HUD Prescribed Waivers
HUD Prescribed Waivers for SC CDBG-CV (1)

Citizen Participation Reasonable Notice and Opportunity to Comment:

• **Requirement**: Reasonable Notice and Opportunity to Comment.

• **Citations**: 24 CFR 91.105(c)(2) and (k), 24 CFR 91.115(c)(2) and (i) and 24 CFR 91.401
Citizen Participation Reasonable Notice and Opportunity to Comment:

• **Explanation:** As noted above, the regulations at 24 CFR 91.105 (for local governments) and 91.115 (for States) set forth the citizen participation plan requirements for recipients. For substantial amendments to the consolidated plan, the regulations require the recipient to follow its citizen participation plan to provide citizens with reasonable notice and opportunity to comment. The citizen participation plan must state how reasonable notice and opportunity to comment will be given.
HUD Prescribed Waivers for SC CDBG-CV (3)

Citizen Participation Reasonable Notice and Opportunity to Comment:

• **Justification:** Therefore, HUD waives 24 CFR 91.105(c)(2) and (k), 24 CFR 91.115(c)(2) and (i) and 24 CFR 91.401 as specified below to allow these grantees to determine what constitutes reasonable notice and opportunity to comment given their circumstances.
HUD Prescribed Waivers for SC CDBG-CV (4)

What that Means to you, the Local Government?

• Through this waiver, Local Governments are able to AMEND their Local Citizen Participation Plan, and through that amended CP Plan to “determine what constitutes reasonable notice and opportunity to comment” based on local circumstances and conditions.

• You must amend your local CP Plan, if you want to take advantage of the waiver.
Amending your Local CP Plan – How

• Notice of the availability of an amended CP plan must be posted for public comment for 5 days in a newspaper of local circulation, and posted on the local government’s website for that same 5 day period.

• Public comment on your Amended CP Plan must be accepted for that same 5 day period.

• After the 5 days, you are then able to USE the Amended CP Plan as part of your SC CDBG-CV application process.
What must be in your Amended CP Plan? (1)

• Your Amended CP Plan must detail what you intend to do for citizen participation, and it must meet the minimum requirements in another section of the Mega-Waiver.

• The 30-day minimum for the required public comment period can be waived, provided that no less than 5 days are provided for public comments on each proposed application/activity.
What must be in your Amended CP Plan? (2)

• Some form of public comment opportunity must be offered, based on local availability and circumstances. This can be limited, but must be justifiable and justified in your records.

• The State has adopted a 5 day public comment period (in writing or electronic submission) and a “virtual” public hearing.
What must be in your Amended CP Plan? (3)

• However, if you have alternative method(s) for soliciting public comment, you can include these in your Amended CP Plan, but you must be able to accept public comment of some kind for a minimum of 5 days.

• Please be sure to FOLLOW your Amended CP Plan once it has been implemented.
Other Waivers for SC CDBG-CV

• 15% Public Service cap has been waived at the State level, so there is no limit on the amount of SC CDBG-CV funds that DOH can spend on COVID-19 eligible expenses from the CARES Act funding.

• This does not extend to Program Income or our Regular SC CDBG allocations, but it does extend to any subsequent waves of CARES Act funds.
What has **not** been Waived? (1)

- Procurement
- Fair Housing/Nondiscrimination
- Relocation
- Davis Bacon/Labor Standards
- **Environmental Review Requirements**
What has **not** been Waived? (2)

- This is of particular issue, as SC CDBG-CV CAN be used toward a local government’s FEMA Public Assistance 25% Match, however...

- Your Environmental Review must be complete and your ERR must be approved by your local Environmental Review Officer and on file BEFORE you incur any cost.

- If any of you HAVE already completed your ERR and have it signed off by your ER Officer, then you are encouraged to apply for this, in addition to any other activity you may wish to undertake prospectively.
Lilia Kieltyka, Project Manager
