Credit Computation

Displaced Electric Worker Credit

A \$1,500 credit against the Connecticut corporation business tax is available to any **electric supplier** in Connecticut other than a generation entity or affiliate of an electric company, that hires a **displaced electric worker** for a new period of six months of full-time employment.

The credit may only be taken once for each displaced electric worker hired.

Displaced Worker Credit

A \$1,500 credit against the tax imposed under Chapters 207, 208, or 212 of the Connecticut General Statutes is available for each **displaced worker** hired by an employer on or after January 1, 2006.

The credit may only be taken once for any displaced worker, and no taxpayer may claim this credit and the credit under Conn. Gen. Stat. §12-217bb for the same displaced worker.

Definitions

Displaced Electric Worker means any Connecticut employee, other than an officer or a director, of an electric company, as defined in Conn. Gen. Stat. §16-1, or a generation entity or affiliate, who has been terminated as a direct result of the restructuring of the electric industry.

Displaced Worker means any person employed in Connecticut whose position was terminated by his or her former employer as a direct result of a business restructuring in which the positions of at least ten persons employed in Connecticut by the former employer were terminated provided the wages or salary for the first 12 months of his or her new employment are at least 75% of the displaced worker's previous annual wages or salary. It does not include any person whose former employer is or was at the time of termination of the position a *related person* with respect to the taxpayer.

Electric Supplier means a facility that provides electric generation services, as defined in Conn. Gen. Stat. §16-1.

Required Attachment

This form must be accompanied by a detailed schedule identifying the displaced worker, job title and description, name, and address of previous employer, and date of hire.
