

**Form CT-1120X**  
**Amended Corporation Business Tax Return**  
**Instructions**

(Rev. 02/10)

**General Instructions**

Complete this return in blue or black ink only.

Use **2009 Form CT-1120X** to correct a **2009 Form CT-1120**, *Corporation Business Tax Return*, or **2009 Form CT-1120U**, *Unitary Corporation Business Tax Return*:

- As it was originally filed;
- As it was later amended by the corporation;
- As it was later adjusted by the Department of Revenue Services (DRS); **or**
- To report federal adjustments by the Internal Revenue Service (IRS).

**Combined Returns**

To amend a combined corporation business tax return for income years beginning on or after January 1, 2006, a taxpayer must file **Form CT-1120CR**, *Combined Corporation Business Tax Return*, for the applicable tax year and check the *Amended* box to indicate an amended return is being filed.

If a corporation is amending Form CT-1120CR for income years beginning prior to January 1, 2006, complete Form CT-1120X.

**Revenue Agent Report (RAR) - Internal Revenue Service Adjustments**

If this return is filed as a result of IRS adjustment, the corporation also **must** attach a complete copy of the IRS notification of changes. The return **must** be filed no later than 90 days after the final determination of the adjustment.

**Federal and Connecticut Amended Return Changes**

Any company whose return to the IRS has been amended must file Form CT-1120X within 90 days after the filing of an amended return with the IRS. The corporation must attach a complete copy of the amended federal return.

If the change involves an adjustment to Connecticut net income, a Connecticut apportionment factor, Connecticut net operating loss, or a Connecticut corporation business tax credit, explain in detail and attach all appropriate supporting forms and schedules.

**Rounding Off to Whole Dollars**

You must round off cents to the nearest whole dollar on your return and schedules. If you do not round, DRS will disregard the cents.

Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all amounts that include 50 through 99 cents. However, if you need to add two or more amounts to compute the amount to enter on a line, include cents and round off **only** the total.

**Example:** Add two amounts (\$1.29 + \$3.21) to compute the total (\$4.50) to enter on a line. \$4.50 is rounded to \$5.00 and entered on a line.

**When to File**

Generally, Form CT-1120X must be filed within three years from the due date of the original return or, if an extension of time to file was requested and granted, three years from the extended due date. See *Revenue Agent Report (RAR) - Internal Revenue Service Adjustments* or *Federal and Connecticut Amended Return Changes* above.

To ensure payment is applied to your account, write "2009 Form CT-1120X" and the corporation's Connecticut Tax Registration Number on the front of your check. Attach check to return with paperclip. ### Schedule B - Computation of Minimum Tax on Capital

Use *Schedule B* to compute the minimum tax on the capital of a corporation. The minimum tax on capital does not apply to real estate investment trusts, regulated investment companies, or interlocal risk management agencies formed under Chapter 113a of the Connecticut General Statutes. The minimum tax on financial service companies is \$250. The minimum tax on capital is never less than \$250.
