

Do you have a landlord who is willing to participate in UniteCT?

Yes, I have a landlord
who will work with me

I'm working with my
existing landlord

You may apply to UniteCT
to cover your rental
arrears and three
months of prospective rent.

I'm working with my
previous landlord

I owe my landlord
rent, and they are
willing to submit a
UniteCT application.

I am working with a
new landlord

You may apply to UniteCT
to cover your security
deposit and three months
of prospective rent.

No, my landlord refuses
to submit an application

I found a
new
landlord.

I cannot find
a new
landlord.

Before you submit your UniteCT
application, go to www.UniteCT.ct.gov
and click on the Tenant Resources
button. Download the "**Tenant Request
Rental Arrears with Previous Landlord**
" form. Fill it out and upload it to your
Tenant Documents tab within your
application portal.

You may have already started or
submitted an application with a
different landlord. That's okay. Please
follow the same directions as above.

If you have an existing UniteCT
application with your old landlord,
your application must be denied in
order to Recertify with your new
landlord. To Recertify, click the button
"**Add Case (New Landlord)**" on your
Case tab. Once you submit, please
note your new landlord must also
submit their application for your case
to be fully submitted.

If you do not have an existing
application with your old landlord, you
may start a new application with your
new landlord.

Email UniteCTDirectPayment@ct.gov
to notify a UniteCT staff member that
you cannot find a new landlord. Then,
upload the "**Attestation for Direct
Tenant Payment**" form into the
Applicant Info section under your
Documents tab. This form can be found
under the Tenant Resources section of
the UniteCT website. An auditor will
review your application, and if you
qualify, you will be sent a \$3,000 check
directly to the address provided in your
application. If you need to contact your
auditor, their email can be found under
your Case tab.
