

STATE OF CONNECTICUT
DEPARTMENT OF REVENUE SERVICES
OFFICE OF THE COMMISSIONER

**AMERICANS WITH DISABILITIES ACT
POLICY STATEMENT**

The Department of Revenue Services does not discriminate on the basis of disability in the administration of, or access to, its programs, services or activities. Under this policy statement a person with a disability is defined as follows:

- Has a physical or mental impairment that substantially limits one or more major life activities; or
- Has a record or history of such an impairment; or
- Is perceived or regarded as having such an impairment

Major Life Activities (MLA) include but are not limited to “major bodily functions” such as functions of the immune system, normal cell growth, digestive, bowel, bladder, neurological, brain, circulatory, respiratory, endocrine, hemic, lymphatic, musculoskeletal, special sense organs and skin, genitourinary, cardiovascular systems, and reproductive functions.

MLAs also include caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, sitting, reaching, interacting with others, and working.

Whether or not the impairment substantially limits a major life activity is made on an individual basis and is not based on the existence of a condition or impairment, but rather by its impact on the individual.

The Department will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of its programs, services, and activities. For example, individuals with service animals are welcome in DRS offices, even where pets are generally prohibited. All programs, services and activities shall be provided in the most integrated setting possible. Individuals who need auxiliary aids for effective communication in Department programs and services are invited to make their needs and preferences known to the ADA Coordinator. Questions, concerns, complaints or requests for information or assistance regarding the Americans with Disabilities Act may be forwarded to the Department’s ADA Coordinator.
