## Instructions

Complete this form in blue or black ink only.

Use **Form CT-1120A-CCA**, *Corporation Business Tax Return Apportionment Computation of Income From Credit Card Activities*, to apportion net income from credit card activities.

According to Conn. Gen. Stat. §12-218b(k), a corporation must apportion income from credit card activities separately using **Form CT-1120A-CCA** (see Conn. Gen. Stat. §12-218(j)). If the corporation qualifies as a financial service company, all other income will be apportioned using **Form CT-1120A-FS**, *Corporation Business Tax Return Apportionment Computation of Income From Financial Service Company Activities* (see Conn. Gen. Stat. §12-218b). If the company does not qualify as a financial service company, all other income must be apportioned in accordance with the appropriate schedule.

### Schedule R-CCA — Connecticut Receipts

Complete this schedule to calculate Connecticut receipts derived from credit card activities.

### Schedule A-1 — Computation of Connecticut Apportionment Fraction

Complete this schedule to calculate an apportionment fraction derived from credit card activities. Enter the apportionment fraction from Line 9 on **Form CT-1120**, *Corporation Business Tax Return, Schedule A*, Line 2, if the corporation's entire net income is attributable to income from credit card activities. Complete *Schedule A-1* and *Schedule A-2* if the corporation's net income is derived in part from sources other than credit card activities.

### Schedule A-2 — Computation of Connecticut Net Income

Complete this schedule only if income is derived in part from sources **other than** credit card activities. Separate apportionment formulas are used for net income derived from credit card activities (*Schedule A-1*, Line 9) and net income derived from sources other than credit card activities (**Form CT-1120A**, *Corporation Business Tax Return Apportionment Computation, Schedule Q* or *Schedule R*, or *Form CT-1120A-FS*, Line 15, or other applicable apportionment form). Connecticut net income is computed on *Schedule A-2*, Line 13, and entered on **Form CT-1120**, *Schedule A*, Line 3.

### Definitions

**Credit card** means a credit, travel, or entertainment card.

**Receipts** means receipts computed according to the method of accounting used by the taxpayer in the computation of net income.

**Credit card issuer's reimbursement fee** means the fee that a taxpayer receives from a merchant's bank because one of the persons to whom the taxpayer has issued a credit card has charged merchandise or services to the credit card.

**Net income derived from credit card activities** means interest and fees or penalties in the nature of interest from credit card receivables, and receipts from fees charged to card holders, including, but not limited to annual fees, net gains from the sale of credit card receivables, credit card issuer's reimbursement fees, and credit card receivables servicing fees received in connection with credit cards issued by the taxpayer, **less** expenses related to that income, to the extent deductible under Conn. Gen. Stat. §§12-213 through 12-242z.

**Billing address** shall be presumed to be the location indicated in the books and records of the taxpayer as the address where any notice, statement, or bill relating to the card holder is to be mailed, as of the date of mailing.

**Credit card activities** means those activities involving the underwriting and approval of credit card relationships or other business activities generally associated with the conduct of business by an issuer of credit cards from which it derives income.
