NOTIFICATION OF TERMINATION OF EXECUTIVE ORDER 14 D MODIFYING LICENSURE, PERMITTING AND SUPERVISION REQUIREMENTS FOR CERTAIN HEALTH CARE PROFESSIONALS

In accord with Special Act 22-1, Executive Order 14 D will expire on April 15, 2022, ending the modification of various provisions of the General Statutes governing the licensure, permitting of health care professionals and supervision of various health care professionals. The following statutory requirements modified by the Executive Order shall no longer be modified and will be in full effect on April 15, 2022.

1. Practice Before Licensure for Certain Healthcare Profession Applicants and Graduates.

The provisions in Sections 20-70(b)(1), 20-70(b)(2), 20-74bb(f), and 20-101 of the Connecticut General Statutes that permit practice prior to licensure by applicants and graduates for the health care professions governed thereunder (Physical Therapist, Physical Therapy Assistant, Radiographer, Registered Nurse, Nurse Practitioner, Clinical Nurse Specialist, Nurse Anesthetist), will be fully in effect on April 15, 2022, in particular the durational limits in each statute for such practice.

2. Temporary Permits for Certain Healthcare Providers Extended.

Sections 20-12b(b), 20-74d, 20-162o(c) and 20-195t of the Connecticut General Statutes that provide for temporary permits for the healthcare professions governed thereunder (Respiratory Care Practitioner, Physician Assistant, Occupational, Therapist/Assistants, Master Social Worker), will be fully in effect on April 15, 2022, in particular the durational limits in each statute for such temporary permits.

3. Participation in Resident Physician Assistant Program Prior to Permit Issuance.

Section 20-12h of the Connecticut General Statutes that requires for a person to participate in a resident physician assistant program in a short-term hospital that provides a postgraduate medical education program accredited by the Accreditation Council for Graduate Medical Education, to have a license or temporary permit issued pursuant to section 20-12b or a training permit issued by the Department of Public Health, will be fully in effect on April 15, 2022.
