

Form CT-990T

Connecticut Unrelated Business Income Tax Return

Instructions

2016

General Instructions

Complete this return in blue or black ink only.

Who Must File

Form CT-990T must be filed by any organization that has unrelated business taxable income attributable to a trade or business carried on within Connecticut and meets all of the following conditions:

- Is exempt from taxation under the provisions of IRC §501;
- Is an organization described in IRC §511(a)(2)(A) or a trust described in IRC §511(b)(2); **and**
- Is subject to taxation on income from an unrelated trade or business under the provisions of the Internal Revenue Code.

Return Due Date

The due date for Form CT-990T is the same as the due date of federal Form 990-T. In general, the due date of federal Form 990-T is the fifteenth day of the fifth month following the close of the income year (May 15 for calendar year filers). However, the due date for domestic trusts and foreign trusts having an office or place of business in the United States is the fifteenth day of the fourth month (April 15 for calendar year filers) and the due date for foreign trusts not having an office or place of business in the United States is the fifteenth day of the sixth month (June 15 for calendar year filers).

If the due date falls on a Saturday, Sunday, or legal holiday, the return will be considered timely if filed by the next business day.

Request for Extension to File

To get an extension of time to file the annual return, the organization must file **Form CT-990T EXT**, *Application for Extension of Time to File Unrelated Business Income Tax Return*, no later than the due date of the return, with payment of the total tax due. Filing Form CT-990T EXT automatically extends the due date for six months.

Amended Returns

Any organization that fails to include items of income or deduction or makes any other error on a return must file an amended Form CT-990T and check the *amended return* box.

If an organization has filed an amended federal return with the Internal Revenue Service (IRS) making changes to its federal unrelated business taxable income, then within 90 days of the IRS final determination on that amended federal return the organization shall file an amended Form CT-990T, checking the *amended return* box, and attach a copy of the amended federal return.

If the IRS has made corrections to an organization's federal unrelated business taxable income, the organization shall report those changes within 90 days after the IRS final determination by filing an amended Form CT-990T and checking the *amended return* box. If an extension of time is necessary to report changes, an extension request must be submitted in writing to the Commissioner of Revenue Services stating the reason the additional time is required.

Estimated Tax

Every organization subject to the tax on unrelated business income whose tax for the current income year is more than \$1,000 must make estimated tax payments. See General Instructions on **Forms CT-990T ESA, ESB, ESC, and ESD**, *Estimated Unrelated Business Income Tax*. Safe harbor provisions have been established for calculating the required estimated tax installment due.

Interest

Interest accrues at 1% per month or fraction of a month from the due date of the return through the date of payment. Interest due on the underpayment of estimated tax is computed using **Form CT-1120I**, *Computation of Interest Due on Underpayment of Estimated Tax*.

Penalty

Late Payment Penalty

The penalty for underpayment of tax is 10% of the tax due or \$50, whichever is greater. However, an organization that has been granted a filing extension may avoid a late payment penalty provided the outstanding balance due is 10% or less of the tax due **and** is paid at the time Form CT-990T is filed.

Late Filing Penalty

If no tax is due, the Commissioner of Revenue Services may impose a \$50 penalty for the late filing of any return or report that is required by law to be filed.

Criminal Penalties

Anyone who willfully fails to pay the tax or to file a return will be fined up to \$1,000, or imprisoned up to one year, or both, in addition to any other penalty.

Where any person willfully files a tax return known by that person to be fraudulent or false in any material matter, that person may be fined up to \$5,000 or imprisoned from one to five years, or both.

Waiver of Penalty

To make a penalty waiver request, taxpayers must complete and submit **Form DRS-PW**, *Request for Waiver of Civil Penalty*, to the Department of Revenue Services (DRS) Operations Bureau/Penalty Waiver. A fully completed Form DRS-PW must be submitted to the following address:

Department of Revenue Services
Operations Bureau/Penalty Waiver
PO Box 5089
Hartford CT 06102-5089

DRS will not consider a penalty waiver request unless it is accompanied by a fully completed and properly executed Form DRS-PW. For detailed information about the penalty waiver process, see **Policy Statement 2015(4)**, *Requests for Waiver of Civil Penalties*.

Signature

Form CT-990T must be signed by a corporate officer or fiduciary.

Paid Preparer Signature

A paid preparer must sign and date Form CT-990T. Paid preparers must also enter their Social Security Number (SSN) or Preparer Tax Identification Number (PTIN) and their firm's Federal Employer Identification Number (FEIN) in the spaces provided.

Paid Preparer Authorization

If the organization wishes to authorize the Department of Revenue Services (DRS) to contact the paid preparer who signed the 2016 Connecticut Unrelated Business Income Tax Return to discuss it, check the **Yes** box in the signature area of the return. This authorization applies only to the individual whose signature appears in the *paid preparer's signature* section of the return. It does not apply to the firm, if any, shown in that section.

If the **Yes** box is checked, the organization is authorizing DRS to call the paid preparer to answer any questions that may arise during the processing of the 2016 Connecticut Unrelated Business Income Tax Return. The organization is also authorizing the paid preparer to:

- Give DRS any information that is missing from the return;
- Call DRS for information about the processing of Form CT-990T or the status of the organization's refund or payment;

- The organization is **not** authorizing the paid preparer to receive any refund check, bind the organization to anything (including additional tax liability), or otherwise represent the organization before DRS. The authorization cannot be revoked. However, the authorization will automatically end no later than the due date (without regard to extensions) for filing the 2017 Connecticut Unrelated Business Income Tax Return.

Attachments to be Filed With Return

Attach a complete copy of federal Form 990-T as filed with the IRS, including all schedules and attachments used in arriving at federal unrelated business taxable income. Attach **Form CT-1120K**, *Business Tax Credit Summary*, to Form CT-990T if the organization is claiming the Electronic Data Processing Property tax credit, the Urban and Industrial Site Reinvestment tax credit, or a carryforward balance of either tax credit for the current income year.

Payment Options

Pay Electronically: Visit www.ct.gov/TSC to use the **Taxpayer Service Center (TSC)** to make a direct tax payment. After logging into the **TSC**, select the *Make Payment Only* option and choose a tax type from the drop down box. Using this option authorizes DRS to electronically withdraw from your bank account (checking or savings) a payment on a date you select up to the due date. As a reminder, even if you pay electronically you must still file your return on or before the due date. Tax not paid on or before the due date will be subject to penalty and interest.

Pay by Mail: Make check payable to **Commissioner of Revenue Services**. To ensure payment is applied to your account, write "2016 Form CT-990T" and the Connecticut Tax Registration Number on the front of your check. Sign your check and paper clip it to the front of your return. Do not send cash. DRS may submit your check to your bank electronically.

Failure to file or failure to pay the proper amount of tax due will result in penalty and interest charges. It is to your advantage to file when your return is due whether or not you are able to make full payment.

Schedule A – Unrelated Business Income Apportionment

This schedule should be completed by organizations that carry on their unrelated trade or business within and outside Connecticut and are taxable in another state on their unrelated business income during the income year for which the return is filed.

For Item 2, Receipts, and Item 3, Wages, salaries and other compensation, use the cash or accrual basis according to the method of accounting used in the computation of the taxpayer's unrelated business taxable income.

Property

Enter in Column A the average value of the taxpayer's real and tangible personal property, without any deduction on account of any encumbrance on the property owned and used in its unrelated trade or business within Connecticut during the period covered by the taxpayer's return. Enter also the value of real and tangible personal property rented to the taxpayer and used in its unrelated trade or business within Connecticut during the period covered by the taxpayer's return.

Enter in Column B the average value of all the taxpayer's real and tangible personal property, without any deduction on account of any encumbrance on the property owned and used in its unrelated trade or business within and outside Connecticut during the period covered by the taxpayer's return. Also enter the value of all real and tangible personal property rented to the taxpayer and used in its unrelated trade or business within and outside Connecticut during the period covered by the taxpayer's return.

Tangible personal property is defined in Conn. Gen. Stat. §12-242bb(d) as meaning corporeal personal property, such as machinery, tools, implements, goods, wares, and merchandise, but not including money, deposits in banks, shares of stock, bonds, notes, credits, or evidences of an interest in property, and evidences of debt.

The **average value** of real and tangible personal property owned and used by the taxpayer in its unrelated trade or business is its average monthly net book value. Compute the value of real and tangible personal property rented to the taxpayer and used in its unrelated trade or business by multiplying by eight the gross rents payable during the income year.

Receipts

Enter in Column A the receipts of the taxpayer's unrelated trade or business during the period covered by this return as follows: (a) sales of tangible personal property by the unrelated trade or business where shipments are made to points within Connecticut; (b) services performed within Connecticut by the unrelated trade or business; (c) rentals from property of the unrelated trade or business situated within Connecticut; **and** (d) all other receipts earned by the unrelated trade or business within Connecticut.

Enter in Column B the total receipts of the unrelated trade or business from all sales of tangible personal property, services, rentals, and all other transactions, within and outside Connecticut, during the period covered by this return.

Wages, Salaries, and Other Compensation

Enter in Column A the wages, salaries, and other personal service compensation of employees, except general executive officers, attributable to the taxpayer's unrelated trade or business within Connecticut, during the period covered by this return.

Enter in Column B the total wages, salaries, and other personal service compensation of employees, except general executive officers, attributable to the taxpayer's unrelated trade or business within and outside Connecticut, during the period covered by this return.

If it appears to the Commissioner that the apportionment fraction does not properly reflect the activity, business, or income of the taxpayer's unrelated trade or business within the state, the Commissioner is authorized under Conn. Gen. Stat. §12-242bb(c) to employ an alternative method to allocate a fair and proper amount of the unrelated trade or business's taxable income to the state.

Schedule B – Connecticut Apportioned Operating Loss Carryover

Lines 1 through 16 - Enter the amount of the Connecticut apportioned operating loss carryover for each corresponding year from the applicable Form CT-990T, *Schedule C*, Line 5, that is available for use in 2016.

Line 17 - Total Connecticut apportioned operating loss carryover. Add Lines 1 through 16. Enter here and on the front of Form CT-990T, *Computation of Tax*, Line 4. Do not exceed 50% of *Computation of Tax*, Line 3.

Schedule C – Computation of Net Operating Loss Carryforward

Complete *Schedule C* only if the organization has incurred a loss as reported on Form CT-990T, *Computation of Tax*, Line 3. This schedule computes the amount of net operating loss which the organization may deduct on Connecticut returns filed for succeeding income years. The amount of the loss incurred in the current year must be reduced by the amount of the specific deduction that was entered on the organization's 2016 federal Form 990-T, Part II, Line 33.

Line 1 - Enter the net operating loss as a negative number realized for the 2016 income year as computed on Form CT-990T, *Computation of Income*, Line 6.

Line 2 - Add back the amount of the specific deduction as a positive number from the 2016 federal Form 990-T, Part II, Line 33.

Line 3 - Add Line 1 and 2. An organization that does not apportion its unrelated business taxable income must also enter this amount on Line 5.

Line 4 - Enter the apportionment fraction as determined on Form CT-990T, *Schedule A*, Line 5.

Line 5 - Multiply Line 3 by Line 4 or, if the organization does not apportion, enter the amount on Line 3. This is the amount of Connecticut net operating loss from 2016 which is available for carryforward.

An organization is allowed a 20-year carryforward for net operating losses incurred in income years beginning on or after January 1, 2000.
