimination of slums or blight; and community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community. A need is considered urgent if it is sudden and unexpected, has arisen in the past 18 months and no other funding is available to address it.

Activities that can be funded with Small Cities CDBG include: acquisition of real property; acquisition and construction of public works and facilities; code enforcement; relocation assistance; reconstruction and rehabilitation of residential and nonresidential properties; American Disability Act (ADA) improvements; provision of public services including, but not

limited to, those services concerned with employment, crime prevention, child care, health, drug abuse, education and fair housing counseling, shelter diversion activities, environmental hazard testing; provision of special economic development assistance; and assistance to Community-Based Development Organizations (CBDO's) for neighborhood revitalization, community economic development, energy conservation projects, homeownership assistance, fair housing, planning, and administrative costs, including actions to meet the grantee's certification to affirmatively further fair housing. Broad program categories for Small Cities CDBG eligible activities include: Housing, Public Services, Public Facilities, Economic Development, and Planning.

Any activity not listed in the HCD is ineligible to be assisted with Small Cities CDBG. For example, the following activities may not be assisted with Small Cities CDBG: construction, rehabilitation or operation of buildings for the general conduct of government (i.e. city hall), except for ADA improvements; general government expenses; political activities; new housing construction except under certain conditions or when carried out by a CBDO; and income payments.

Applications are selected based on their consistency with the state's most recently approved Consolidated Plan and the evaluation criteria outlined in the Action Plan. The evaluation criteria for the Connecticut Small Cities CDBG program are detailed in the Rating and Ranking Criteria set forth in Part IV of this Allocation Plan. Each state has discretion to choose not to fund an application that is determined to be infeasible.

C. Federal Allotment Process

A state's allotment is based on one of two formulas, whichever gives a larger allotment. Allocations are made on the basis of a two formula analysis that takes into account the following factors: population, poverty, overcrowded housing, age of housing, and growth lag.

Formula A - The average of the ratios between:

- The population of the non-entitlement areas in that state and the population of the non-entitlement areas of all states;

- The extent of poverty in the non-entitlement areas in that state and the extent of poverty in the non-entitlement areas of all states; and
- The extent of housing overcrowding in the non-entitlement areas in that state and the extent of housing overcrowding in the non-entitlement areas of all states.

Formula B - The average of the ratios between:

- The age of housing in the non-entitlement areas in that state and the age of housing in the non-entitlement areas of all states;
- The extent of poverty in the non-entitlement areas in that state and the extent of poverty in the non-entitlement areas of all states; and
- The population of the non-entitlement areas in that state and the population of the non-entitlement areas of all states.

In determining the average of the ratios referenced in Formula A above, the ratio involving the extent of poverty shall be counted twice and each of the other ratios shall be counted once. In determining the average of the ratios referenced in Formula B above; the ratio involving the age of housing shall be counted two and one-half times, the ratio involving the extent of poverty shall be counted one and one-half times, and the ratio involving population shall be counted once. The HUD Secretary shall, in order to compensate for the discrepancy between the total of the amounts to be allocated under 42 CFR 5306 and the total of the amounts available under 42 CFR 5306, make a pro rata reduction of each amount allocated to the non-entitlement areas in each state so that the non-entitlement areas in each state will receive an amount which represents the same percentage of the total amount available as the percentage which the non-entitlement areas of the same state would have received if the total amount available had equaled the total amount which was allocated.

D. Federal Funding

HUD funding for Connecticut's Small Cities CDBG Program for Federal Fiscal Year (FFY) 2022, which should first be available for expenditure by the State on or after July 1, 2022 (i.e. State Fiscal Year (SFY) 2023) is \$13,935,925. Any changes in Connecticut's Small Cities CDBG Program funding allocations are a direct result of funding modifications to the CDBG program nationally.

E. Committed Funds and Proposed Allocations

FFY 20 (SFY 21) Refer to Table A, Column 1

- The federal Small Cities CDBG allocation for FFY 20 (SFY 21) was \$13,854,179
- Administrative costs totaled \$884,745;
- \$366,494 was carried forward from FFY 19 (SFY 20) to FFY 20 (SFY 21);
- Reprogrammed admin prior years totaled \$0;
- The total amount of Small Cites CDBG funds available to fund projects in FFY 20 (SFY 20) was \$13,335,928 (FFY 20 (SFY 21) allocation of \$13,854,179 minus administrative costs of \$884,745 plus reprogrammed funds from the previous year(s) of \$366,494.

FFY 21 (SFY 22) Refer to Table A, Column 2

- The federal Small Cities CDBG allocation for FFY 21 (SFY 21) was \$8,511,446;
- Administrative costs are anticipated to total \$1,038,940;
- \$0 was carried forward from FFY 20 (SFY 21) to FFY 21 (SFY 22);
- The total amount of Small Cites CDBG funds available to fund projects in FFY 21 (SFY 22) was \$9,988,720 (FFY 20 (SFY 21) allocation of \$8,511,446 minus administrative costs of \$1,038,940 plus reprogrammed funds from the previous year(s) of \$2,516,214

FFY 22 (SFY 23) Refer to Table A, Column 3

- HUD's annual Small Cites CDBG allocation to Connecticut for FFY 22 (SFY 23) is \$13,935,925;
- Administrative costs are \$1,126,273;
- We anticipate \$0 to be carried forward from the current year;
- We anticipate \$2,290,092 additional reprogrammed funds from Program Income to be available for reprogramming for FFY 22 (SFY 23). "Reprogrammed funds" are funds that are returned to DOH from grantees, including, for example: Small Cities CDBG funds returned to DOH by a non-performing grantee or a grantee that completed a project under budget, or program income generated by grantees. Program income is gross income received by a grantee that has been directly generated from the use of Small Cities CDBG funds (i.e. a grantee that sets up a

revolving loan fund and receives payments of principal and interest on the loans made using CDBG funds). Reprogrammed funds may also be reallocated during the program year based on demand and/or emergency situations;

- The total funds available to fund projects in FFY 22 (SFY 23), is anticipated to be \$15,099,744 (FFY 22 (SFY 23) allocation of \$13,935,925 minus administrative costs of \$1,126,273 plus the estimated amount of reprogrammed funds from previous years of \$2,290,092);

F. Proposed Allocation Changes From Last Year

DOH will focus 2022 Small Cities CDBG funding on the preservation of the State-Sponsored Housing Portfolio (“**SSHP**”) but will not exclude housing authorities outside of SSHP or Public Infrastructure projects that support affordable housing. The Department does not intend to allocate funds to Homeowner Rehab, Public Facilities or Public Services.

Grantee Administration costs are restricted up to 8% of any grant award or \$33,000, whichever is lower.

G. Contingency Plan

This Allocation Plan has been prepared to reflect a Small Cities CDBG allocation for Connecticut FFY 22 (SFY 23) of \$13,935,925. It is DOH’s intention that any increase or decrease in funding will result in proportionate increases or decreases in administrative costs and funding available for program activity awards.

H. State Allocation Planning Process

In accordance with Connecticut’s Amended Citizen Participation Plan, DOH solicited public input in order to: 1) solicit input into the development of the draft Plan; and 2) solicit feedback and comments on the draft plan.

The DOH conducted one virtual public meeting, one round table discussions with state officials, and a second round table with housing organizations and other DOH community

partners to seek input into the development of the State's 2022-2023 Annual Action Plan, which includes this Small Cities CDBG Allocation Plan. A fifteen (15) day community input period began on March 17, 2022 and ended on March 31, 2022. The Department conducted a virtual public meeting on March 21, 2022 which began at 1:00 PM and ended when all attendees had the opportunity to provide input and comment. A legal notice for the public meeting was published in four newspapers across the state including one in Spanish. The legal notice was also posted on DOH's web site and forwarded to all 169 municipal chief elected officials as well as all public housing authorities and the councils of government. In addition, the legal notice was sent via email to our Community Partners list, for further distribution, in accordance with DOH's Amended Citizen Participation Plan.

DOH solicited input on the draft Action Plan through a 30-day public comment period from May 26, 2022 to June 27, 2022. DOH will hold a virtual public hearing on the Draft State of Connecticut 2022-2023 Annual Action Plan for Housing and Community Development, which includes this Small Cities CDBG Allocation Plan - Federal Fiscal Year 2022, on June 13, 2022. A follow-up round table meeting will be held with state agency partners on June 14, 2022. A legal notice was published announcing the public hearings and comment period. The legal notice and related documents were available on DOH's website. All comments received will be summarized and responded to in Attachment A of the 2022-2023 Annual Action Plan for Housing and Community Development.

DOH notified the chief elected officials of all 169 municipalities in the state and its community partners about the dates, times, and locations of the public hearings and of the timing of the commentary periods. The state's regional Councils of Government were forwarded a copy of the legal notices and asked to post them on their websites. DOH submitted the draft Action Plan and public hearing/public commentary schedule to members of the state legislature who sit on committees of cognizance over matters related to housing, and state finances. In accordance with Connecticut General Statutes Section 4-28b, the joint standing committees of Connecticut's General Assembly, will be offered an opportunity to review the Small Cities CDBG Allocation Plan.

I. Grant Provisions

The Small Cities CDBG Program requires the state to certify that:

- It is following a detailed citizen participation plan and that each funded unit of general local government is following a detailed citizen participation plan;
- It has consulted with affected units of general local government in the non-entitled areas in determining the method of distribution of funding, it engages or will engage in planning for community development activities, it will provide assistance to units of general local government, it will not refuse to distribute funds to any unit of general local government based on the particular eligible activity chosen by the unit of general local government, except that a state is not prevented from establishing priorities based on the activities selected;
- It has a Consolidated Plan that identifies community development and housing needs and short-term and long-term community development objectives;
- It will conduct its program in accordance with the Civil Rights Act of 1964 and the Fair Housing Act of 1988 and will affirmatively further fair housing;
- It will set forth a method of distribution that ensures that each of the funded activities will meet one or more of the three broad national objectives described in the “Major Use of Funds” section of this Plan and at least 70% of the amount expended for activities over a period of one, two, or three consecutive program years will benefit low-and moderate-income families;
- It will require units of general local government to certify that they are adapting and enforcing laws to prohibit the use of excessive force against nonviolent civil rights demonstrations, and they will enforce laws against barring entrance and exit from facilities that are the targets of nonviolent civil rights demonstrations in their jurisdiction; and
- It will comply with Title I of the HCD and all other applicable laws.

J. Matching Requirement

The state is required to pay from its own resources all administrative costs incurred by the state in carrying out its responsibilities under subpart 24 CFR 570.489(a)(1), except that the state may use Small Cities CDBG funds to pay such costs in an amount not to exceed \$100,000 plus 50% of such costs in excess of \$100,000. States are, therefore, required to match such costs in excess of \$100,000 on a dollar for dollar basis. The amount of Small Cities CDBG funds used to pay such costs in excess of \$100,000 shall not exceed 2% of the aggregate of the state's annual grant.

See Table B for details on the anticipated breakdown of this requirement, but the total administrative costs for FFY 22 (SFY 23) from all sources will not exceed \$1,126,273.

K. Program Fund Limitations or Caps

The Small Cities CDBG regulations limit the amount of funding that can be used for public service activities. The limit is based on expenditures for a given year's allocation not to exceed 15%, plus program income. States and local governments cannot spend more than 20% of their Small Cities CDBG allocation (including the allocation for the subject period as well as program income received and funds reallocated during the subject period) on planning and administration activity. The 20% limit applies to each state's Small Cities CDBG Program as a whole and does not apply to each individual grant made to a unit of general local government.

DOH will focus 2022 Small Cities CDBG funding on the preservation of the State-Sponsored Housing Portfolio ("**SSHP**") but will not exclude housing authorities outside of SSHP or Public Infrastructure in support of affordable housing.

Each state may use up to 1% of its annual allocation to provide technical assistance to local governments and nonprofit organizations, either directly or through contractors, to assist them in carrying out community development activities.

L. Federal Requirements

The following federal legal requirements also apply to the Small Cities CDBG program: Davis Bacon, National Environmental Policies Act (including 24 CFR Part 58 Environmental Review Procedures), Relocation Act, and Administrative Requirements of 2 CFR Part 200.

M. Application and Planning Requirement

The state's application process to HUD for Small Cities CDBG funding includes the submission of an annual Action Plan. The Action Plan updates the Consolidated Plan, a five-year planning document for Housing and Community Development that governs the state's administration of five formula-distribution federal grant programs (Small Cities CDBG, HOME, ESG, HOPWA and NHTF). Each Action Plan must contain an allocation plan by which the state will distribute its Small Cities CDBG funds. Following any legislative comments or hearing, DOH will finalize the 2022-23 Action Plan. Once this process has been completed, and any necessary revisions made, the final 2022-23 Action Plan will be submitted to HUD as part of DOH's application package. HUD's approval of the Action Plan is provided when the state receives its Funding Approval/Agreements (HUD Forms 7082) for the programs, which is anticipated within 45 days of submission to HUD.

N. Administration of Program

FY 2022-23 funding for the Small Cities CDBG Program will be made available for SSHP projects, housing authorities, and Public Infrastructure in support of affordable housing through a competitive application funding round. The Application Workshop was held on March 15, 2022. Intent to apply was due by April 23, 2022. Applications were due by May 20, 2022. Applications received can be found in Table A-1 on page 18 of this Allocation Plan. DOH intends to focus 2022 SCBG funding strictly on SSHP preservation activities, housing authorities outside of SSHP, and Public Infrastructure in support of affordable housing. Applications for Homeowner Rehab, Public Facilities and Public Services will not be considered for funding under this allocation plan.

Adequate advance notice of fund availability has been provided and DOH reserves the right to cease accepting applications at any time that all available funds have been committed. Based on funding availability and other considerations, DOH may limit the number of applications that can be submitted by a municipality in a funding round.

Final application recommendations will be made to the Commissioner's Office, based on the overall quality of the application and compliance with threshold requirements and rating and ranking criteria. Applicants receive written notification after final decisions are made. To the extent feasible, unsuccessful applicants may be offered the option to have a debriefing meeting.

P. Notification and Resubmittal of Plan After Approval

After approval of the Plan by the joint standing committees of the General Assembly having cognizance of matters relating to housing, commerce and appropriations and the budgets of state agencies:

- Notification of all transfers to or from any specific approved allocation of a sum or sums in the Plan shall be sent to the joint standing committees of the General Assembly having cognizance of matters relating to housing, commerce and appropriations and the budgets of state agencies, through the Office of Fiscal Analysis, in accordance with the provisions of section 4-28b of the general statutes; and
