Corporation name	Connecticut Tax Registration Number
------------------	-------------------------------------

Complete this form in blue or black ink only.

Please note that each form is year specific. To prevent any delay in processing, the correct year's form must be submitted to DRS.

Use **Form CT-1120 FCIC** to claim the credit allowed under Conn. Gen. Stat. § 12-217w.

### Required Attachment

This form must be accompanied by a detailed schedule that identifies the fixed capital acquired, date of acquisition, cost of the fixed capital, class life, location where the fixed capital is used in Connecticut, and from whom the fixed capital was acquired.

Expenditures claimed for this credit cannot be claimed in connection with any other Corporation Business Tax credit.

### Definitions

**Fixed capital** is defined as tangible personal property that:

- Has a class life of more than four years, as described under IRC § 168(e);
- Is purchased from a person other than a related person;
- Is not acquired to be leased, and is not leased to another person during the 12 months following its acquisition; **and**
- Will be held and used in Connecticut by a corporation in the ordinary course of the corporation's trade or business in Connecticut for not less than five full years following its acquisition.

Fixed capital **does not** include inventory, land, buildings or structures, or mobile transportation property.

**Mobile transportation property** is any transport equipment designed to move or convey people or property from one place to another, including but not limited to: trucks; buses; forklifts; snowplows; or certain construction equipment such as backhoes, bulldozers, cement mixers, and loaders.

### Recapture Provision

- If the fixed capital on account of which a corporation claimed the credit is not held and used in Connecticut in the ordinary course of the corporation's trade or business in Connecticut for three full years following its acquisition, the corporation must recapture 100% of the amount of the credit allowed on its Corporation Business Tax return required to be filed for the income year immediately succeeding the income year during which the three-year period expires.
- If the fixed capital on account of which a corporation claimed the credit is not held and used in Connecticut in the ordinary course of the corporation's trade or business in Connecticut for five full years following its acquisition, the corporation must recapture 50% of the amount of the credit allowed on its Corporation Business Tax return required to be filed for the income year immediately succeeding the income year during which the five-year period expires.
- The recapture provisions do not apply if the property that is the subject of the tax credit is replaced.

**Computation of Recapture Instructions**

The corporation is required to recapture 50% of the credit allowed if the fixed capital for which the credit was applied or its replacement is not held and used in Connecticut in the ordinary course of the corporation's trade or business in Connecticut for five full years following its acquisition.

The corporation is required to recapture 100% of the credit allowed if the fixed capital for which the credit was applied or its replacement is not held and used in Connecticut in the ordinary course of the corporation's trade or business in Connecticut for three full years following its acquisition.

Recapture is required in the income year following the income year during which the three-year or five-year period expires. A corporation may also elect to recapture earlier than is required.

The corporation should include the amount of the credit to be recaptured for capital held at least three years, but less than five years in Line 1 and the amount of the credit to be recaptured for capital held for less than three years in Line 3.
