Memorandum of Findings and Determination
Stamford, CT

On October 2, 2018, the Connecticut Department of Transportation (CTDOT) published a Notice of Scoping in the *Environmental Monitor* to solicit comments for the subject project. The scoping period concluded on November 7, 2018; and during this time, CTDOT received comments from members of the public as well as the Connecticut Department of Public Health (DPH), and the Connecticut Department of Energy and Environmental Protection (CTDEEP). A scoping meeting was held on October 24, 2018 at the Stamford Senior Center Auditorium.

Based on the comments received, and the analysis documented in the attached Environmental Checklist, CTDOT does not recommend the preparation of an Environmental Impact Evaluation under the Connecticut Environmental Policy Act. Comments and recommendations received were reviewed in conjunction with the preparation of the Environmental Checklist and addressed within the checklist, as appropriate.
