General Instructions

Complete this form in blue or black ink only. Use **Form CT-1120I** to determine interest due on underpayments of estimated Connecticut corporation business tax or unrelated business income tax for **Form CT-1120**, *Corporation Business Tax Return*; **Form CT-1120U**, *Unitary Corporation Business Tax Return*; **Form CT-1120CR**, *Combined Corporation Business Tax Return*; or **Form CT-990T**, *Connecticut Unrelated Business Income Tax Return*.

Electronic filing and payment requirements

For income years beginning on or after January 1, 2014, all corporations must file and pay their estimated taxes (Forms CT-1120 ESA, ESB, ESC and ESD) and extension requests (Form CT-1120 EXT) electronically.

See **Information Publication 2014(15)**, *Filing and Paying Connecticut Taxes Electronically*.

To request a waiver from the electronic filing requirement visit www.ct.gov/drs/TSCfiling and complete **Form DRS-EWVR**, *Electronic Filing and Payment Waiver Request*.

The following penalties will apply if a required electronic funds transfer (EFT) payment is remitted late:

- 2% of the required tax due for EFT payments not more than 5 days late;
- 5% of the required EFT payments more than 5 days late but not more than 15 days late; and
- 10% of the required EFT payments more than 15 days late.

The following graduated penalty amounts will apply if you fail to remit payments electronically:

- First offense – 10% penalty on the amount of the tax payment, but not more than \$2,500;
- Second offense – 10% penalty, but not more than \$10,000; and
- Third and subsequent offenses – 10% penalty.

If the taxpayer made timely installment tax payments (**Forms CT-1120 ESA, ESB, ESC, and ESD** or **Forms CT-990T ESA, ESB, ESC, and ESD**) and paid at least 90% of the current year tax or 100% of the prior year tax before the application of any tax credits at the required installment rate, the taxpayer is not subject to interest on underpaid installments. If the current year tax is \$1,000 or less, it is not necessary to complete this form.

Estimated tax payments may be based on the applicable percentage of the current year tax determined by annualizing net income. See **Informational Publication 2014(14)**, *Q & A on Estimated Corporation Business Tax and Worksheet CT-1120AE*.

Payments if a Waiver From Electronic Filing has been Obtained

If you have been granted a waiver from electronic filing payments accompanying an estimated installment Form CT-1120 ESA, ESB, ESC, and ESD or Form CT-990T ESA, ESB, ESC, and ESD, will be credited as of the U.S. Postal Service cancellation mark on the payment. The payment must be made or credit established on or before the due date of the required installment. Payments of estimated tax are credited first against underpaid installments in the order in which such installments are required to be paid. The overpayment from the filing of a corporation business tax return is established as of the U.S. Postal Service cancellation mark on the completed return.

Non-electronic payments made without an electronic payment waiver will be subject to penalty.

Taxpayers can use certain private delivery services, in addition to the U.S. Postal Service, for delivering returns, claims, statements or other documents, or payments, and meet the timely filing/payment rules.
