

Company IDs (Debit Block Numbers)

The Connecticut Department of Revenue Services (DRS), is undergoing an IT modernization project called **myconneCT** and will be fully completed over the next four years. After the project is fully completed DRS will be transitioning to single debit block number for all your ACH debit transactions for all tax types. In the meantime, please continue to use the TSC's specific debit block numbers listed further below.

Important information for myconneCT payments only:

The following debit block number will impact the tax types listed below. Please use this debit code number when submitting payment(s) through **myconneCT** for the following tax types:
