Corps of Engineers Permit No. NAE-2009-1308 was issued to CTDOT, P.O. Box 317546, 2800 Berlin Turnpike, Newington, CT 06131-7546. This work is located in waters and adjacent wetlands of the unnamed brook under **Bridge No. 02046 (Route 7 over unnamed brook) in New Milford, Connecticut**. The permit authorized the permittee to place temporary and permanent fill in approximately 0.087 acres of wetlands/waters areas in association with the replacement of Bridge No. 02046 (Route 7 over unnamed brook) in New Milford, Connecticut. Associated work includes the relocation of an existing drainage swale located adjacent to the bridge, in-kind replacement of an existing in-stream concrete weir structure located at the upstream side of the existing bridge, and in-stream step pool features under the bridge site and within the relocated swale bed.

The people (e.g., contractor) listed below will do the work, and they understand the permit's conditions and limitations.
