Children and Youth with Special Health Care Needs (CYSHCN) Screener®FACCT

- Does your child currently need or use medicine prescribed by a doctor (other than vitamins)?
- Does your child need or use more medical care, mental health or educational services than is usual for most children of the same age?
- Is your child limited or prevented in any way in his or her ability to do the things most children of the same age can do?
- Does your child need or get special therapy, such as physical, occupational or speech therapy?
- Does your child have any kind of emotional, developmental or behavioral problem for which he or she needs or gets treatment or counseling?

Yes (If yes, answer these questions)

Is this because of ANY medical, behavioral or other health condition?

Is this a condition that has lasted or is expected to last for at least 12 months?
