RE: IN THE MATTER OF THE CITATION OF FIRST CLASS  
DRIVING SERVICE, INC.

Final Decision

September 19, 2007

## I. INTRODUCTION

### A. General

By citation dated May 10, 2007, by the Department of Transportation (hereinafter "department"), pursuant to Connecticut General Statutes Section 13b-103, as amended, First Class Driving Service, Inc. (hereinafter "respondent"), holder of Livery Permit Number 2274, was ordered to come before the department to answer the allegations made therein.

Pursuant to said citation, the respondent was directed to appear at the Newington office of the Department of Transportation to show cause why Livery Permit Number 2274, issued for the operation of livery service, should not be suspended or revoked or a civil penalty imposed for violation of its livery permit pursuant to Connecticut General Statutes Section 13b-102, et seq.

More specifically, it is alleged that on or about April 18, 2007, an investigator found that there was no active headquarters at the address of record as required by Connecticut General Statutes Section 13b-103 and Section 16-325-3 of the Regulations of Connecticut State Agencies.

The citation was served upon the respondent at 16 River Street, Norwalk, Connecticut by first class and certified mail and recited the department's reasons for issuing it.

### B. Hearing Held

Pursuant to Section 13b-103 of the Connecticut General Statutes, as amended, the public hearing for this citation was held on August 28, 2007.

Notice of the citation and the hearing to be held thereon was given to the respondent and to such other parties as required by Connecticut General Statutes Section 13b-103, as amended.

The hearing on this matter was conducted by a hearing officer designated by the Commissioner of Transportation, pursuant to Section 13b-17 of the Connecticut General Statutes.

### C. Appearances

No one appeared on behalf of the respondent, First Class Driving Service, Inc. The respondent's mailing address is 16 River Street, Norwalk, Connecticut 06851.

Eugene Morris, Transportation Public Transit Inspector, with the Regulatory and Compliance Unit, was a witness in this matter.

Wayne Sinclair, a member of staff, presented evidence on behalf of the department.

## II. FINDINGS OF FACT

1. The respondent is the holder of Livery Permit Number 2274 in the name of First Class Driving Service, Inc and has been authorized to operate in intrastate and interstate livery service from a headquarters in Norwalk since November 1988.

2. On April 18, 2007, an investigator with the department, Eugene Morris, went to the respondent's address of record, 25 Van Zant Street, Norwalk and found that the respondent had vacated that office over a year ago. Mr. Morris discovered another address for the respondent at 16 River Street, Norwalk, Connecticut which is reflected on the company's motor vehicle records.

3. A Notice of Hearing was sent to the respondent at 16 River Street, Norwalk Connecticut on May 10, 2007. The Notice of Hearing was signed for and received by Thomas Fay, the president and treasurer of First Class Driving Service, Inc.

4. The respondent failed to appear at the citation hearing on August 28, 2007.

### III. DEPARTMENT ANALYSIS AND CONCLUSIONS OF LAW

The Department of Transportation has jurisdiction over matters pertaining to the operation of motor vehicles in livery service in the State of Connecticut accordance with Connecticut General Statutes Section 13b-102, as amended.

Pursuant to Connecticut General Statutes Section 13b-103, the department may amend or for sufficient cause suspend or revoke any such permit. Further, the department may impose a civil penalty on any person who violates any provision of the governing chapter or any regulation adopted under Section 13b-102 through 13b-109, as amended, with respect to fares, service, operation or equipment, in an amount not to exceed one thousand dollars per day for each violation.

The evidence shows that the respondent was listed as having a headquarters at 25 Van Zant Street, Norwalk, Connecticut. At some point, the respondent moved its operation to 16 River Street, Norwalk without notifying the department. This is the address of record the respondent is using on its motor vehicle registrations. The respondent failed to maintain a headquarters at the proper address of record and failed to notify the department about its address change. In addition, the respondent received notification about the hearing and failed to appear. Therefore, the respondent must face the revocation of its permit.

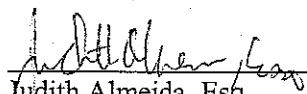

### IV. ORDER

Based on the above, the registration of Livery Permit Number 2274, standing in the name of First Class Driving Service, Inc. is hereby revoked. The revocation shall become effective fifteen (15) days from the date of this final decision.

This final decision constitutes notice in accordance with Connecticut General Statutes Section 4-182(c).

Dated at Newington, Connecticut on this the 19th day of September 2007.
