

**DBE SUPPORTIVE SERVICES**  
**FREE ASSISTANCE**

**Thanks to supportive services funding from the Federal Highway Administration, CTDOT is able to administer a Supportive Services Program for our DBEs.**

**The primary purpose of the DBE/SS is to provide training, assistance, and services to minority, disadvantaged, and women business enterprises so as to increase their activity in the program, and to facilitate the firms' development into viable, self-sufficient organizations capable of competing for, and performing on federally assisted highway projects.**

**To administer the Supportive Services Program, CTDOT may rely on support from outside consultants/contractors to fulfil its mission. The consultant/contractor is not an agent of CTDOT and CTDOT is not responsible for the services that the consultant/contractor provides.**
