Who Must File

All premiums paid for coverages within Connecticut to a risk retention group or insurer, other than a captive insurance company or a licensed or eligible surplus lines insurer, are subject to a 4% (.04) tax under Conn. Gen. Stat. § 38a-254 and Conn. Gen. Stat. § 38a-277(c). As such, risk retention groups and insurers are required to file Form 115 RRG to report said tax.

Information regarding the responsibilities of risk retention groups is located in Conn. Gen. Stat. §§ 38a-250 through 38a-278.

Form 115 RRG should not be used to report tax on nonadmitted insurance as the term is defined by Conn. Gen. Stat. § 38a-277(f). Insureds who procure nonadmitted insurance are required to file **Form 115 NIN, Nonadmitted Insurance Premium Tax Return.**

Penalty and Interest

In general, penalty and interest apply to any portion of the tax not paid on or before the original due date of the return. If you do not pay the tax when due, you will owe interest at the rate of 1% per month or fraction of a month until the tax is paid in full.

Late Payment Penalty: The penalty for late payment of tax is 10% of the tax due or \$75, whichever is greater.

Late Filing Penalty: The Commissioner of Revenue Services may impose a \$50 penalty for failure to file any return or report that is required by law to be filed.
