## Connecticut Earned Income Tax Credit

During these difficult economic times Connecticut has introduced an Earned Income Tax Credit (CT EITC) to help working individuals, earning a low to moderate income. Use **Schedule CT-EITC**, *Connecticut Earned Income Tax Credit*, included in this book, to claim the credit. For more information see *CT EITC* on Page 2 and *Schedule CT-EITC - Connecticut Earned Income Tax Credit* on Page 33.

# CT EITC

**It's your money.**

Claim it. Save it. Grow it.

# Connecticut Earned Income Tax Credit

When filing your return, don't forget the new Connecticut Earned Income Tax credit.

---

**You earned it, so don't let anyone steal it.**

---

## Who's eligible?

Connecticut residents need to be working, earning, and also eligible for the federal earned income tax credit in order to qualify for the state credit. These taxpayers can file the new **Schedule CT-EITC**, *Connecticut Earned Income Tax Credit*, to claim and receive payment from the state equal to 30% of the amount of their federal earned income tax credit amount. See instructions on Page 33.

## Protect Yourself

We want to make it easy for people to qualify, but we also want to protect taxpayers from crooks who want to steal your identity and make a false claim. Taxpayers need to protect social security numbers and other taxpayer identity information in order to prevent others from making a claim without your knowledge.

Others will try to steal the money by offering to prepare your Schedule CT-EITC for a fee or share of what you get but then falsify information to get more money back. Avoid predatory tax preparers who charge high fees and may claim they can get you a higher tax refund if you give them a percentage of your refund. These are crimes and taxpayers need to report them to the Department of Revenue Services (DRS).

## Taxpayer Assistance

Connecticut taxpayers who need help filing for their Schedule CT-EITC can visit our website at [www.ct.gov/eitc](http://www.ct.gov/eitc) or call **Infoline 211** for information on reputable, free tax filing assistance. See the back cover for more Connecticut tax information.

# What's New

## Due Date – April 17, 2012

**The 2011 Connecticut income tax return (and payments) will be considered timely if filed on Tuesday, April 17, 2012.**

In 2012, the due date for filing a Connecticut income tax return (April 15) falls on a Sunday and Monday is a legal holiday (Emancipation Day). Therefore, for filing purposes the next business day is **Tuesday, April 17, 2012**.

---

## Return Envelopes Removed

In an effort to reduce costs, return envelopes are no longer provided in the income tax books. *Where to File*, on Page 12, lists the proper mailing address for returns with refunds or returns with payments.

---

## Refunds Issued by Debit Card

In an effort to reduce costs and provide alternative refund access to taxpayers, DRS may issue debit cards for income tax refunds not designated for direct deposit. The debit cards will provide taxpayers with immediate access to their funds through ATMs, qualified debit card purchases, and teller assisted withdrawals. A PIN protected security authentication and activation process will be required. Instructions for activation and use of the debit cards will be provided to all cardholders.

---

## Property Tax Credit

For taxable years beginning on or after January 1, 2011, the maximum property tax credit is reduced from \$500 to \$300. The maximum property tax credit is phased out based on the taxpayer's filing status and the taxpayer's Connecticut adjusted gross income (AGI). The phase-out rate was increased from 10% to 15% for every \$10,000 in additional Connecticut AGI over \$56,500 for taxpayers filing as single; for every \$5,000 in additional Connecticut AGI over \$50,250 for married taxpayers filing separately; for every \$10,000 in additional Connecticut AGI over \$78,500 for taxpayers filing as head of household; and for every \$10,000 in additional Connecticut AGI over \$100,500 for taxpayers filing a joint return.

---

## Earned Income Tax Credit

For taxable years beginning on or after January 1, 2011, a Connecticut resident taxpayer may claim an earned income tax credit (CT EITC) against the Connecticut income tax due for the taxable year. Complete **Schedule CT-EITC**, *Connecticut Earned Income Tax Credit*, to claim the CT EITC.

The amount of the CT EITC is 30% of the earned income credit claimed and allowed on the federal income tax return for the same taxable year.

If the CT EITC exceeds the taxpayer's Connecticut income tax liability, the excess is considered an overpayment and will be refunded without interest.

## Connecticut Form 1099-G

Connecticut taxpayers who itemize their deductions for federal income tax purposes and wish to obtain their Connecticut Form 1099-G information may do so by visiting the DRS website at [www.ct.gov/DRS](http://www.ct.gov/DRS) and selecting *What's My 1099-G Amount?* Paper copies of the Connecticut Form 1099-G are no longer mailed to taxpayers.

### Filing jointly or qualifying widow(er)

At a 3% rate on the first \$20,000 of Connecticut taxable income; at a rate of 5% on the excess over \$20,000, but not over \$100,000; at a rate of 5.5% on the excess over \$100,000, but not over \$200,000; at a rate of 6% on the excess over \$200,000, but not over \$400,000; at a rate of 6.5% on the excess over \$400,000, but not over \$500,000; and at a rate of 6.7% on the excess over \$500,000.

The flat income tax rate for trusts and estates was increased to 6.7%.

## Phase-Out of the 3% Rate

For taxable years beginning on or after January 1, 2011, the amount to which the 3% rate applies is reduced depending on the individual's filing status and Connecticut AGI thresholds as follows:

### Single

The amount to which the 3% tax rate applies is reduced by \$1,000 for each \$5,000 (or part of \$5,000) by which the taxpayer's Connecticut AGI exceeds \$56,500.

### Filing separately

The amount to which the 3% tax rate applies is reduced by \$1,000 for each \$2,500 (or part of \$2,500) by which the taxpayer's Connecticut AGI exceeds \$50,250.

### Head of household

The amount to which the 3% tax rate applies is reduced by \$1,600 for each \$4,000 (or part of \$4,000) by which the taxpayer's Connecticut AGI exceeds \$78,500.

### Filing jointly or qualifying widow(er)

The amount to which the 3% tax rate applies is reduced by \$2,000 for each \$5,000 (or part of \$5,000) by which the taxpayer's Connecticut AGI exceeds \$100,500.

The amount not taxed at the 3% rate is taxed at the 5% rate.

---

## Tax Recapture for Taxpayers with Higher Adjusted Gross Income

For taxable years beginning on or after January 1, 2011, a taxpayer whose Connecticut adjusted gross income (AGI) exceeds the income thresholds specified below, in addition to computing his or her Connecticut income tax liability using the applicable tax rates, and in addition to applying the 3% phase-out provision, is required to add to the tax otherwise computed, the following recapture amount of tax as follows.

### Single or filing separately

\$75 for each \$5,000 (or part of \$5,000) by which the taxpayer's Connecticut AGI exceeds \$200,000. The maximum recapture amount is \$2,250.

### Head of household

\$120 for each \$8,000 (or part of \$8,000) by which the taxpayer's Connecticut AGI exceeds \$320,000. The maximum recapture amount is \$3,600.

### Filing jointly or qualifying widow(er)

\$150 for each \$10,000 (or part of \$10,000) by which the taxpayer's Connecticut AGI exceeds \$400,000. The maximum recapture amount is \$4,500.

## Connecticut Lottery Winners who are Delinquent Taxpayers

DRS is required to provide to the Connecticut Lottery Corporation a list of delinquent taxpayers who have an unpaid tax liability, including penalties and interest, more than 30 days old, from the date on which the taxes were due, that is not the subject of a timely administrative appeal to DRS or a timely-filed appeal pending before any court.

On or after January 1, 2012, the Connecticut Lottery Corporation will check the name of any person who submits a lottery claim of \$5,000 or more against the delinquent taxpayer list provided by DRS. If there is a match, the Connecticut Lottery Corporation will deduct and withhold from the lottery prize payment payable to that person the amount of the tax liability specified on the delinquent taxpayer list.

---

## Additional Residence Information Required on Form CT-1040

A taxpayer is required to enter the city or town of residence and zip code if it is different from his or her mailing address.

---

## Use Tax

Use tax is due when taxable purchases are made but Connecticut sales tax is not paid. The general use tax rate for purchases made on or before June 30, 2011, is 6%. For purchases made on or after July 1, 2011, the general use tax rate is 6.35%. However, the following items are subject to a 7% use tax rate: Most motor vehicles exceeding \$50,000; a vessel exceeding \$100,000; each piece of jewelry exceeding \$5,000; each piece of clothing or pair of footwear exceeding \$1,000; a handbag, luggage, umbrella, wallet, or watch exceeding \$1,000. See *Schedule 4 - Individual Use Tax* on Page 31; *Q&A About the Connecticut Individual Use Tax*, on Page 5; and **Informational Publication 2011(15)**, *Q&A on the Connecticut Individual Use Tax*.

---

## Interest on Underpayment of Estimated Income Tax for 2011

For 2011, DRS recognizes that despite good faith efforts there may be situations where taxpayers will be under withheld due to 2011 legislative changes affecting the Connecticut income tax. Employers and taxpayers who find themselves under withheld because of the temporary "catch-up" withholding requirements will not be held liable for any associated interest and/or penalty on underpayment of estimated income tax for 2011.

---

## 2012 Income Tax Withholding

**For Taxable Year 2012:** If you made changes to your withholding in 2011, please be advised that your employer will continue to withhold the amount of Connecticut income tax that you requested unless you provide your employer with a new **Form CT-W4**, *Employee's Withholding Certificate*.

Therefore, as the "catch-up" withholding requirements for 2011 **do not** apply in 2012, employees who changed their withholding must check with their respective payroll offices or departments to determine the date by which they must submit a new Form CT-W4 in order for said form to be effective by January 1, 2012.

---

## Angel Investor Tax Credit

Effective October 27, 2011, the minimum cash investment required to qualify for the angel investor tax credit was reduced from \$100,000 to \$25,000. See *Angel Investor Tax Credit*, on Page 16. (Connecticut Public Act 11-1, §29, October Special Session, amended Conn. Gen. Stat. §12-704d(b))

# Q & A About the Connecticut Individual Use Tax

---

For additional information, see **Informational Publication 2011(15)**, *Q&A on the Connecticut Individual Use Tax*.

## 1. What is use tax?

Use tax is the tax you are required to pay when you do not pay Connecticut sales tax to a retailer. The use tax is complementary to the sales tax. Together, the sales and use taxes treat taxable purchases of goods and services that are used in Connecticut equally, whether the goods and services are purchased within or outside Connecticut. If Connecticut sales tax is not paid to the retailer at the time of purchase, you must pay the use tax directly to the Department of Revenue.

## 2. On what kinds of goods or services must I pay use tax?

You must pay use tax on taxable goods whether purchased, leased or rented, and taxable services. Examples of taxable goods include furniture, jewelry, automobiles, appliances, cameras, computers, and computer software. Examples of taxable services include repair services to your television, motor vehicle, or computer; landscaping services for your home; and reupholstering services for your household furniture.

## 3. Are there exemptions from the use tax?

Yes. Generally, any purchase or lease of goods or services exempted from Connecticut sales tax is also exempted from Connecticut use tax. Some examples are newspapers, magazines by subscription, compact fluorescent light bulbs, Internet access services, and repair and maintenance services to vessels.

## 4. Do I owe Connecticut use tax on all my out-of-state purchases of goods that are taxable in Connecticut?

No. If all the goods purchased and brought into Connecticut at one time total \$25 or less, you do not have to pay Connecticut use tax. The \$25 exemption does not apply to goods shipped or mailed to you.

Generally, if you purchased taxable goods from mail order companies or over the Internet and had those goods shipped to Connecticut, or if you purchased taxable goods at out-of-state locations and brought those goods back into Connecticut for use in Connecticut, you must pay the Connecticut use tax if you did not pay Connecticut sales tax.

## 5. What are the sales and use tax rates?

The general sales tax rate, effective for sales occurring on and after July 1, 2011, is 6.35% for purchases of taxable goods or services; for sales occurring before July 1, 2011, is 6%. The sales tax rate on computer and data processing services remains at 1%. However, the sales tax rate on certain items of tangible personal property purchased on or after July 1, 2011, is 7%. See *Use Tax*, on Page 4.

## 6. When must individuals pay use tax?

You must pay use tax no later than April 15 for purchases made during the preceding calendar year. Your use tax liability may be reported either on **Form OP-186**, **Form CT-1040**, or **CT-1040NR/PY**. If you are not required to file a Connecticut income tax return, you must file and pay your use tax liability using Form OP-186 no later than April 15. You may file one Form OP-186 for the entire year or you may file several returns throughout the year.

If you are engaged in a trade or business, you must register with DRS for business use tax and report purchases made in connection with your trade or business on **Form OS-114**, *Sales and Use Tax Return*.

## 7. Are there penalties and interest for not paying the use tax?

Yes. The penalty is 10% of the tax due. Interest is charged at the rate of 1% per month from the due date of the tax return. There are also criminal sanctions for willful failure to file a tax return.

## 8. How does an individual calculate their use tax liability?

Calculate the use tax by multiplying the total cost of the taxable goods or services purchased, including separately stated charges such as shipping and handling, by the applicable sales tax rate (6.0 %, 6.35%; 7%, or 1%).

## 9. What if I buy taxable goods or services in another state and the vendor charges sales tax for the other state?

If the goods or services were purchased for use in Connecticut and the tax paid in the other state is less than the Connecticut tax, you must report and pay the use tax. Your use tax due is the difference between the Connecticut tax and the tax paid to the other state.

## Connecticut Form 1099-G

Connecticut taxpayers who itemize their deductions for federal income tax purposes and wish to obtain their Connecticut Form 1099-G information may do so by visiting the DRS website at [www.ct.gov/DRS](http://www.ct.gov/DRS) and selecting *What's My 1099-G Amount?* Paper copies of the Connecticut Form 1099-G are no longer mailed to taxpayers.

## Important Reminders

- Be sure you have received all your federal W-2 and 1099 forms before filing your Connecticut income tax return. Generally, you receive the forms on or before January 31. If you receive an additional federal W-2 or 1099 form after filing your Connecticut income tax return, you may be required to file **Form CT-1040X**, *Amended Connecticut Income Tax Return for Individuals*. See *Amended Returns* on Page 35.
- Most taxpayers qualify to electronically file their Connecticut income tax return. See *May I File My Connecticut Income Tax Return Over the Internet* on Page 8.
- You **must** use blue or black ink only to complete your paper return.
- Remember to send all four pages of your return. If you do not provide DRS with all the completed pages of your return or do not provide all required information, the processing of your return will be delayed.

Make sure you enter your name, mailing address, your SSN or ITIN, and the name and SSN or ITIN for your spouse (if filing a joint return), and attach all required schedules or forms.

- Do not send W-2, 1099, or CT K-1 forms** with your Connecticut income tax return. To avoid significant delays in processing your return, be sure to complete Columns A, B, and C of Section 3 of your return. DRS will disallow your Connecticut withholding if you fail to complete all columns.
- Check the correct filing status on your return.
- Sign your return. If you and your spouse are filing jointly, both of you must sign.
- Have your paid preparer sign the return and enter the firm's Federal Employer Identification Number (FEIN) in the space provided.
- Any reference in these instructions to filing jointly includes filing jointly for federal and Connecticut **and** filing jointly for Connecticut only. Likewise, filing separately includes filing separately for federal and Connecticut **and** filing separately for Connecticut only.
- If you are an executor, administrator, or spouse filing a return for a deceased taxpayer, remember to check the box next to the deceased taxpayer's SSN.
- Remember to check the box on the first page of your return if you are filing **Form CT-1040CRC**, *Claim of Right Credit*.
- Check the box on the first page of your return if you are filing **Form CT-8379**, *Nonobligated Spouse Claim*.
- Be sure both you and your spouse file your income tax returns at the same time if you filed joint estimated tax payments but elect or are required to file separate income tax returns. No refund will be processed until both Connecticut returns are received.
- Use the correct DRS mailing address on the envelope when filing your paper return. One address is for refunds and all other tax forms without payment. The other address is for all tax forms with payment. See *Where to File*, Page 12.
- Remember to complete and attach **Schedule CT-EITC**, *Connecticut Earned Income Tax Credit*, to claim this credit.

## Who Must File a Connecticut Resident Return

You must file a Connecticut resident income tax return if you were a resident for the entire year **and** any of the following is true for the 2011 taxable year:

- You had Connecticut income tax withheld;
- You made estimated tax payments to Connecticut or a payment with Form CT-1040 EXT;
- You meet the Gross Income Test;
- You had a federal alternative minimum tax liability; **or**
- You are claiming the Connecticut earned income tax credit (CT EITC).

**If none of the above apply**, do not file a Connecticut resident income tax return.

**Gross income** means all income you received in the form of money, goods, property, services not exempt from federal income tax, **and** any additions to income required to be reported on **Form CT-1040, Schedule 1**.

Gross income includes income from all sources within Connecticut and outside of Connecticut. Gross income includes but is not limited to:

- Compensation for services, including wages, fees, commissions, taxable fringe benefits, and similar items;
- Gross income from a business;
- Capital gains;
- Interest and dividends;
- Gross rental income;
- Gambling winnings;
- Alimony;
- Taxable pensions and annuities;
- Prizes and awards;
- Your share of income from partnerships, S corporations, estates, or trusts;
- IRA distributions;
- Unemployment compensation;
- **Federally taxable** Social Security benefits; **and**
- **Federally taxable** disability benefits.

### Gross Income Test

You must file a Connecticut income tax return if your gross income for the 2011 taxable year exceeds:

- \$12,000 and you are filing separately;
- \$13,000 and you are filing single;
- \$19,000 and you are filing head of household; **or**
- \$24,000 and you are filing jointly or qualifying widow(er) with dependent child.

The following examples explain the gross income test for a Connecticut resident:

---

**Example 1:** Your only income is from a sole proprietorship and you file federal Form 1040 reporting the following on Schedule C:

Gross Income	<b>\$100,000</b>
Expenses	<b>(\$92,000)</b>
Net Income	<b>\$8,000</b>

Because the **gross** income of \$100,000 exceeds the minimum requirement, you must file a Connecticut income tax return.

---

**Example 2:** You received \$8,000 in federally nontaxable Social Security benefits and \$11,000 in interest income. Since nontaxable Social Security benefits are not included in gross income, you do not have to file a Connecticut income tax return unless Connecticut tax was withheld or estimated tax payments were made.

---

**Example 3:** You file as single on a Connecticut income tax return and received \$12,625 in wage income and \$1,000 in federally-exempt interest from California state bonds. Your federal gross income with additions from Form CT-1040, *Schedule 1* (interest on state or local obligations other than Connecticut) is \$13,625. Therefore, you must file a Connecticut income tax return.

---

## May I File My Connecticut Income Tax Return Over the Internet

Most Connecticut taxpayers may use the DRS **Taxpayer Service Center (TSC)** to file their Connecticut income tax return at [www.ct.gov/TSC](http://www.ct.gov/TSC). You may electronically file your Connecticut income tax return if all of the following are true:

- You filed a Connecticut income tax return in the last three years; or you have never filed a Connecticut income tax return, but you have a valid Connecticut driver's license or Connecticut non-driver ID;
- Your filing status is the same as the last return DRS has on file. If your filing status changed since your last filing, you may be able to file electronically through the **TSC**. If the filing status you want to use is not displayed in the drop-down menu, you cannot file electronically through the **TSC** this year. Visit the DRS website at [www.ct.gov/DRS](http://www.ct.gov/DRS) and select *E-Services* for information on other e-filing options;
- You are not filing **Form CT-8379, Nonobligated Spouse Claim**, with your return;
- You are not filing **Form CT-1040CRC, Claim of Right Credit**; **and**
- You have no more than ten W-2 or 1099 forms that show Connecticut income tax withheld.

## Relief From Joint Liability

In general, if you and your spouse file a joint income tax return, you are both responsible for paying the full amount of tax, interest, and penalties due on your joint return. However, in very limited, specific cases, relief may be granted if you believe all or any part of the amount due should be paid only by your spouse. You may request consideration by filing **Form CT-8857**, *Request for Innocent Spouse Relief (And Separation of Liability and Equitable Relief)*. See **Special Notice 99(15)**, *Innocent Spouse Relief, Separation of Liability, and Equitable Relief*.

---

## Title 19 Recipients

Title 19 recipients must file a Connecticut income tax return if the requirements for *Who Must File a Connecticut Resident Return* on Page 8 are met.

However, if you do not have funds to pay your Connecticut income tax, complete **Form CT-19IT**, *Title 19 Status Release*, and attach it to the **front** of your Connecticut income tax return if the following two conditions apply:

- You were a Title 19 recipient during 2011; **and**
- Medicaid assisted in the payment of your long-term care in a nursing or convalescent home during 2011.

Completing this form authorizes DRS to verify your Title 19 status for 2011 with the Department of Social Services.

## Deceased Taxpayers

An executor, administrator, or surviving spouse must file a Connecticut income tax return, for that portion of the year before the taxpayer's death, for a taxpayer who died during the year if the requirements for *Who Must File a Connecticut Resident Return* are met. The executor, administrator, or surviving spouse must check the box next to the deceased taxpayer's SSN on the front page of the return. The person filing the return must sign for the deceased taxpayer on the signature line and indicate the date of death.

Generally, the Connecticut and federal filing status must be the same. A surviving spouse may file jointly for Connecticut if the surviving spouse filed a joint federal income tax return. A surviving spouse in a same sex marriage may file jointly for Connecticut as a surviving spouse although this will not be their federal filing status. Write "filing as surviving spouse" in the deceased spouse's signature line on the return. If both spouses died in 2011, their legal representative must file a final return.

## Claiming a Refund for a Deceased Taxpayer

If you are a surviving spouse filing jointly with your deceased spouse, you may claim the refund on the jointly-filed return. If you are a court-appointed representative, file the return **and** attach a copy of the certificate that shows your appointment. All other filers requesting the deceased taxpayer's refund must file the return and attach federal Form 1310, Statement

of Person Claiming Refund Due a Deceased Taxpayer, to the front of the return.

Income received by the estate of the decedent for the portion of the year after the decedent's death, and for succeeding taxable years until the estate is closed, must be reported each year on **Form CT-1041**, *Connecticut Income Tax Return for Trusts and Estates*.

## Special Information for Nonresident Aliens

A nonresident alien must file a Connecticut income tax return if he or she meets the requirements of *Who Must File a Connecticut Resident Return*. In determining whether the gross income test is met, the nonresident alien must take into account any income not subject to federal income tax under an income tax treaty between the United States and the country of which the nonresident alien is a citizen or resident. Income tax treaty provisions are disregarded for Connecticut income tax purposes. Any treaty income reported on federal Form 1040NR or Form 1040NR-EZ and not subject to federal income tax must be added to the nonresident alien's federal adjusted gross income. See **Form CT-1040**, *Schedule 1*, Line 38, or **Form CT-1040NR/PY**, *Schedule 1*, Line 40.

If the nonresident alien does not have and is not eligible for a Social Security Number (SSN), he or she must obtain an Individual Taxpayer Identification Number (ITIN) from the IRS and enter it in the space provided for an SSN. DRS no longer processes income tax returns or Form CT-1040 EXT with "Applied For" or "NRA" entered in the SSN field. You must have applied for and been issued an ITIN before you file your income tax return. However, if you have not received your ITIN by April 15, file your return without the ITIN, pay the tax due, and attach a copy of the federal Form W-7. DRS will contact you upon receipt of your return and will hold your return until you receive your ITIN and you forward the information to us. If you fail to submit the information requested, the processing of your return will be delayed.

A married nonresident alien may not file a joint Connecticut income tax return unless the nonresident alien is married to a citizen or resident of the United States and they have made an election to file a joint federal income tax return and they do, in fact, file a joint federal income tax return. Any married individual filing federal Form 1040NR or federal Form 1040NR-EZ is not eligible to file a joint federal income tax return or a joint Connecticut income tax return and must file a Connecticut income tax return as filing separately except as noted by the following.

A spouse in a same sex marriage who is a nonresident alien may file a joint Connecticut income tax return as long as his or her spouse is a citizen or resident of the United States. A spouse filing federal Form 1040NR or federal Form 1040NR-EZ is not eligible to file a joint Connecticut income tax return and must file a Connecticut income tax return as filing separately for Connecticut only.

## Resident, Part-Year Resident, or Nonresident

The following terms are used in this section:

**Domicile** (permanent legal residence) is the place you intend to have as your permanent home. It is the place you intend to return to whenever you are away. You can have only one domicile although you may have more than one place to live. Your domicile does not change until you move to a new location and definitely intend to make your permanent home there. If you move to a new location but intend to stay there only for a limited time (no matter how long), your domicile does not change. This also applies if you are working in a foreign country.

**Permanent place of abode** is a residence (a building or structure where a person can live) that you permanently maintain, whether or not you own it, and generally includes a residence owned by or leased to your spouse. A place of abode is not permanent if it is maintained only during a temporary stay for the accomplishment of a particular purpose.

You are a **resident** for the 2011 taxable year if:

- Connecticut was your domicile (permanent legal residence) for the entire 2011 taxable year; **or**
- You maintained a permanent place of abode in Connecticut during the entire 2011 taxable year **and** spent a total of more than 183 days in Connecticut during the 2011 taxable year.

Nonresident aliens who meet either of these conditions are considered Connecticut residents even if federal Form 1040NR-EZ or federal Form 1040NR is filed for federal income tax purposes. See also *Spouses With Different Residency Status* on Page 18 and *Special Information for Nonresident Aliens* on Page 9.

If you are a resident and you meet the requirements for *Who Must File a Connecticut Resident Return* for the 2011 taxable year, you must file **Form CT-1040**.

You are a **part-year resident** for the 2011 taxable year if you changed your permanent legal residence by moving into or out of Connecticut during the 2011 taxable year. If you are a part-year resident, you may not elect to be treated as a resident individual.

If you are a part-year resident and you meet the requirements for *Who Must File Form CT-1040NR/PY* for the 2011 taxable year, you must file **Form CT-1040NR/PY**, *Connecticut Nonresident and Part-Year Resident Income Tax Return*.

You are a **nonresident** for the 2011 taxable year if you are neither a resident nor a part-year resident for the 2011 taxable year.

If you are a nonresident and you meet the requirements for *Who Must File Form CT-1040NR/PY* for the 2011 taxable year, you must file Form CT-1040NR/PY.

Although you and your spouse file jointly for federal purposes, you may be required to file separate Connecticut returns. See *Spouses With Different Residency Status* on Page 18.

If you meet **all** of the conditions in Group A or Group B, you may be treated as a nonresident for 2011 even if your domicile was Connecticut.

### Group A

1. You did not maintain a permanent place of abode in Connecticut for the entire 2011 taxable year;
2. You maintained a permanent place of abode outside of Connecticut for the entire 2011 taxable year; **and**
3. You spent not more than 30 days in the aggregate in Connecticut during the 2011 taxable year.

### Group B

1. You were in a foreign country for at least 450 days during any period of 548 consecutive days;
2. During this period of 548 consecutive days, you did not spend more than 90 days in Connecticut and you did not maintain a permanent place of abode in Connecticut at which your spouse (unless legally separated) or minor children spent more than 90 days; **and**
3. During the nonresident portion of the taxable year in which the 548-day period begins, and during the nonresident portion of the taxable year in which the 548-day period ends, you were present in Connecticut for no more than the number of days that bears the same ratio to 90 as the number of days in the portion of the taxable year bears to 548. See the calculation below:

$\frac{\text{Number of days in the nonresident portion}}{548} \times 90 = \text{Maximum days allowed in Connecticut}$

See **Special Notice 2000(17)**, *2000 Legislation Affecting the Connecticut Income Tax*.

## Military Personnel Filing Requirements

Military personnel and their spouses who claim Connecticut as a residence but are stationed elsewhere are subject to Connecticut income tax. If you enlisted in the service as a Connecticut resident and have not established a new domicile (permanent legal residence) elsewhere, you are required to file a resident income tax return unless you meet all of the conditions in Group A or Group B for being treated as a nonresident. See *Resident, Part-Year Resident, or Nonresident* on this page.

If your permanent home (domicile) was outside Connecticut when you entered the military, you do not become a Connecticut resident because you are stationed and live in Connecticut. As a nonresident, your military pay is not subject to Connecticut income tax. However, income you receive from Connecticut sources while you are a nonresident may be subject to Connecticut income tax. See the instructions for a Connecticut nonresident contained in the instruction booklet for Form CT-1040NR/PY.

---

**Example:** Jill is a resident of Florida. She enlisted in the Navy in Florida and was stationed in Groton, Connecticut. She earned \$38,000 in military pay.

**If Jill had no other income . . .**

Since Jill resided and enlisted in Florida, she is considered a resident of Florida and does not have to file a Connecticut return. Military personnel are residents of the state in which they resided when they enlisted.

**If Jill had a part-time job in Connecticut . . .**

Her Connecticut-sourced income from nonmilitary employment is taxable. Jill must file Form CT-1040NR/PY to report the income.

---

Spouses of military personnel, see **Informational Publication 2009(21)**, *Connecticut Income Tax Information for Armed Forces Personnel and Veterans*.

## Combat Zone

The income tax return of any individual in the U.S. Armed Forces serving in a combat zone or injured and hospitalized while serving in a combat zone is due 180 days after returning. There will be no penalty or interest charged. For any individual who dies while on active duty in a combat zone or as a result of injuries received in a combat zone, no income tax or return is due for the year of death or for any prior taxable year ending on or after the first day serving in a combat zone. If any tax was previously paid for those years, the tax will be refunded to the legal representative of the estate or to the surviving spouse upon the filing of a return on behalf of the decedent. In filing the return on behalf of the decedent, the legal representative or the surviving spouse should enter zero tax due and attach a statement to the return along with a copy of the death certificate.

**Combat zone** is an area designated by the President of the United States as a combat zone by executive order. A combat zone also includes an area designated by the federal government as a *qualified hazardous duty area*.

Members of the U.S. Armed Forces serving in military operations in the Kosovo, Afghanistan, or Persian Gulf areas are eligible for the 180-day extension allowed to individuals serving in a combat zone. Spouses of military personnel and civilians supporting the military in these regions who are away from their permanent duty stations, but are not within the designated combat zone, are also eligible for the extension. Individuals requesting an extension under combat zone provisions should print both the name of the combat zone and the operation they served with at the top of their Connecticut tax return. This is the same combat zone or operation name provided on their federal income tax return. See **Informational Publication 2009(21)**, *Connecticut Income Tax Information for Armed Forces Personnel and Veterans*.

## Connecticut Adjusted Gross Income

Connecticut adjusted gross income is your federal adjusted gross income as properly reported on federal Form 1040, Line 37; federal Form 1040A, Line 21; or federal Form 1040EZ, Line 4; and any Connecticut modifications required to be reported on Form CT-1040, *Schedule 1*.

---

## Taxable Year and Method of Accounting

You must use the same taxable year for Connecticut income tax purposes as you use for federal income tax purposes. Most individuals use the calendar year as their taxable year for federal income tax purposes. However, if the calendar year is not your taxable year for federal income tax purposes, references in this booklet to 2011 are references to your taxable year beginning during 2011.

You must use the same method of accounting for Connecticut income tax purposes as you use for federal income tax purposes.

If your taxable year or method of accounting is changed for federal income tax purposes, the same change must be made for Connecticut income tax purposes.

---

## When to File

Your Connecticut income tax return is due on or before April 15, 2012. If you are not a calendar year filer, your return is due on or before the fifteenth day of the fourth month following the close of your taxable year. If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date. See *Due Date*, on Page 3.

Your return meets the timely filed and timely payment rules if the U.S. Postal Service cancellation date, or the date recorded or marked by a designated private delivery service (PDS) using a designated type of service, is on or before the due date. Not all services provided by these designated PDSs qualify. This list is subject to change. See **Policy Statement 2008(3)**, *Designated Private Delivery Services and Designated Types of Service*. The following are the designated PDSs and designated types of service at the time of publication:

Federal Express (FedEx)	United Parcel Service (UPS)
<ul style="list-style-type: none"><li>• FedEx Priority Overnight</li><li>• FedEx Standard Overnight</li><li>• FedEx 2Day</li><li>• FedEx International Priority</li><li>• FedEx International First</li></ul>	<ul style="list-style-type: none"><li>• UPS Next Day Air</li><li>• UPS Next Day Air Saver</li><li>• UPS 2nd Day Air</li><li>• UPS 2nd Day Air A.M.</li><li>• UPS Worldwide Express Plus</li><li>• UPS Worldwide Express</li></ul>

If Form CT-1040 is filed late or all the tax due is not paid with the return, see *Interest and Penalties* on Page 14 to determine if interest and penalty must be reported with the return.

## Extension Requests

### Extension of Time to File

To request an extension of time to file your return, you must file **Form CT-1040 EXT**, *Application for Extension of Time to File Connecticut Income Tax Return for Individuals*, and pay all the tax you expect to owe on or before the due date. Visit [www.ct.gov/TSC](http://www.ct.gov/TSC) to file your extension over the Internet.

Form CT-1040 EXT extends only the time to file your return; it does not extend the time to pay your tax due. See *Interest and Penalties* on Page 14 if you do not pay all the tax due with your extension request.

You do not need to file Form CT-1040 EXT if you:

- Have requested an extension of time to file your 2011 federal income tax return and you expect to owe no additional Connecticut income tax for the 2011 taxable year after taking into account any Connecticut income tax withheld from your wages and any Connecticut income tax payments you have made; **or**
- Pay your expected 2011 Connecticut income tax due using a credit card on or before the due date.

You must file Form CT-1040 EXT if you:

- Did not request an extension of time to file your federal income tax return, but you are requesting an extension of time to file your Connecticut income tax return; **or**
- Have requested an extension of time to file your federal income tax return but you expect to owe additional Connecticut income tax for 2011 and wish to submit a payment with Form CT-1040 EXT.

If you file an extension request with a payment after the due date, generally April 15, DRS will deny your extension request.

### U.S. Citizens Living Abroad

If you are a U.S. citizen or resident living outside the United States and Puerto Rico, or if you are in the armed forces of the United States serving outside the United States and Puerto Rico and are unable to file a Connecticut income tax return on time, you must file Form CT-1040 EXT. You must also pay the amount of tax due on or before the original due date of the return.

Include with Form CT-1040 EXT a statement that you are a U.S. citizen or resident living outside the United States and Puerto Rico, or in the armed forces of the United States serving outside the United States and Puerto Rico, and that you qualify for a federal automatic extension. If your application is approved, the due date is extended for six months. If you are still unable to file your return and you were granted an additional extension of time to file for federal purposes, you may file your Connecticut return using the federal extension due date. A copy of the federal Form 2350 approval notice must be attached to the front of your Connecticut return.

### Extension of Time to Pay

You may be eligible for a six-month extension of time to pay the tax due if you can show that paying the tax by the due date will cause undue hardship. You may request an extension by filing **Form CT-1127**, *Application for Extension of Time for Payment of Income Tax*, on or before the due date of the original return.

Attach Form CT-1127 to the front of Form CT-1040 or Form CT-1040 EXT and send it on or before the due date. As evidence of the need for extension, you **must** attach:

- An explanation of why you cannot borrow money to pay the tax due;
- A statement of your assets and liabilities; **and**
- An itemized list of your receipts and disbursements for the preceding three months.

If an extension of time to pay is granted and you pay all the tax due in full by the end of the extension period, a penalty will not be imposed. However, interest will accrue on any unpaid tax from the original due date. You should make payments as soon as possible to reduce the interest you would otherwise owe.

To ensure proper posting of your payment, write “**2011 Form CT-1040**” and your SSN(s) (optional) on the front of your check. Mail payments to:

Department of Revenue Services  
Accounts Receivable Unit  
PO Box 5088  
Hartford CT 06102-5088

---

### Where to File

For **refunds and all other tax forms without payment** enclosed, mail your return to:

Department of Revenue Services  
PO Box 2976  
Hartford CT 06104-2976

For **all tax forms with payment** enclosed, mail your return with payment to:

Department of Revenue Services  
PO Box 2977  
Hartford CT 06104-2977

---

### Estimated Tax Payments

You must make estimated income tax payments if your Connecticut income tax (after tax credits) minus Connecticut tax withheld is \$1,000 or more and you expect your Connecticut income tax withheld to be less than your required annual payment for the 2012 taxable year.

Your required annual payment for the 2012 taxable year is the lesser of:

- **90%** of the income tax shown on your 2012 Connecticut income tax return; **or**

- **100%** of the income tax shown on your 2011 Connecticut income tax return, if you filed a 2011 Connecticut income tax return that covered a 12-month period.

You do **not** have to make estimated income tax payments if:

- You were a Connecticut resident during the 2011 taxable year, and you did not file a 2011 income tax return because you had no Connecticut income tax liability; **or**
- You were a nonresident or part-year resident with Connecticut-sourced income during the 2011 taxable year and you did not file a 2011 income tax return because you had no Connecticut income tax liability.

If you were a nonresident or part-year resident and you did **not** have Connecticut-sourced income during the 2011 taxable year, your required annual payment is 90% of the income tax shown on your 2012 Connecticut income tax return.

### Annualized Income Installment Method

If your income varies throughout the year, you may be able to reduce or eliminate the amount of your estimated tax payment for one or more periods by using the annualized income installment method. See **Informational Publication 2011(23)**, *A Guide to Calculating Your Annualized Estimated Income Tax Installments and Worksheet CT-1040 AES*.

### Filing Form CT-1040ES

You may file and pay your Connecticut estimated tax using the *TSC*. Visit our website at [www.ct.gov/TSC](http://www.ct.gov/TSC) for more information. You may also pay your 2012 estimated Connecticut income tax payments by credit card.

Use **Form CT-1040ES**, *Estimated Connecticut Income Tax Payment Coupon for Individuals*, to make estimated Connecticut income tax payments for 2012 using a paper return. If you made estimated tax payments in 2011, you will automatically receive coupons for the 2012 taxable year in mid-January. They will be preprinted with your name, address, and SSN. To ensure your payments are properly credited, use the preprinted coupons.

If you did not make estimated tax payments in 2011, use Form CT-1040ES to make your first estimated income tax payment. Form CT-1040ES is available on the DRS website. If you file this form, additional preprinted coupons will be mailed to you.

To avoid making estimated tax payments, you may request your employer withhold additional amounts from your wages to cover the taxes on other income. You can make this change by giving your employer a revised **Form CT-W4**, *Employee's Withholding Certificate*. For help in determining the correct amount of Connecticut withholding to be withheld from your wage income, see **Informational Publication 2012(7)**, *Is My Connecticut Withholding Correct?*

### Special Rules for Farmers and Fishermen

If you are a farmer or fisherman (as defined in IRC §6654(i)(2)) who is required to make estimated income tax payments, you must make only **one** payment. Your payment is due on or before January 15, 2013, for the 2012 taxable year. The required installment is the lesser of 66<sup>2</sup>/<sub>3</sub>% of the income tax shown on your 2012 Connecticut income tax return or 100% of the income tax shown on your 2011 Connecticut income tax return.

A farmer or fisherman who files a 2012 Connecticut income tax return on or before March 1, 2013, and pays in full the amount computed on the return as payable on or before that date, will not be charged interest for underpayment of estimated tax.

Farmers or fishermen who use these special rules **must** complete and attach **Form CT-2210**, *Underpayment of Estimated Tax by Individuals, Trusts, and Estates*, to their Connecticut income tax return to avoid being billed for interest on the underpayment of estimated income tax. Be sure to check Box D of Form CT-2210, Part I, and the box for Form CT-2210 on the front of Form CT-1040. See **Informational Publication 2010(16)**, *Farmer's Guide to Sales and Use Taxes, Motor Vehicle Fuels Tax, Estimated Income*

## 2012 Estimated Tax Due Dates

Due dates of installments and the amount of required payments for 2012 calendar year taxpayers are:

<b>April 15, 2012*</b>	25% of your required annual payment
<b>June 15, 2012</b>	25% of your required annual payment (A total of 50% of your required annual payment should be paid by this date.)
<b>September 15, 2012</b>	25% of your required annual payment (A total of 75% of your required annual payment should be paid by this date.)
<b>January 15, 2013</b>	25% of your required annual payment (A total of 100% of your required annual payment should be paid by this date.)

An estimate is considered timely filed if received on or before the due date, or if the date shown by the U.S. Postal Service cancellation mark is on or before the due date. Taxpayers who report on other than a calendar year basis should use their federal estimated tax installment due dates. If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date.

\* In 2012, the first installment due date falls on a Sunday and Monday is a legal holiday (Emancipation Day). Therefore, Connecticut returns and payments will be considered timely if filed on Tuesday, April 17, 2012.

*Tax, and Withholding Tax, or Informational Publication 2009(14), Fisherman's Guide to Sales and Use Taxes and Estimated Income Tax.*

### Interest on Underpayment of Estimated Tax

You may be charged interest if you did not pay enough tax through withholding or estimated payments, or both, by any installment due date. This is true even if you are due a refund when you file your tax return. Interest is calculated separately for each installment. Therefore, you may owe interest for an earlier installment even if you paid enough tax later to make up the underpayment. Interest at 1% per month or fraction of a month will be added to the tax due until the **earlier of** April 15, 2012, or the date on which the underpayment is paid.

A taxpayer who files a 2011 Connecticut income tax return on or before January 31, 2012, and pays in full the amount computed on the return as payable on or before that date, will not be charged interest for failing to make the estimated payment due January 15, 2012.

A farmer or fisherman who is required to make estimated income tax payments will not be charged interest for failing to make the estimated payment due January 15, 2012, if he or she files a 2011 Connecticut income tax return on or before March 1, 2012, and pays in full the amount computed on the return as payable on or before that date.

### Filing Form CT-2210

You may be charged interest if your 2011 Connecticut income tax (after tax credits) minus Connecticut tax withheld is \$1,000 or more. Use Form CT-2210 to calculate interest on the underpayment of estimated tax. Form CT-2210 and detailed instructions are available from DRS. However, this is a complex form and you may prefer to have DRS calculate the interest. If so, do not file Form CT-2210 and DRS will send you a bill.

---

### Interest and Penalties

In general, interest and penalty apply to any portion of the tax not paid on or before the original due date of the return.

#### Interest

If you do not pay the tax when due, you will owe interest at 1% per month or fraction of a month until the tax is paid in full.

If you did not pay enough tax through withholding or estimated payments, or both, by any installment due date, you may be charged interest. This is true even if you are due a refund when you file your tax return. See *Interest on Underpayment of Estimated Tax* on this page.

Interest on underpayment or late payment of tax cannot be waived.

#### Penalty for Late Payment or Late Filing

The penalty for late payment or underpayment of income or use tax is 10% of the tax due. If a request for an extension of time to file has been granted, you can avoid a penalty for

failure to pay the full amount due by the original due date if you:

- Pay at least 90% of the income tax shown to be due on the return on or before the original due date of the return; **and**
- Pay the balance due with the return on or before the extended due date. If you file your return electronically and pay your balance due by check, then your check must be postmarked on whichever is earlier: the date of acceptance of the electronic return or the extended due date.

If no tax is due, DRS may impose a \$50 penalty for the late filing of any return or report required by law to be filed.

### Penalty for Failure to File

If you do not file your return and DRS files a return for you, the penalty for failure to file is 10% of the balance due or \$50, whichever is greater. If you are required to file **Form CT-1040X, Amended Connecticut Income Tax Return for Individuals**, and fail to do so, a penalty may be imposed.

### Waiver of Penalty

To make a waiver of penalty request, taxpayers must complete and submit **Form DRS-PW, Request for Waiver of Civil Penalty**, to the Department of Revenue Services (DRS) Penalty Waiver Unit. Taxpayers may mail Form DRS-PW to the address listed below or fax it to the Penalty Waiver Unit at 860-297-4797.

Department of Revenue Services  
Penalty Waiver Unit  
PO Box 5089  
Hartford CT 06102-5089

DRS will not consider a penalty waiver request unless it is accompanied by a fully completed and properly executed Form DRS-PW. For detailed information on the penalty waiver process, see **Policy Statement 2010(1), Requests for Waiver of Civil Penalties**.

---

### Refund Information

The fastest way to get your refund is to file your return electronically and elect direct deposit. If you **do not** elect to direct deposit, DRS may issue debit cards for your income tax refunds. See Refunds Issued by *Debit Card*, on Page 3.

For returns filed on paper, you must allow 10 to 12 weeks from the date you mailed the return before checking on the status of your refund. Your refund could be delayed if additional review is required.

You can check on the status of your refund on the **TSC** at **www.ct.gov/myrefund** or you may call **800-382-9463** (Connecticut calls outside the Greater Hartford calling area only) or **860-297-5962** (from anywhere).

Be ready to provide your SSN (and your spouse's if filing jointly) and the exact amount of the refund you requested. If DRS does not issue your refund on or before the ninetieth day after we receive your claim for refund, you may be entitled to

interest on your overpayment. Interest is computed at the rate of  $\frac{2}{3}\%$  for each month or fraction of a month between the ninetieth day following receipt of your properly completed claim for a refund or the due date of your return, whichever is later, and the date of notice that your refund is due.

### Offset Against Debts

If you are due a refund, all or part of your overpayment may be used to pay outstanding debts or taxes. Your overpayment will be applied in the following order: penalty and interest you owe, other taxes you owe DRS, debts to other Connecticut state agencies, federal taxes you owe the IRS, taxes you owe to other states, amounts designated by you to be applied to your 2012 estimated tax, and charitable contributions designated by you. Any remaining balance will be refunded to you. If your refund is reduced, you will receive an explanation for the reduction.

---

### Nonobligated Spouse

When a joint return is filed and only one spouse owes past-due child support, a debt to any Connecticut state agency, or tax due to another state, the spouse who is not obligated may be eligible to claim a share of a joint income tax refund. A nonobligated spouse who received income in 2011 and who made Connecticut income tax payments (withholding or estimates) for the 2011 taxable year may be eligible to claim his or her share of any refund if:

- A joint Connecticut tax return was filed for 2011; **and**
- An overpayment of tax was made.

If you are a nonobligated spouse, you may claim your share of a joint refund by filing **Form CT-8379, Nonobligated Spouse Claim**.

When filing Form CT-8379, attach all W-2 and 1099 forms showing Connecticut income tax withheld. Remember to check the box on the front of your Connecticut income tax return and attach Form CT-8379 to the front of your return.

Do **not** use Form CT-8379 to claim your share of a Connecticut income tax refund that was applied to your spouse's federal income tax liability. For information about IRS offsets, contact the IRS at the telephone number listed on the Notice of Refund Offset issued to you.

---

### Payment Options

#### Pay Electronically

Visit the *TSC* at [www.ct.gov/TSC](http://www.ct.gov/TSC) and follow the prompts to make a direct payment or visit <https://drsindtax.ct.gov> to make a direct payment if you do not want to login to the *TSC*. You can authorize DRS to transfer funds from your bank account (checking or savings) to a DRS account by entering your bank account number and your bank routing transit number. You can file your return any time before the due date

and designate the amount of payment and date of transfer. Your bank account will be debited on the date you indicate. You must pay the balance due on or before the due date (April 15, 2012) to avoid penalty and interest.

#### Pay by Credit Card or Debit Card

You may elect to pay your 2011 Connecticut income tax liability using a credit card (American Express®, Discover®, MasterCard®, VISA®) or comparable debit card. A convenience fee will be charged by the service provider. You will be informed of the amount of the fee and you may elect to cancel the transaction. At the end of the transaction, you will be given a confirmation number for your records.

- Visit [www.officialpayments.com](http://www.officialpayments.com) and select *State Payments*; **or**
- Call Official Payments Corporation toll-free at **800-2PAY-TAX** (800-272-9829). You will be asked to enter the Connecticut Jurisdiction Code: 1777.

Your payment is effective on the date you make the charge.

#### Pay by Mail

Make your check payable to **Commissioner of Revenue Services**. To ensure proper posting of your payment, write “**2011 Form CT-1040**” and your SSN(s) (optional) on the front of your check. Be sure to sign your check and paper clip it to the front of your return. **Do not send cash**. DRS may submit your check to your bank electronically.

**Failure to file or failure to pay** the proper amount of tax when due **will result in penalty and interest charges**. It is to your advantage to file when your return is due whether or not you are able to make full payment.

Attach other required forms and schedules, including Supplemental Schedule CT-1040WH, to the back of your return or as directed on the form. You do **not** need to attach a copy of your previously-filed Form CT-1040 EXT.

---

### Rounding Off to Whole Dollars

You must round off cents to the nearest whole dollar on your return and schedules. If you do not round, DRS will disregard the cents. Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all amounts that include 50 through 99 cents. However, if you need to add two or more amounts to compute the amount to enter on a line, include cents and round off **only** the total.

---

**Example:** Add two amounts (\$1.29 + \$3.21) to compute the total (\$4.50) to enter on a line. \$4.50 is rounded to \$5.00 and entered on the line.

---

DRS does not round when issuing refunds.

## Income Tax Credits

Effective for taxable years beginning on or after January 1, 2010, the following credits are applicable against the income tax. If you qualify you may claim the credits on **Schedule CT-IT Credit**, *Income Tax Credit Summary*.

For more information about additional requirements and limitations to these credits, see **Special Notice 2010(3)**, *2010 Legislative Changes Affecting the Income Tax*, or contact the Department of Economic Development (DECD) or Connecticut Innovations Inc.

These three tax credits may be claimed by the shareholders or partners of an S corporation or an entity treated as a partnership for federal income tax purposes. If the entity is a single member limited liability company that is disregarded as an entity separate from its owner, the tax credit may be claimed by the limited liability company owner provided the owner is a person subject to Connecticut income tax.

### Qualified Small Business Job Creation Tax Credit

An employer with less than 50 employees in Connecticut may earn a credit equal to \$200 per month for hiring a new employee after May 6, 2010, who resides in Connecticut. The new employee must be hired to fill a full time job during the income years beginning on or after January 1, 2010, and before January 1, 2013. The tax credit may be used against the tax liability under Chapter 229 or against the tax liability under Chapter 207 or 208 of the Connecticut General Statutes, for the income year in which the new employee is hired, and if eligible, the two immediately succeeding income years. However, this credit cannot be used against an employer's withholding tax liability. Additionally, this credit does not carry forward, is nonrefundable, and, if used against an income tax liability imposed under Chapter 229 of the Connecticut General Statutes, is limited by the amount of the tax. The tax credit is not available for an income year if the new employee was not employed by the employer at the close of that income year. The tax credit is administered by DECD.

### Vocational Rehabilitation Job Creation Tax Credit

An employer may earn a credit equal to \$200 per month for hiring a new qualifying employee who is receiving rehabilitation services from the Bureau of Rehabilitation Services within the Department of Social Services or from the Board of Education and Services for the Blind. The new employee must be hired after May 6, 2010 and prior to January 1, 2012\*, to work at least 20 hours per week for 48 weeks of a calendar year. The tax credit may be used against the tax liability under Chapter 229 or against the tax liability under Chapter 207 or 208 of the Connecticut General Statutes, for the income year in which the new employee is hired, and if eligible, the two immediately succeeding income years. However, this credit cannot be used against an employer's withholding tax liability. Additionally, this credit does not carry forward, is nonrefundable, and, if used against an income tax liability imposed under Chapter 229

of the Connecticut General Statutes, is limited by the amount of the tax. The tax credit is not available for an income year if the new employee was not employed by the employer at the close of that income year. This credit is not allowed for any new qualifying employee hired by an employer in any taxable year commencing on or after January 1, 2012.\* The tax credit is administered by DECD.

---

\* Effective October 27, 2011, Connecticut Public Act 11-1, §22, October Special Session, amended Conn. Gen. Stat. §12-217oo. The amendment requires that the new qualifying employee must be hired prior to January 1, 2012 in order for the employer to claim the credit.

---

### Angel Investor Tax Credit

This tax credit is available to angel investors making a cash investment of not less than \$25,000\* in the qualified securities of a Connecticut business. The credit is applicable to taxable years beginning on or after January 1, 2010. However, tax credits cannot be reserved for any investments made on or after July 1, 2014. The allowable credit is 25% of the cash investment, cannot exceed \$250,000, cannot exceed the amount of the income tax imposed under Chapter 229 of the Connecticut General Statutes for the taxable year, and cannot be used against the withholding tax liability imposed by Conn. Gen. Stat. §12-707.

The credit must be claimed in the taxable year in which the investment is made. Any tax credit claimed but not applied against the income tax liability may be carried forward for the five immediately succeeding taxable years until the full credit has been applied. The credit is not transferable. The tax credit is administered by Connecticut Innovations, Inc.

---

\* Effective October 27, 2011, Connecticut Public Act 11-1, §29, October Special Session, amended Conn. Gen. Stat. §12-704d(b). The amendment reduces the minimum cash investment required from \$100,000 to \$25,000 in qualified securities of a Connecticut business.

# Completing Form CT-1040

Before you begin, gather all your records, including all your federal W-2 and 1099 forms. Use this information to complete your federal income tax return. The information on your federal return is needed to complete your Connecticut return. Complete the return in blue or black ink only.

## 1 Taxpayer Information

### Filing Status - Check only one box.

Check the appropriate box to indicate your filing status.

Generally, your filing status for Connecticut income tax purposes must match your federal income tax filing status for the year except as otherwise noted.

Spouses in a same sex marriage must use **filing jointly for Connecticut only** or **filing separately for Connecticut only**. They may not use single or, if applicable, head of household (although this will be their filing status for federal income tax purposes).

**Filing Jointly for Federal and Connecticut:** This is your Connecticut income tax filing status if your filing status for federal income tax purposes is married filing jointly except as noted below.

- If you are a **resident or nonresident** of Connecticut and your spouse is a **part-year resident** of Connecticut, filing separately for Connecticut only is your Connecticut income tax filing status.
- If you are **both part-year residents** of Connecticut but do not have the same period of residency, filing separately for Connecticut only is your Connecticut income tax filing status.
- If you are **both part-year residents** of Connecticut and have the same period of residency, filing jointly for federal and Connecticut is your Connecticut income tax filing status.
- If you are a **resident** of Connecticut and your spouse is a **nonresident** of Connecticut, filing separately for Connecticut only is your Connecticut income tax filing status unless you both elect to be treated as residents of Connecticut for the entire taxable year and to file a joint Connecticut income tax return. If an election is made, filing jointly for federal and Connecticut is your Connecticut income tax filing status.
- If you are **both nonresidents** of Connecticut and only one of you has income derived from or connected with sources within Connecticut, only that spouse is required to file a Connecticut income tax return and that spouse's Connecticut income tax filing status is filing separately for Connecticut only unless you both elect to file a joint Connecticut income tax return. If an election is made, filing jointly for federal and Connecticut is your Connecticut income tax filing status.

**Filing Jointly for Connecticut Only:** This is your Connecticut income tax filing status if you are in a same sex marriage and have elected to file a joint Connecticut income tax return except as noted below:

- If you are a **resident or nonresident** of Connecticut and your spouse is a **part-year resident** of Connecticut, filing separately for Connecticut only is your Connecticut income tax filing status.
- If you are **both part-year residents** of Connecticut but do not have the same period of residency, filing separately for Connecticut only is your Connecticut income tax filing status.
- If you are **both part-year residents** of Connecticut and have the same period of residency, you may choose filing jointly for Connecticut only or filing separately for Connecticut only as your Connecticut income tax filing status.
- If you are a **resident** of Connecticut and your spouse is a **nonresident** of Connecticut, filing separately for Connecticut only is your Connecticut income tax filing status unless you both elect to be treated as residents of Connecticut for the entire taxable year and to file a joint Connecticut income tax return. If an election is made, filing jointly for Connecticut only is your Connecticut income tax filing status.
- If you are **both nonresidents** of Connecticut and only one of you has income derived from or connected with sources within Connecticut, only that spouse is required to file a Connecticut income tax return and that spouse's Connecticut income tax filing status is filing separately for Connecticut only, unless you both elect to file a joint Connecticut income tax return. If an election is made, filing jointly for Connecticut only is your Connecticut income tax filing status.

**Filing Separately for Federal and Connecticut:** This is your Connecticut income tax filing status if your filing status for federal income tax purposes is married filing separately.

**Filing Separately for Connecticut Only:** This is your Connecticut income tax filing status if you are spouses in a same sex marriage and have not elected to file a joint Connecticut income tax return. This is also your Connecticut income tax filing status if the instructions above so indicate.

**Qualifying Widow(er):** If your filing status is qualifying widow(er) with dependent child on federal Form 1040 or 1040A, check the box on Form CT-1040 for "Qualifying widow(er) with dependent child." **Do not enter** your deceased spouse's name or SSN in the spaces provided for spouse's name and spouse's SSN.

## Spouses With Different Residency Status

When one spouse is a **nonresident alien** and the other spouse is a **citizen** or **resident** of the United States, **each** spouse who is required to file a Connecticut income tax return **must** file as filing separately for Connecticut only unless:

- An election is made by the nonresident alien and his or her spouse to file a joint federal income tax return, and they do, in fact, file a joint federal income tax return. This requirement does not apply if you are spouses in a same sex marriage; **and**
- The spouses are otherwise required or permitted to file a joint Connecticut income tax return.

The election to file a joint return means the joint federal adjusted gross income **must** be used on Form CT-1040, Line 1. It also means the spouse who might not otherwise be required to file a Connecticut income tax return will now be jointly and severally liable for any tax liability associated with the filing of a joint Connecticut income tax return.

If you are filing a joint federal return with your spouse but are required to file a separate Connecticut return, each of you will have to recompute your federal adjusted gross income as if you were each filing as married filing separately for federal income tax purposes. Enter on Form CT-1040, Line 1, your income as recalculated. This provision does not apply if you are spouses in a same sex marriage.

**Taxpayers Filing Jointly for Connecticut Only:** Taxpayers filing jointly for Connecticut only must recalculate their federal adjusted gross income as if, for federal tax purposes, they were allowed and elected to file as married filing jointly.

Employer provided health insurance coverage for an employee's spouse in a same sex marriage may be taxable income to the employee for federal income tax purposes. In this case, you must subtract the amount from your federal adjusted gross income and enter the result on Line 1 of your Connecticut income tax return.

## Social Security Number, Name, and Address

You **must** write your Social Security Number (SSN), name, and address in the space provided. If your city or town of residence is different from your mailing address enter the additional information in the space provided. If you file a joint return, enter your SSN and your spouse's SSN in the order they appear on your federal return. If the taxpayer is deceased, see *Deceased Taxpayers* on Page 9.

If you are a nonresident alien and do not have an SSN, enter your Individual Taxpayer Identification Number (ITIN) in the space provided above your name. Nonresident aliens who have applied for an ITIN from the Internal Revenue Service by filing federal Form W-7, but have not received the ITIN, must wait for the ITIN to be issued before filing their Connecticut tax return. However, if you have not received your ITIN by April 15, file your return without the ITIN, pay the tax due, and attach a copy of the federal Form W-7. DRS will contact you upon receipt of your return. DRS will hold

your return until you receive your ITIN and you forward the information to us. If you fail to submit the information requested, the processing of your return will be delayed.

## 2 Calculate Your Tax

Any reference in these instructions to filing jointly includes filing jointly for federal and Connecticut and filing jointly for Connecticut only. Likewise, filing separately includes filing separately for federal and Connecticut and filing separately for Connecticut only.

### Line 1: Federal Adjusted Gross Income

Enter your federal adjusted gross income from your 2011 federal income tax return. This is the amount reported on federal Form 1040, Line 37; federal Form 1040A, Line 21; or federal Form 1040EZ, Line 4.

Nonresident aliens, see *Special Information for Nonresident Aliens* on Page 9. Spouses in a same sex marriage, see *Taxpayers Filing Jointly for Connecticut Only* on this page.

### Line 2: Additions

### Line 6: Income Tax

For each filing status, if the amount on Line 5 is: \$12,000 or less for filing separately; \$13,000 or less for single; \$19,000 or less for head of household; or \$24,000 or less for filing jointly, or qualifying widow(er) with dependent child, enter "0" on Line 6. You do not owe any income tax. Otherwise, calculate your tax using one of the following methods.

**Tax Tables:** If your Connecticut adjusted gross income is less than or equal to \$102,000, you may use the *Tax Tables* on Page 36 to find your tax. If your Connecticut adjusted gross income is more than \$102,000 but less than or equal to \$552,000, you may use the tax tables posted on the DRS website to find your tax. Be sure to use the correct column in the *Tax Tables*. After you have found the correct tax, enter that amount on Line 6.

**Tax Calculation Schedule:** If your Connecticut adjusted gross income is more than \$552,000, you **must** use the *Tax Calculation Schedule* on Page 46; or visit [www.ct.gov/DRS](http://www.ct.gov/DRS) to use the Income Tax Calculator on the DRS website to figure

your tax. You may also use the Income Tax Calculator or the *Tax Calculation Schedule* if your Connecticut adjusted gross income is less than or equal to \$552,000.

**Line 7: Credit for Income Taxes Paid to Qualifying Jurisdictions**

If all or part of the income reported on this return is subject to income tax in a qualifying jurisdiction and you have filed a return and paid income taxes to that jurisdiction, complete Form CT-1040, *Schedule 2*, and enter the amount from Line 59 here. See *Schedule 2 - Credit for Income Taxes Paid to Qualifying Jurisdictions* on Page 26.

You **must attach a copy of your return** filed with the qualifying jurisdiction(s) or the credit will be disallowed.

**Line 8**

Subtract Line 7 from Line 6 and enter the result. If Line 7 is greater than Line 6, enter “0.”

**Line 9: Connecticut Alternative Minimum Tax**

If you were required to pay the federal alternative minimum tax for 2011, you must file **Form CT-6251, Connecticut Alternative Minimum Tax Return - Individuals**. Enter the amount shown on Form CT-6251, Line 23.

**Line 10**

Add Line 8 and Line 9 and enter the total.

**Line 11: Credit for Property Taxes Paid on Your Primary Residence, Motor Vehicle, or Both**

If Line 10 is zero, skip Line 11 and Line 12 and go to Line 13. Otherwise, complete and attach *Schedule 3* on Page 4 of Form CT-1040 to be allowed this credit. Enter the amount from Line 68 on Line 11. Be certain to include all of the requested information or your credit may be denied. See *Schedule 3 - Property Tax Credit* on Page 29.

The credit is limited to the lesser of \$300 or the amount of qualifying property taxes paid. The maximum property tax credit allowed is **\$300** per return regardless of filing status. See *Property Tax Credit Table* on Page 30. This credit can be used to offset only your 2011 income tax. **You may not carry this credit forward and it is not refundable.**

**Line 12**

Subtract Line 11 from Line 10 and enter the result. If less than zero, enter “0.”

**Line 13: Allowable Credits**

Enter the amount from **Schedule CT-IT Credit, Income Tax Credit Summary**, Part I, Line 11.

Use Schedule CT-IT Credit to claim the tax credits (see Page 16) or to claim the credit for a prior year alternative minimum tax from **Form CT-8801, Credit for Prior Year Connecticut Minimum Tax for Individuals, Trusts and Estates**.

**Line 14: Connecticut Income Tax**

Subtract Line 13 from Line 12 and enter the result. If less than zero, enter “0.”

**Line 15: Individual Use Tax**

Complete the Connecticut Individual Use Tax Worksheet on Page 32, then complete and attach *Schedule 4* on Page 4 of Form CT-1040. Enter on Line 15 total use tax due as reported on *Schedule 4*, Line 69. You **must** enter “0” if no Connecticut use tax is due; otherwise you have not filed a use tax return. See Pages 4, 5, and 31 for more information on the use tax.

**Line 16 and Line 17**

Add Line 14 and Line 15. Enter the total on Line 16 and Line 17.

**3 Payments**

**Line 18: Connecticut Tax Withheld**

For each federal W-2 or 1099 form where Connecticut income tax was withheld, enter the following on Lines 18a through 18g.

**Column A:** Enter the Employer Identification Number or Payer Identification Number.

**Column B:** Enter the amount of Connecticut wages, tips, etc.

**Column C:** Enter the amount of Connecticut income tax withheld.

You **must** complete all columns or your Connecticut withholding will be disallowed. Do **not** include tax withheld for other states or federal income tax withholding.

If you have **more than seven** federal W-2 or 1099 forms showing Connecticut income tax withheld, you must complete and attach **Supplemental Schedule CT-1040WH, Connecticut Income Tax Withholding**. Enter on Supplemental Schedule CT-1040WH only Connecticut income tax withholding amounts not previously reported on Form CT-1040. Enter the total from Supplemental Schedule CT-1040WH, Line 3, on the last line of Column C, Line 18h.

Add all entries in Column C (including the additional amount from Supplemental Schedule CT-1040WH) and enter the total Connecticut income tax withheld on Line 18.

**Do not send copies of W-2 and 1099 forms.** Keep these for your records. DRS may request them at a later date.

When filing **Form CT-8379, Nonobligated Spouse Claim**, attach all W-2 and 1099 forms showing Connecticut income tax withheld.

### Line 19: All 2011 Estimated Tax Payments

Enter the total of all Connecticut estimated tax payments, advance tax payments, and any overpayments of Connecticut income tax applied from a prior year. Be sure to include any 2011 estimated payments made in 2012. **Do not** include any refunds received.

### Line 20: Payments Made With Form CT-1040 EXT

If you filed **Form CT-1040 EXT, Application for Extension of Time to File**, enter the amount you paid with that form.

### Line 20a: Connecticut Earned Income Tax Credit

Complete **Schedule CT-EITC, Connecticut Earned Income Tax Credit**, to calculate your earned income tax credit. Enter the amount from Schedule CT-EITC, Line 16.

You **must attach a copy of your schedule** or the credit will be disallowed.

### Line 21: Total Payments

Add Lines 18, 19, 20, and 20a and enter the total. This represents the total of all Connecticut tax payments made.

## 4 Overpayment

### Line 22: Overpayment

If Line 21 is greater than Line 17, subtract Line 17 from Line 21 and enter the result. This is your overpayment. To properly allocate your overpayment, go to Lines 23, 24, and 25. If Line 21 is less than Line 17, go to Line 26.

If you were required to make estimated income tax payments, but you did not pay enough tax through withholding, estimated tax, or both, by any installment due date, your refund may be reduced by the interest due on the underpayment of estimated tax. See **Form CT-2210, Underpayment of Estimated Income Tax by Individuals, Trusts, and Estates**.

### Line 23: Amount of Line 22 You Want Applied to Your 2012 Estimated Tax

Enter the amount of your 2011 overpayment you want applied to your 2012 estimated Connecticut income tax. It will be treated as estimated tax paid on April 15, 2012, if your return is filed on time or if you filed a timely request for extension and your return is filed within the extension period. Payments received after April 15, 2012, will be applied as of the date of receipt. **Your request to apply this amount to your 2012 estimated income tax is irrevocable.**

### Line 24: Total Contributions to Designated Charities

You may make a contribution on this return only if you are entitled to a refund. Your contribution is limited to your refund amount. Complete and attach *Schedule 5* on Page 4 of Form CT-1040. Enter the total contributions as reported on *Schedule 5*, Line 70. **Your contribution is irrevocable.**

You may also make direct contributions by following the instructions on Page 6.

### Line 25: Refund

Subtract the total of Line 23 and Line 24 from Line 22. The result is the amount of your refund.

The fastest way to get your refund is to file your return electronically and elect direct deposit of your refund. Complete Lines 25a, 25b, and 25c to have your refund directly deposited into your checking or savings account.

Name of Depositor	Date	No. 101
Street Address		
City, State, Zip Code		
Pay to the Order of	\$	
Name of your Bank		
Street Address		
City, State, Zip Code		
092125789	091 025 025413	0101
Routing Number	Account Number	

Enter your nine-digit bank routing number and your bank account number in Lines 25b and 25c. Your bank routing number is the first nine-digit number printed on your check or savings withdrawal slip. Your bank account number generally follows the bank routing number. Do not include the check number as part of your account number. Bank account numbers can be up to 17 digits and must be numeric.

If any of the bank information you supply for direct deposit does not match, or you **do not** elect to direct deposit, DRS may issue the refund as a debit card or a check. Some financial institutions do not allow a joint refund to be deposited into an individual account. See *Refunds Issued by Debit Card*, on Page 3.

Federal banking rules require DRS to request information about foreign bank accounts (Line 25d) when the taxpayer requests the direct deposit of a refund into a bank account. If the refund is to be deposited in a bank outside the United States, DRS will mail your refund to you.

Your overpayment will be applied in the following order: penalty and interest you owe; other taxes you owe DRS; debts to other Connecticut state agencies; federal taxes you owe the IRS; taxes you owe to other states; amounts designated by you to be applied to your 2012 estimated tax; and charitable contributions designated by you. Any remaining balance will be refunded to you.

## 5 Amount You Owe

### Line 26: Tax Due

If Line 17 is greater than Line 21, subtract Line 21 from Line 17 and enter the result. This is the amount of tax you owe. See *Estimated Tax Payments* on Page 12.

### Line 27: Penalty for Late Payment or Late Filing

**Late Payment Penalty:** The penalty for late payment or underpayment of income or use tax is 10% of the amount due. See *Penalty for Late Payment or Late Filing* on Page 14.

**Late Filing Penalty:** In the event that no tax is due, DRS may impose a \$50 penalty for the late filing of any return or report required by law to be filed.

### Line 28: Interest for Late Payment or Late Filing

If you fail to pay the tax when due, interest will be charged at 1% per month or fraction of a month from the due date until payment is made.

### Line 29: Interest on Underpayment of Estimated Tax

If Line 14 minus Line 18 is \$1,000 or more, you may owe interest on estimated tax you either underpaid or paid late. **Form CT-2210**, *Underpayment of Estimated Income Tax by Individuals, Trusts and Estates*, can help you determine whether you did underestimate and will help you calculate interest. However, this is a complex form and you may prefer to have DRS calculate the interest. If so, do **not** file Form CT-2210; leave this line blank and DRS will send you a bill. Interest on underpayment of estimated income tax stops accruing on the **earlier** of the day you pay your tax or April 15, 2012.

### Line 30: Total Amount Due

Add Lines 26 through 29 and enter the total. This is the total amount you owe. Pay the amount in full with your return.

See *Payment Options* on Page 15.

## 6 Sign Your Return

After you complete Form CT-1040, sign your name and write the date you signed the return. Your spouse must also sign and enter the date if this is a joint return. The signature line is on Page 2 of Form CT-1040.

If you file a joint return, you **must** review the information with your spouse. When both you and your spouse sign the return, you become jointly and severally responsible for paying the full amount of tax, interest, and penalties due. In addition, you and your spouse will be jointly entitled to any refund which will be issued to both names listed on the return.

### Paid Preparer Signature

Anyone you pay to prepare your return must sign and date it. Paid preparers must also enter their SSN or Preparer Tax Identification Number (PTIN), and their firm's Federal Employer Identification Number (FEIN) in the spaces provided.

## Third Party Designee

To authorize DRS to contact your friend, family member, or any other person to discuss your 2011 tax return, enter the designee's name, telephone number, and any five numbers the designee chooses as his or her personal identification number (PIN). To authorize DRS to contact the paid preparer who signed your return, enter "Preparer" in the space for the designee's name. You do not have to provide the other information requested.

If you enter a designee's name, you and your spouse, if filing a joint return, are authorizing DRS to call the designee to answer any questions that may arise during the processing of your return. You are also authorizing the designee to:

- Give DRS any information missing from your return;
- Call DRS for information about the processing of your return or the status of your refund or payment; **and**
- Respond to certain DRS notices you have shared with the designee about math errors, offsets, and return preparation. The notices will not be sent to the designee.

Once DRS processes the return, the authorization ends. The authorization cannot be revoked. However, the authorization will automatically end no later than the due date (without regard to extensions) for filing your 2012 tax return. This is April 15, 2013, for most taxpayers.

Selecting a designee does not replace a power of attorney and will not authorize the designee to receive refunds, bind you to anything (including additional tax liabilities), or represent you before DRS. To authorize another individual to represent you or act on your behalf, you must complete **LGL-001**, *Power of Attorney*.

---

## Order of Attachments

Paper clip your check in payment of the tax due to the front of the income tax form in the appropriate area marked "Clip check here." To ensure proper posting of your payment, write "**2011 Form CT-1040**" and your SSN(s) (optional) on the front of your check.

If you must file any of the following forms, attach the form(s) to the **front** of your income tax return in the following order:

- **Form CT-1040CRC**, *Claim of Right Credit*
- **Form CT-19IT**, *Title 19 Status Release*
- **Form CT-1127**, *Application for Extension of Time for Payment of Income Tax*
- **Form CT-8379**, *Nonobligated Spouse Claim*
- Federal Form 1310, *Statement of Person Claiming Refund Due a Deceased Taxpayer*

Attach other required forms and schedules, including Supplemental Schedule CT-1040WH; Schedule CT-IT Credit; and Schedule CT-EITC, to the **back** of your return or as directed on the form. You do **not** need to attach a copy of your previously-filed Form CT-1040 EXT.

## Filing Your Return

Keep a copy of this return and all attachments for your records. Attach to this return any required schedules and forms. Do **not** attach copies of your federal income tax return or federal schedules.

DRS no longer provides return envelopes for mailing completed forms. See *Where to File*, Page 12 for the correct address to use for returns with refunds or returns with payments.

## Recordkeeping

Make copies of your tax return; completed worksheets and schedules; and records of all items appearing on the return

(such as W-2 and 1099 forms). Retain copies until the statute of limitations expires for that return. Usually, this is three years from the date the return was due or filed, whichever is later. You may need this information to prepare future returns or to file amended returns.

## Copies of Returns

You may request a copy of a previously-filed Connecticut income tax return from DRS by completing **LGL-002, Request for Disclosure of Tax Return or Tax Return Information**. You can usually expect to receive your copy in approximately three weeks.

# Form CT-1040 Schedules

### Additions to Federal Adjusted Gross Income

Enter all amounts as positive numbers.

#### Line 31: Interest on State and Local Government Obligations Other Than Connecticut

Enter the total amount of interest income derived from state and municipal government obligations (other than obligations of the State of Connecticut or its municipalities) which is not taxed for federal income tax purposes. Do not enter interest income derived from government obligations of Puerto Rico, Guam, American Samoa, or U.S. Virgin Islands.

#### Line 32: Exempt-Interest Dividends From a Mutual Fund Derived From State or Municipal Government Obligations Other Than Connecticut

Enter the total amount of exempt-interest dividends received from a mutual fund that are derived from state and municipal government obligations other than obligations of the State of Connecticut or its municipalities. If the exempt-interest dividends are derived from obligations of Connecticut and other states, enter only the percentage derived from non-Connecticut obligations. Do not enter exempt-interest dividends derived from government obligations of Puerto Rico, Guam, American Samoa, or U.S. Virgin Islands.

**Example:** A fund invests in obligations of many states including Connecticut. Assuming that 20% of the distribution is from Connecticut obligations, the remaining 80% would be added back on this line.

#### Line 33: Reserved for Future Use

#### Line 34: Taxable Amount of Lump-Sum Distributions From Qualified Plans Not Included in Federal AGI

If you filed federal Form 4972, Tax on Lump-Sum Distributions, with your federal Form 1040 to compute the tax on any part of a distribution from a qualified plan, enter **that** part of the distribution on Line 34. Do not enter any part of the distribution reported on federal Form 1040, Line 16a; federal Form 1040A, Line 12a; or federal Form 1040, Schedule D.

#### Line 35: Beneficiary's Share of Connecticut Fiduciary Adjustment

If you have any income from an estate or trust, your share of any Connecticut modifications (that is, your share of the Connecticut fiduciary adjustment) that applies to the income will be shown on **Schedule CT-1041B**, Part 1, Column 5. Your share of these modifications should be provided to you by the fiduciary. If your share of these modifications is an amount greater than zero, enter the amount on Line 35. If the amount is less than zero, enter the amount on Line 46.

If you are a beneficiary of more than one trust or estate, enter the net amount of all modifications, if greater than zero, on Line 35 or, if less than zero, on Line 46.

#### Line 36: Loss on Sale of Connecticut State and Local Government Bonds

Enter the total losses from the sale or exchange of notes, bonds, or other obligations of the State of Connecticut or its municipalities used to determine gain (loss) for federal income tax purposes whether or not the entire loss is used in computing federal adjusted gross income.

#### Line 37: Domestic Production Activity Deduction

Enter the amount reported as a domestic production activity deduction on federal Form 1040, Line 35.

### Line 38: Other

Use Line 38 to report any of the following modifications:

1. Add back any treaty income reported on federal Form 1040NR-EZ or Form 1040NR if a nonresident alien. Enter the words “treaty income” in the space provided.
2. Add back any loss or deduction of an enrolled member of the Mashantucket Pequot Tribe who resides in Indian country of such tribe or any loss or deduction of an enrolled member of the Mohegan Tribe who resides in Indian country of such tribe where the loss or deduction is derived from or connected with Indian country of the tribe. Enter the words “Mashantucket Pequot Tribe enrolled member” or “Mohegan Tribe enrolled member,” as the case may be.
3. Add back any Connecticut income tax deducted on the federal income tax return to arrive at federal adjusted gross income. Do not add back any Connecticut income tax deducted on federal Form 1040, Schedule A.
4. Add back any expenses paid or incurred for the production (including management, conservation, and maintenance of property held for the production) or collection of income exempt from Connecticut income tax which were deducted on the federal return to arrive at federal adjusted gross income.
5. Add back any amortizable bond premium on bonds producing interest income exempt from Connecticut income tax which premiums were deducted on the federal return to arrive at federal adjusted gross income.
6. Add back any interest or dividend income on obligations or securities of any authority, commission, or instrumentality of the United States which federal law exempts from federal income tax but does not exempt from state income taxes.
7. Add back to the extent deductible in determining federal adjusted gross income, any interest expenses on indebtedness incurred or continued to purchase or carry obligations or securities (the income from which is exempt from Connecticut income tax).
8. Also use Line 38 to report any additions to federal adjusted gross income required for Connecticut income tax purposes which are not listed on Lines 31 through 36.

### Line 39: Total Additions

Add Lines 31 through 38 and enter the total.

### Subtractions From Federal Adjusted Gross Income

Enter all amounts as positive numbers.

### Line 40: Interest on U.S. Government Obligations

Enter the total amount of interest income (to the extent includible in federal adjusted gross income) derived from U.S. government obligations, which federal law prohibits states from taxing (for example, U.S. government bonds such

as Saving Bonds Series EE or Series HH and U.S. Treasury bills or notes).

For Series EE U.S. Savings Bonds, you are entitled to include on Line 40 **only** the amount of interest subject to federal income tax after exclusion of the amounts reported on federal Form 8815. In general, you will report the net taxable amount on federal Form 1040, Schedule B, or federal Form 1040A, Schedule 1.

**Do not enter** the amount of interest income derived from Federal National Mortgage Association (Fannie Mae) bonds, Government National Mortgage Association (Ginnie Mae) bonds, and Federal Home Loan Mortgage Corporation (Freddie Mac) securities. Federal law does not prohibit states from taxing interest income derived from these obligations and this interest income is taxable for Connecticut income tax purposes.

Do not enter the amount of interest paid to you on any federal income tax refund.

### Line 41: Exempt Dividends From Certain Qualifying Mutual Funds Derived From U.S. Government Obligations

Enter the total amount of exempt dividends received from a qualifying mutual fund that are derived from U.S. government obligations. A mutual fund is a qualifying fund if, **at the close of each quarter** of its taxable year, at least 50% of the value of its assets consists of U.S. government obligations. The percentage of dividends that are exempt dividends should be reported to you by the mutual fund.

**Do not enter** the amount of dividend income derived from Federal National Mortgage Association (Fannie Mae) bonds, Government National Mortgage Association (Ginnie Mae) bonds, and Federal Home Loan Mortgage Corporation (Freddie Mac) securities. Federal law does not prohibit states from taxing income derived from these obligations, and this income is taxable for Connecticut income tax purposes.

**Example:** A qualifying mutual fund pays a dividend of \$100. Of the distribution, 55% is attributable to U.S. Treasury bills and 45% to other investments. The amount reported on Line 41 is \$55.

See **Policy Statement, 2005(2)**, *Connecticut Income Tax on Bonds or Obligations Issued by the United States Government, by State Governments, or Municipalities*.

### Line 42: Social Security Benefit Adjustment

If you receive Social Security benefits subject to federal income tax, you may reduce or eliminate the amount of your benefits subject to Connecticut income tax. Spouses in a same sex marriage must recompute their federal adjusted gross income as if their filing status for federal income tax purposes were married filing jointly or married filing separately.

Your Social Security benefits are fully exempt from Connecticut income tax if your required filing status is single or filing separately and the amount reported on Form

CT-1040, Line 1, is **less than \$50,000**; or filing jointly, qualifying widow(er) with dependent child, or head of household and the amount reported on Form CT-1040, Line 1, is **less than \$60,000**. If this is the case, enter on Line 42 the amount of federally taxable Social Security benefits reported on federal Form 1040, Line 20b, or federal Form 1040A, Line 14b.

Your Social Security benefits are partially exempt from Connecticut income tax if your federal adjusted gross income is above the threshold for your filing status. If you used the worksheets in the instructions to federal Form 1040 or federal Form 1040A to calculate the amount of taxable Social Security benefits, complete the *Social Security Benefit Adjustment Worksheet* below and enter the amount from Line F on Line 42. If you did not use these worksheets, but instead used worksheets in federal Publication 590 or federal Publication 915, see **Announcement 2010(7)**, *Taxability of Social Security Benefits for Connecticut Income Tax Purposes*.

If you are using a worksheet not from a federal publication, such as one you printed from a tax preparation program on your computer or one given to you by your tax preparer, you should verify that the line references from these worksheets are the same as the equivalent federal publication to be certain you are using the proper amounts.

**Line 43: Refunds of State and Local Income Taxes**

Enter the amount of taxable refunds of state and local income taxes reported on your federal Form 1040, Line 10. If federal Form 1040, Line 10, is blank or if you filed federal Form 1040A or 1040EZ, enter "0."

**Line 44: Tier 1 and Tier 2 Railroad Retirement Benefits and Supplemental Annuities**

If you received Tier 1 or Tier 2, or both, railroad retirement benefits or supplemental annuities during 2011, you may deduct the amount included in your federal adjusted gross income but only to the extent the benefits were not already subtracted from federal adjusted gross income on Line 42 (Social Security Benefit Adjustment). Enter the balance not already subtracted on Line 42 of Tier 1 and Tier 2 railroad retirement benefits reported on federal Form 1040, Line 16b or Line 20b, or federal Form 1040A, Line 12b or Line 14b. Likewise, enter the amount of railroad unemployment benefits, including sickness benefits paid by the Railroad Retirement Board (RRB) in lieu of unemployment benefits, to the extent included in your federal adjusted gross income. However, do not enter sickness benefits paid by the RRB resulting from an on-the-job injury because these benefits are not included in your federal adjusted gross income.

**Social Security Benefit Adjustment Worksheet - Line 42**

Enter the amount from **Form CT-1040**, Line 1.....

If your filing status is **single** or **filing separately**, is the amount on Line 1 \$50,000 or more?

- No: **Do not complete** this worksheet. Enter the amount of federally taxable Social Security benefits you reported on federal Form 1040, Line 20b, or federal Form 1040A, Line 14b, on Form CT-1040, Line 42.

If your filing status is **filing jointly, qualifying widow(er), or head of household**, is the amount on Line 1 \$60,000 or more?

- Yes: **Complete** this worksheet.
- No: **Do not complete** this worksheet. Enter the amount of federally taxable Social Security benefits you reported on federal Form 1040, Line 20b, or federal Form 1040A, Line 14b, on Form CT-1040, Line 42.

A. Enter the amount reported on your 2011 federal Social Security Benefits Worksheet, Line 1. <div style="border: 1px solid black; border-radius: 15px; padding: 2px; display: inline-block; margin-top: 5px;"> <b>If Line A is zero or less, stop here and enter "0" on Line 42. F. <b>Social Security Benefit Adjustment</b> - Subtract Line D from Line E. Enter the amount here and on Form CT-1040, Line 42. If Line D is greater than or equal to Line E, enter "0."	F.	

**Line 45: 50% of Military Retirement Pay**

Subtract 50% of the income received as military retirement pay, to the extent included in federal adjusted gross income, if you are a retired member of the armed forces of the United States or the National Guard (retired military member) or if you are a beneficiary receiving survivor benefits under an option or election made by a deceased retired military member.

Payments received by a former spouse of a retired military member, under a final decree of divorce, dissolution, annulment, or legal separation or a court ordered, ratified, or approved property settlement incident to a decree dividing military retirement pay, do not qualify for the 50% retirement pay exclusion.

**Line 46: Beneficiary's Share of Connecticut Fiduciary Adjustment**

If you have any income from an estate or trust, your share of any Connecticut modifications (that is, your share of the Connecticut fiduciary adjustment) that applies to the income will be shown on Schedule CT-1041B, Part 1, Column 5. Your share of these modifications should be provided to you by the fiduciary on Schedule CT-1041 K-1. If your share of these modifications is an amount less than zero, enter the amount on Line 46. If the amount is greater than zero, enter the amount on Line 35.

If you are a beneficiary of more than one trust or estate, enter the net amount of all modifications if less than zero on Line 46.

**Line 47: Gain on Sale of Connecticut State and Local Government Bonds**

Enter the total of all gains from the sale or exchange of notes, bonds, or other obligations of the State of Connecticut or its municipalities used to determine gain (loss) for federal income tax purposes.

**Line 48: Connecticut Higher Education Trust (CHET) Contributions**

Enter your contributions to a CHET account(s). The modification cannot exceed the maximum allowable contribution. The maximum CHET contribution that may be subtracted is the lesser of (1) the amount of contributions to all CHET accounts during the taxable year; or (2)(A) \$5,000 for each individual taxpayer (including individuals whose filing status on their Connecticut income tax return is single, head of household, filing separately, or (B) \$10,000 for individuals whose filing status on their Connecticut income tax return is filing jointly or qualifying widow(er) with dependent child.

If your CHET contribution during the taxable year exceeds the maximum CHET contribution, the excess may be carried forward for the five succeeding taxable years provided the CHET contribution carried forward and subtracted from federal adjusted gross income of the succeeding taxable years does not exceed the maximum CHET contribution. CHET contributions made in the current taxable year are used before using any carryover from prior years.

Enter the CHET account number in the space provided. If you made contributions to more than one account, you enter only one account number. See **Special Notice 2006(11)**, *2006 Legislative Changes Affecting the Income Tax*.

**Line 49: Other**

Use Line 49 to report any of the following modifications:

1. Subtract any income or gain of an enrolled member of the Mashantucket Pequot Tribe who resides in Indian country of such tribe or any income or gain of an enrolled member of the Mohegan Tribe who resides in Indian country of such tribe where the income or gain is derived from or connected with Indian country of the tribe. Enter the words "Mashantucket Pequot Tribe enrolled member" or "Mohegan Tribe enrolled member," as the case may be.
2. Subtract the amount of interest earned on funds deposited in a Connecticut individual development account to the extent included in federal adjusted gross income.
3. Subtract any interest paid on indebtedness incurred to acquire investments that provide income taxable in Connecticut but exempt for federal purposes, that is not deductible in determining federal adjusted gross income, and is attributable to a trade or business of that individual.
4. Subtract expenses paid or incurred for the production (including management, conservation, and maintenance of property held for production) or collection of income taxable in Connecticut but exempt from federal income tax, that are not deductible in determining federal adjusted gross income, and are attributable to a trade or business of that individual.
5. Subtract the amount of any distributions you received from the CHET fund as a designated beneficiary to the extent includable in your federal adjusted gross income. Congress passed legislation excluding from federal gross income any distribution from a qualified state tuition program (such as CHET) to the extent the distribution is used to pay for qualified higher education expenses (Pub. L. No. 107-16, §402). To the extent any distribution from CHET is excluded from federal gross income, the amount should not be reported as a subtraction modification on Line 49.
6. Subtract any amortizable bond premium on bonds that provide interest income taxable in Connecticut but exempt from federal income tax, which premiums were not deductible in determining federal adjusted gross income and are attributable to a trade or business of that individual.
7. Subtract the amount of any interest income from notes, bonds, or other obligations of the State of Connecticut included in federal adjusted gross income. This modification includes any Build America Bond tax credit amount if the Build America Bond, as described in Section 1531 of the American Recovery and Reinvestment Act of 2009 was issued by the State of Connecticut or a Connecticut subdivision and only to the extent the credit amount is treated as interest includable in gross income for federal income tax purposes.

8. Subtract the amount of any interest, dividends, or capital gains earned on contributions to accounts established for a designated beneficiary under the Connecticut Homecare Option Program for the Elderly to the extent the interest, dividends, or capital gains are properly included in the gross income of the designated beneficiary for federal income tax purposes.

Do **not** use Line 49 to subtract income subject to tax in a qualifying jurisdiction (see *Schedule 2 - Credit for Income Taxes Paid to Qualifying Jurisdictions*, below) or income of a nonresident spouse. See *Spouses With Different Residency Status* on Page 18.

### Line 50: Total Subtractions

Add Lines 40 through 49 and enter the total.

---

## Schedule 2 - Credit for Income Taxes Paid to Qualifying Jurisdictions

---

You **must** first complete Form CT-1040, *Schedule 3 - Credit for Property Taxes Paid on Your Primary Residence, Motor Vehicle, or Both*, before completing *Schedule 2*. See the instructions for *Schedule 3 - Property Tax Credit* on Page 29.

### Am I Eligible for the Credit for Income Taxes Paid to Qualifying Jurisdictions

If you are a **resident** of Connecticut and if any part of your income was taxed by a **qualifying jurisdiction**, you may be able to claim a credit against your Connecticut income tax liability for qualifying income tax payments you have made.

Taxpayers seeking a credit for alternative minimum taxes paid to another jurisdiction must complete **Form CT-6251, Connecticut Alternative Minimum Tax Return - Individuals**, to calculate their alternative minimum tax credit.

### Qualifying Jurisdiction

A qualifying jurisdiction includes another state of the United States, a local government within another state, or the District of Columbia. A qualifying jurisdiction does not include the State of Connecticut, the United States, or a foreign country or its provinces (for example, Canada and Canadian provinces).

### Qualifying Income Tax Payments

Qualifying income tax payments are income taxes you actually paid on income:

- Derived from or connected with sources within the qualifying jurisdiction; **and**
- Subject to tax in the qualifying jurisdiction.

### Income Derived From or Connected With Sources Within a Qualifying Jurisdiction

- Compensation received for personal services performed in a qualifying jurisdiction;
- Income from a business, trade, or profession carried on in a qualifying jurisdiction;

- Gambling winnings from a state-conducted lottery. See **Informational Publication 2011(28), Connecticut Income Tax Treatment of State Lottery Winnings Received by Residents and Nonresidents of Connecticut**; **or**
- Income from real or tangible personal property situated in a qualifying jurisdiction.

Income from intangibles, such as stocks and bonds, is not considered derived from or connected with sources within a qualifying jurisdiction **unless** the income is from property employed in a business, trade, or profession carried on in that jurisdiction.

### What Payments Do Not Qualify

- Income tax payments made to a qualifying jurisdiction on income not derived from or connected with sources within the qualifying jurisdiction (such as wages not derived from or connected with sources within the qualifying jurisdiction);
- Income tax payments made to a qualifying jurisdiction on income not included in your Connecticut adjusted gross income;
- Income tax paid to a jurisdiction that is not a qualifying jurisdiction, including a foreign country or its provinces (for example, Canada and Canadian provinces);
- Alternative minimum tax paid to a qualifying jurisdiction;
- Income tax paid to a qualifying jurisdiction if you claimed credit on that jurisdiction's income tax return for income tax paid to Connecticut; **or**
- Penalties or interest on income taxes you paid to a qualifying jurisdiction.

### Limitations to the Credit

The total credit is limited to whichever of the following amounts is least:

- The amount of income tax paid to the qualifying jurisdiction;
- The portion of Connecticut income tax due on the Connecticut adjusted gross income sourced in the qualifying jurisdiction; **or**
- The amount of your Connecticut income tax entered on Form CT-1040, Line 6.

### How to Calculate the Credit

You **must** first complete your income tax return(s) for the qualifying jurisdiction(s). Then complete the *Schedule 2 - Worksheet* on Page 28 to determine the amount to enter on *Schedule 2*, Line 53.

The allowed credit must be separately computed for each qualifying jurisdiction. Use separate columns for each qualifying jurisdiction for which you are claiming a credit. **Attach a copy of all income tax returns filed with qualifying jurisdictions to your Connecticut income tax return or the credit will be disallowed.**

*Schedule 2* provides two columns, A and B, to compute the credit for two jurisdictions. If you need more than two

columns, create a worksheet identical to *Schedule 2* and attach it to the back of your Form CT-1040.

If you are claiming credit for income taxes paid to another state **and** to one of its political subdivisions, follow these rules to determine your credit.

- A. If the **same amount** of income is taxed by both the city and state (see example for Line 56 on Page 29):
  1. Use only **one** column on Form CT-1040, *Schedule 2*, to calculate your credit;
  2. Enter the same income taxed by both city and state in that column on *Schedule 2*; **and**
  3. Combine the amounts of tax paid to the city and the state and enter the total on Line 57 of that column.
- B. If the **amounts** of income taxed by both the city and state **are not the same**:
  1. Use **two** columns on Form CT-1040, *Schedule 2*;
  2. Include only the same income taxed by both jurisdictions in the first column; **and**
  3. Include the excess income taxed by only one of the jurisdictions in the next column.

---

## Schedule 2 - Worksheet Instructions

Complete the Schedule 2 Worksheet to determine the portion of your Connecticut adjusted gross income derived from a qualifying jurisdiction. For each line in Column II, enter the items of income from Column I that meet **all** of the following conditions listed below.

- The income is derived from or connected with sources within a qualifying jurisdiction;
- The income is reported on an income tax return filed with that qualifying jurisdiction and subject to income tax in the jurisdiction; **and**
- You have paid income tax on the income to that qualifying jurisdiction.

If you paid income tax to more than one qualifying jurisdiction, you must complete a separate worksheet for each jurisdiction. Keep the worksheet with your 2011 tax records. Do not attach it to your tax return.

---

The federal income tax return line references are to the federal Form 1040. If you file a federal Form 1040A or federal Form 1040EZ, use the appropriate lines from those forms.

---

### Column I

Enter on Lines 1 through 15 of the worksheet the amounts entered on Lines 7 through 21, respectively, of your federal income tax return.

Enter on Line 17 of the worksheet the amount entered on Line 36 of your federal income tax return.

Enter on Line 19 of the worksheet the **net** amount of your Connecticut modifications to federal adjusted gross income. Subtract Form CT-1040, *Schedule 1*, Line 50, from Line 39 to arrive at this amount.

### Column II

For each line, enter that portion of the amount entered on the same line of Column I you reported on an income tax return filed with (and on which income tax was paid to) the qualifying jurisdiction. On Line 17, enter only the portion of the total federal adjustments to income **directly related** to income sourced in the qualifying jurisdiction. On Line 19, enter only the portion of Connecticut modifications **directly related** to income sourced in the qualifying jurisdiction. The fact that the qualifying jurisdiction may take into account your entire adjusted gross income (to compute the rate at which your income sourced in that jurisdiction will be taxed) does not mean you paid income tax to that jurisdiction on your entire adjusted gross income. Because you are a nonresident of the qualifying jurisdiction, you may be taxed by that jurisdiction only on your income sourced in that jurisdiction.

---

**Example 1:** Amy, a Connecticut resident whose filing status is single, earned wages of \$150,000 from a company located in the State of New York. Amy works inside and outside of New York and allocated her wage income based upon the days worked in New York. She determined \$100,000 to be her New York State allocated wage income and reported and paid this amount on her New York nonresident income tax return. On her federal Form 1040, Line 7, she entered \$150,000. When completing the Schedule 2 Worksheet, she enters \$150,000 in Column I, Line 1, and \$100,000 in Column II, Line 1. Amy also enters \$100,000 on Form CT-1040, *Schedule 2*, Line 53.

---

**Example 2:** Luke and Lee file a joint federal Form 1040 and a joint Form CT-1040. Lee's wages as an employee working in Rhode Island are \$20,000 and Luke's wages as an employee working in Connecticut are \$25,000. On their federal Form 1040, Line 7, they enter \$45,000. When completing the Schedule 2 Worksheet, Luke and Lee enter \$45,000 in Column I, Line 1, and \$20,000 in Column II, Line 1. Luke and Lee also enter \$20,000 on Form CT-1040, *Schedule 2*, Line 53.

---

**Example 3:** Linda is a sole proprietor of a business conducted at two locations: one in Connecticut and one in Massachusetts. On Linda's federal Form 1040, Line 12, she entered \$100,000. Of the \$150,000 of gross income reported on federal Form 1040, Schedule C, \$90,000 is derived from the Massachusetts location. Of the \$50,000 of expenses reported on Schedule C, \$35,000 is derived from the Massachusetts location. When completing the Schedule 2 Worksheet, Linda enters \$100,000 in Column I, Line 6, and \$55,000 (\$90,000 - \$35,000) in Column II, Line 6. Linda also enters \$55,000 on Form CT-1040, *Schedule 2*, Line 53.

---

### Schedule 2 – Line Instructions

#### Line 51: Modified Connecticut Adjusted Gross Income

Add to Connecticut adjusted gross income from Line 5 any **net** loss derived from or connected with sources in a qualifying jurisdiction(s) where you were subject to income taxation whether or not income tax was actually paid to the jurisdiction(s). The modified amount is entered on Line 51.

**Example:** Fred’s Connecticut adjusted gross income of \$60,000 includes income of \$15,000 from business activities conducted in Massachusetts and a net loss of \$20,000 from a business conducted in Rhode Island. He must add the \$20,000 net loss to the \$60,000 and enter the \$80,000 on Line 51.

#### Line 52: Taxing Jurisdiction(s)

If you claim credit for income taxes paid to a qualifying jurisdiction, enter the name and the two-letter code of each qualifying jurisdiction for which you are claiming credit. If you are claiming credit for income taxes paid to a political subdivision of another state, enter the name and two-letter code of the state.

#### Line 53: Non-Connecticut Income

Complete the Schedule 2 Worksheet on this page to determine the total non-Connecticut income included in your Connecticut adjusted gross income and reported on a qualifying jurisdiction’s income tax return. Enter the amount from Column II, Line 20, of the Worksheet.

#### Line 54

Divide the amount on Line 53 by the amount on Line 51. The result cannot exceed 1.0000. Round to four decimal places.

#### Line 55: Income Tax Liability

Subtract Line 11 from Line 6 and enter the result.

## Line 56

Multiply the percentage arrived at on Line 54 by the amount reported on Line 55.

**Example:** Jen is a Connecticut resident who worked in City Y, a city in State X, during the taxable year. Jen's filing status is single and her Connecticut adjusted gross income is \$160,000. The amount entered on Jen's Form CT-1040, Line 55, is \$7,800. Both State X and City Y impose an income tax. Her Connecticut adjusted gross income derived from State X is \$80,000 as is her Connecticut adjusted gross income derived from City Y. Because the amounts of income taxed by both State X and City Y are the same, Jen uses one column on Form CT-1040, *Schedule 2*. Jen pays an income tax of \$6,000 to State X and an income tax of \$360 to City Y. Since Jen's Form CT-1040, Line 51, is \$160,000, her *Schedule 2* is completed as follows:

	Column A		Column B	
Line 52	State X, City Y			
Line 53	80,000	00		00
Line 54	.5000			
Line 55	7,800	00		00

## Line 57: Income Tax Paid to a Qualifying Jurisdiction

Enter the total amount of income tax paid to a qualifying jurisdiction.

**Income tax paid** means the lesser of your income tax liability to the qualifying jurisdiction or the income tax paid to that jurisdiction as reported on a return filed with that jurisdiction, but not penalty or interest. Do **not** report the amount of tax withheld for that jurisdiction directly from your W-2 or 1099 form. You **must** first complete a return for the qualifying jurisdiction to determine the amount of income tax paid.

## Line 58

Enter the lesser of the amounts reported on Line 56 or Line 57.

## Line 59: Total Credit for Income Taxes Paid to Qualifying Jurisdictions

Add the amounts from Line 58A, Line 58B, and Line 58 of any additional worksheets. The amount on Line 59 cannot exceed the amount on Line 56. Enter the total here and on Form CT-1040, Line 7.

You **must attach a copy of your return** filed with the qualifying jurisdiction(s) or the credit will be disallowed.

## Schedule 3 – Property Tax Credit

Connecticut residents **must** complete *Schedule 3* to determine the amount of credit (if any) that may be taken against a Connecticut income tax liability. The credit is for property

taxes paid during 2011 to a Connecticut political subdivision on a primary residence, privately owned or leased motor vehicle, or both. You must attach Schedule 3 to Form CT-1040 or your credit will be disallowed. If you entered zero on Form CT-1040, Line 10, **do not** complete this schedule. See **Informational Publication 2011(20), Q&A: Income Tax Credit for Property Taxes Paid to a Connecticut Political Subdivision**.

## Which Property Tax Bills Qualify

You may take credit against your 2011 Connecticut income tax liability for property tax payments you made on your primary residence, privately owned or leased motor vehicle, or both, to a Connecticut political subdivision. Generally, property tax bills due and paid during 2011 qualify for this credit. This includes any installment payments you made during 2011 that were due in 2011 and any installments you prepaid during 2011 due in 2012. Supplemental property tax bills that were due during 2011 or 2012 also qualify if paid during 2011. However, the late payment of any property tax bills or the payment of any interest, fees, or charges related to the property tax bill do not qualify for the credit.

Taxpayers who file a joint Connecticut income tax return may include property tax bills for which each spouse is individually or jointly liable.

You may take credit for a leased motor vehicle if you had a written lease agreement for a term of more than one year, and the property tax became due and was paid during 2011 (either by the leasing company or by you). Refer to your January 2012 billing statement from the leasing company to determine the amount of property taxes that may be eligible for the credit. Your statement will either indicate the amount of property taxes paid on your leased motor vehicle or provide you with a toll-free number you may call to obtain the necessary information. If you do not receive a billing statement in January 2012, contact your leasing company for the appropriate property tax information.

**Example 1:** Lisa received a property tax bill for a motor vehicle listed on her town's October 1, 2009, grand list. The bill was payable in two installments, July 1, 2010, and January 1, 2011. If Lisa paid the January 1, 2011, installment on January 1, 2011, she is eligible to claim it on her 2011 income tax return. If she prepaid it during 2010, she is not eligible to take credit for it on her 2011 return, but she may have been eligible to take credit for it on her 2010 return.

**Example 2:** Mary received a property tax bill for a motor vehicle listed on her town's October 1, 2010, grand list. The bill was payable in two installments, July 1, 2011, and January 1, 2012. Mary is eligible to take credit for both installments on her 2011 income tax return if she paid both installments during 2011. If Mary waited until January 1, 2012, to pay her second installment, she is not eligible to take credit on her 2011 return for this installment, but she may be eligible to take credit for it on her 2012 return.

**Maximum Credit Allowed**

The **maximum** credit allowed (on your primary residence, motor vehicle, or both) is **\$300** per return regardless of filing status.

This maximum property tax credit cannot exceed the amount of qualifying property taxes paid or the amount of tax entered on Form CT-1040, Line 10, and is phased out depending upon your Connecticut adjusted gross income. To be allowed this credit, you must complete *Schedule 3* in its entirety and attach it to your return.

**Motor Vehicle Credit Restrictions**

The number of motor vehicles eligible for this credit depends on your filing status as shown on the front of your Connecticut income tax return. Any individual whose filing status is single, filing separately, or head of household is limited to the property tax paid on **one** motor vehicle even if the

individual sells a motor vehicle and purchases a replacement motor vehicle during the taxable year and only owns one motor vehicle at any time during the taxable year. Individuals whose filing status is filing jointly or qualifying widow(er) with dependent child are limited to the property taxes paid on **two** motor vehicles.

## Schedule 4 – Individual Use Tax

In general, goods or services purchased out-of-state that would be subject to the Connecticut sales tax if those goods or services were purchased from a Connecticut seller are subject to the Connecticut use tax if the out-of-state seller did not charge and collect sales tax on the sale. Generally, this includes purchases of goods by mail order, telephone or on line over the Internet when the goods are shipped or delivered to Connecticut and when the purchaser brings goods back into Connecticut.

Use tax is due when taxable purchases are made but Connecticut sales tax is not paid. Any individual or business purchasing taxable goods or services for use in Connecticut without paying Connecticut sales tax must pay use tax. The use tax rate for purchases made on or before June 30, 2011, is 6%. For purchases made on or after July 1, 2011, the general use tax rate is 6.35%. However, the following items are subject to a 7% use tax rate:

- Most motor vehicles exceeding \$50,000;
- A vessel exceeding \$100,000;
- Each piece of jewelry exceeding \$5,000;
- Each piece of clothing or pair of footwear exceeding \$1,000; **and**
- A handbag, luggage, umbrella, wallet, or watch exceeding \$1,000.

Computer and data processing services remain subject to a 1% use tax rate.

Use the *Connecticut Individual Use Tax Worksheet*, on Page 32, to calculate your use tax liability. Keep the worksheet for your records. You must provide the worksheet to DRS upon request. See **Informational Publication 2011(15)**, *Q&A on the Connecticut Individual Use Tax*.

Report only those purchases subject to use tax you have not previously reported on **Form OP-186**, *Connecticut Individual Use Tax Return*.

The table on Page 33 illustrates the use tax due only for various levels of purchases subject to the 6%, 6.35% and 7% use tax.

### Line 69

Complete the *Connecticut Individual Use Tax Worksheet* on Page 32. Enter the totals from Column 7 of each section on Lines 69a, 69b, 69c, and 69d. Add the amounts on Lines 69a, 69b, 69c, and 69d, and enter the total on Line 69. Also enter on Form CT-1040, Line 15.

If no Connecticut use tax is due, you must enter "0" on Form CT-1040, Line 15. If you do not make an entry on Line 15, you will not have filed a use tax return. **Failure to file a use tax return and to remit use tax due will subject you to a 10% penalty of the total use tax due plus a 1% interest per month or a fraction of a month.**

## Schedule CT-EITC - Connecticut Earned Income Tax Credit

### Who qualifies?

To qualify for the Connecticut earned income tax credit (CT EITC) you must:

1. Have claimed and been allowed the 2011 federal earned income credit (EIC); **and**
2. Be a resident of the State of Connecticut.

Part-year residents and nonresidents do not qualify for the CT EITC.

### How to Claim the Connecticut Earned Income Tax Credit

Complete **Schedule CT-EITC**, *Connecticut Earned Income Tax Credit*, using the information from your federal return, worksheets, and, if applicable, federal EIC line instructions. Attach Schedule CT-EITC to the back of Form CT-1040.

### Schedule CT-EITC - Line instructions

#### Line 1

You must have claimed the 2011 federal earned income credit to claim the CT EITC.

#### Line 2

You cannot claim the CT EITC if your investment income is more than \$3,150. Investment income is the total amount of:

- Taxable interest (federal Form 1040 or 1040A, Line 8a);
- Tax-exempt interest (federal Form 1040 or 1040A, Line 8b);
- Ordinary dividends income (federal Form 1040 or 1040A, Line 9a); **and**
- Capital gain net income from federal Form 1040A, Line 10, or Form 1040, Line 13 (if more than zero).

For additional information on what qualifies as investment income, see federal Publication 596, Earned Income Credit.

#### Line 3

File Schedule CT-EITC with Form CT-1040. If Form CT-1040 was already filed, you must file a 2011 Form CT-1040X to claim the credit.

Schedule CT-EITC cannot be filed by itself. Schedule CT-EITC must be attached to a completed Form CT-1040 or Form CT-1040X.

**Line 4**

If claiming qualifying children on federal Schedule EIC, mark an X in the *Yes* box and then complete Line 5. Otherwise, mark an X in the *No* box and go to Line 6.

If claiming more than three qualifying children on federal Schedule EIC, enter the required information for three qualifying children in the spaces provided on the schedule and attach a statement with the required identifying information for each additional child. Include taxpayer name and social security number (SSN) on the attachment.

To be eligible to claim the CT EITC, a correct and valid SSN must be provided for each child listed on Line 5, and on an attached statement, if any.

If a social security number has been applied for by filing federal Form SS-5 with the Social Security Administration, but has not been received by the return due date:

1. File Form CT-1040 EXT, to request an extension of time to file. Form CT-1040 EXT does not extend the time to pay your income tax. You must pay the amount of tax that you expect to owe on or before the original due date of the return (see Form CT-1040 EXT); **or**
2. File Form CT-1040 on time without claiming the CT EITC (do not attach Schedule CT-EITC). After receiving the SSN, amend the Connecticut return using Form CT-1040X and attach the completed Schedule CT-EITC.

# Amended Returns

**Purpose:** Use a 2011 Form CT-1040X to amend a previously-filed 2011 Connecticut income tax return for individuals. Visit the DRS **Taxpayer Service Center (TSC)** at [www.ct.gov/TSC](http://www.ct.gov/TSC) to file Form CT-1040X online.

If Form CT-1040X is filed to have an overpayment of Connecticut income tax refunded or credited, it must be filed before the Connecticut statute of limitations expires. Generally, the Connecticut statute of limitations for refunding or crediting any Connecticut income tax overpayment expires

three years after the due date of the return, but if a timely request for an extension of time to file a return was filed, the statute of limitations expires three years after the extended due date of the return or three years after the date of filing the return, whichever is earlier. If you were required to file an amended return, but failed to do so, a penalty may be imposed. Interest will also be assessed on any additional Connecticut income tax not paid on or before the due date. See *Interest and Penalties* on Page 14.

**You must file Form CT-1040X in the following circumstances:**

<p>1. The IRS or federal courts change or correct your federal income tax return and the change or correction results in your Connecticut income tax being overpaid or underpaid.</p>	<p><b>File Form CT-1040X no later than 90 days after final determination.</b> If you file Form CT-1040X no later than 90 days after the date of the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you even if the Connecticut statute of limitations has otherwise expired.</p>
<p>2. You filed a timely amended federal income tax return and the amendment results in your Connecticut income tax being overpaid or underpaid.</p>	<p><b>File Form CT-1040X no later than 90 days after final determination.</b> If you file Form CT-1040X no later than 90 days after the date of the final determination, any Connecticut income tax overpayment resulting from filing the timely amended federal income tax return will be refunded or credited to you even if the Connecticut statute of limitations has otherwise expired.</p>
<p>3. You claimed a credit for income tax paid to a qualifying jurisdiction on your original income tax return and the tax officials or courts of the qualifying jurisdiction made a change or correction to your income tax return and the change or correction results in your Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of your allowable credit).</p>	<p><b>File Form CT-1040X no later than 90 days after final determination.</b> If you file Form CT-1040X no later than 90 days after the date of the final determination and you claimed credit for income tax paid to a qualifying jurisdiction on your original income tax return, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you even if the Connecticut statute of limitations has otherwise expired.</p>
<p>4. You claimed a credit for income tax paid to a qualifying jurisdiction on your original income tax return and you filed a timely amended income tax return with that qualifying jurisdiction and the amendment results in your Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of your allowable credit).</p>	<p><b>File Form CT-1040X no later than 90 days after final determination.</b> If you file Form CT-1040X no later than 90 days after the date of the final determination on a timely-amended return with a qualifying jurisdiction and you claimed credit for income tax paid to a qualifying jurisdiction on your original income tax return, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you even if the Connecticut statute of limitations has otherwise expired.</p>
<p>5. If none of the above circumstances apply, but you made a mistake or omission on your Connecticut income tax return and the mistake or omission results in your Connecticut income tax being overpaid or underpaid.</p>	<p><b>File Form CT-1040X no later than three years after the due date of your return,</b> or if you filed a timely request for an extension of time to file, three years after the date of filing the return or three years after the extended due date, whichever is earlier.</p>

**Do not file Form CT-1040X** for any of the following reasons:

- To have an overpayment refunded instead of applied to next year’s estimated tax or to change your contributions to designated charities. The elections that you made on your original return **cannot** be changed by filing Form CT-1040X.
- To amend your Connecticut income tax return for an earlier year to claim a credit for income tax paid on income included in your Connecticut adjusted gross income for that year and repaid in a later taxable year. File **Form CT-1040CRC, Claim of Right Credit**, with your Connecticut income tax return for the later taxable year.

**Financial Disability**

If you are financially disabled, as defined in IRC §6511(h)(2), the time for having an overpayment of Connecticut income tax refunded or credited to you is extended for as long as you are financially disabled. You are considered financially disabled if you are unable to manage your own affairs by reason of a medically determinable physical or mental impairment that has lasted or can be expected to last for a continuous period of not less than 12 months. You are not considered financially disabled during any period that your spouse or any other person is authorized to act on your behalf in financial matters. See **Policy Statement 2001(14), Claims for Refund Made by Financially Disabled Individuals.**
