

## PUBLIC MEETING NOTICE

The Department of Transportation (Department) will conduct a Virtual Public Information Meeting concerning the proposed intersection improvements at Route 57 (Main Street) and Route 136 (Easton Road)/Weston Road in the Town of Westport on June 9, 2022 at 7:00 p.m. The meeting will be live streamed via Microsoft Teams Live Event and YouTube Live. A Question and Answer session will immediately follow the presentation. The presentation will be recorded. Instructions on how to access the meeting and on how to provide comments or ask questions can be found at the project webpage:

<https://portal.ct.gov/DOTWestportPP-158-009>

The live stream of the formal presentation will begin at 7:00 p.m.

The project is identified as Proposed Project No. PP-158-009.

The purpose of this project is to reduce congestion and congestion related-crashes at the flashing beacon intersection of Route 57 and Route 136. The existing traffic signals at the intersections of Route 57 at Merritt Parkway northbound ramps and Route 57 at Merritt Parkway southbound ramps, which are beyond their expected service life, will be replaced, as well as a part of this project.

The scope of proposed work includes replacing the existing flashing beacon with a fully actuated traffic signal at the intersection of Route 57 and Route 136. Work will include widening the roadway approaches to provide an adequate number of lanes for efficient traffic operation, removal/installation of sidewalks and other associated ancillary work.

There are right-of-way impacts associated with the proposed improvements, which could include partial acquisitions, as well as various easements and rights.

The proposed project is in the early stages of concept development. No funding has been identified and no schedule has been developed. The public informational meeting is being held to communicate existing conditions, discuss feasibility of proposed solutions, and receive public feedback for determining desired project outcomes.

The public informational meeting is being held to provide the public and local community the opportunity to offer comments or ask questions regarding the proposed project. Persons with limited internet access may request that project information be mailed to them by contacting Ms. Marissa L. Pfaffinger, P.E. by e-mail at [marissa.pfaffinger@ct.gov](mailto:marissa.pfaffinger@ct.gov) or by phone at (860) 594-3358. (Allow one week for processing and delivery.)

Individuals with limited internet access can listen to the meeting by calling 1-888-566-5916 and entering the Participant Code when prompted: 9977843. Persons with hearing and/or speech disabilities may dial 711 for Telecommunications Relay Services (TRS). The MS Teams Live Event offers closed-captioning for the hearing impaired and non-English translation options. A recording of the formal presentation will be posted to YouTube following the event and closed-captioning (including non-English translation options) will be available at that time. The recording will also be available in the list of DOT virtual public meetings here: <https://portal.ct.gov/dot/general/CTDOT-VPIM-Library>

Visit the project webpage for options for Apple users. During the Q&A session and the 14-day comment period that follows the meeting, individuals may leave a question or comment via e-mail (preferred) at [DOTProjectPP-158-009@ct.gov](mailto:DOTProjectPP-158-009@ct.gov). Individuals may also leave a voicemail question or comment by calling (860) 944-1111. Please reference the project in your voicemail.

Language assistance may be requested by contacting the Department's Language Assistance Call Line (860) 594-2109. Requests should be made at least 5 business days prior to the meeting. Language assistance is provided at no cost to the public and efforts will be made to respond to timely requests for assistance.
