Rental Surcharge Schedule A

Computation of Net Amount of Surcharge Due for Each Private Passenger Motor Vehicle, Rental Truck, or Machinery Rented During Calendar Year 2013.

Each rental company must complete this schedule to report each private passenger motor vehicle, rental truck, or piece of machinery rented in Connecticut to a lessee during calendar year 2013. Rental company does **not** include any person, firm, or corporation licensed or required to be licensed under Conn. Gen. Stat. §14-52 as a new car dealer, repairer, or limited repairer. Rental company also does **not** include any person, firm, or corporation licensed or required to be licensed under Conn. Gen. Stat. §14-52 as a used car dealer if the person, firm, or corporation is not primarily engaged in the business of renting passenger motor vehicles or rental trucks without drivers in Connecticut to lessees. The rental surcharge is imposed on each private passenger motor vehicle, rental truck, or piece of machinery rented in Connecticut to a lessee by a rental company for a period of less than 31 days. See the *Schedule A Instructions* on Page 3 before completing this schedule. Make additional copies of this schedule as needed.

Mail all copies of this schedule to the Department of Revenue Services (DRS) with Form OP-383, *Rental Surcharge Annual Report*.

Form OP-383 Instructions

Conn. Gen. Stat. §12-692 applies the rental surcharge to the rental of any **private passenger motor vehicle** and **any rental truck** at the rate of 3% for the term of 30 consecutive calendar days or less. See **Policy Statement 2002(5)**, *The Motor Vehicle Rental Surcharge and the Tourism Account Surcharge*.

Conn. Gen. Stat. §12-692 also applies the rental surcharge to the daily rental of **machinery** at the rate of 1½% for a term of 30 consecutive calendar days or less. For the purpose of the rental surcharge on a daily rental of machinery, the period for the term of a machinery rental begins on the date a piece of machinery is rented to a lessee and terminates on the date the piece of machinery is returned to the rental company. Therefore, if a rental of a piece of machinery is renewed before the machinery is returned to the rental company, the term of the renewal is added to the term of the initial rental to determine the rental period. If the initial rental of a piece of machinery is for a term of 30 consecutive calendar days or less, and after adding the renewal term to the initial term, the rental period is more than 30 consecutive calendar days, the rental is not subject to the rental surcharge.

Machinery means heavy equipment that may be used for construction, mining, or forestry including but not limited to bulldozers, earthmoving equipment, well-drilling machinery and equipment, or cranes. See **Policy Statement 2007(3)**, *Rental Surcharge – Daily Rental of Machinery*.

Rounding Off to Whole Dollars: You must round off cents to the nearest whole dollar on your returns and schedules. If you do not round, DRS will disregard the cents. Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all amounts that include 50 through 99 cents.

Pay Electronically: Visit www.ct.gov/TSC to use the **Taxpayer Service Center (TSC)** to make a direct tax payment. After logging into the **TSC**, select the *Make Payment Only* option and choose a tax type from the drop down box. Using this option authorizes DRS to electronically withdraw a payment from your bank account (checking or savings) on a date you select up to the due date. As a reminder, even if you pay electronically you must still file your report by the due date. Surcharge not paid on or before the due date will be subject to penalty and interest.

Interest: In general, interest applies to any portion of the surcharge not paid on or before the original due date of the return. If you do not pay the surcharge when due, you will owe interest at the rate of 1% per month or fraction of a month until the surcharge is paid in full.

Late Payment Penalty: The penalty for underpayment of surcharge is 15% of the surcharge not paid on or before the original due date of the report or \$50, whichever is greater.
