

# Tenants: Common Mistakes on the Application

- **Did you provide an up-to-date lease or rental agreement?**
  - If you do not have a lease, you can create a rental agreement with your landlord and include the following information: terms of the rental agreement, monthly rent amount, and number of adult occupants. Make sure both the tenant and landlord sign this agreement.
- **Do you have an adequate rental arrears schedule that shows past due rent month by month?**
  - If you owe rent and did not upload a document under the "Past Rent Due" section in the Documents tab, please download and fill out the Rental Arrears Form (on our website).
- **Do you have one month-worth of income documentation?**
  - Remember, the amount of documentation depends on the frequency of your pay period. For example, if you get paid weekly, provide 4 pay statements; if you get paid bi-weekly, provide 2 pay statements.
  - If you do not make any income, please fill out the "Income Attestation Form" available in the Income tab. Upload this document to the "other income" section.
- **Did you complete every section of the application including all documentation?**
  - There should be blue check marks next to all your tabs.
- **Did you reference the Documentation Matrix to make sure you are providing acceptable supporting documents?**
  - If you need help understanding the Document Matrix, you can contact your local Housing Counseling Agency.
