FORM TPG-189 is now obsolete.

The TSC (Taxpayer Service Center) is no longer processing returns.

You will now need to use **myConneCT** for the electronic filing and payment of your tax obligations.

Getting started using **myconneCT** is as easy as creating a username and password. If you have already created a username in **myconneCT** and you are having trouble logging in, use the self service "Forgot Username or Password?" link. This will require you to enter the email associated with your username.

In the event you no longer have access to that email, you can create a new username for your account.

Where can you find more information?

Visit the DRS website at <https://portal.ct.gov/DRS/myconneCT>

Sincerely,
Connecticut Department of Revenue Services
