OMB No. 0920-1061
Exp. Date 3/31/2018

Public reporting burden of this collection of information is estimated to average XX minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-1061).

**NOTE:** Interviewers do not need to read any part of the burden estimate nor provide the OMB number unless asked by the respondent for specific information. If a respondent asks for the length of time of the interview provide the most accurate information based on the version of the questionnaire that will be administered to that respondent. If the interviewer is not sure, provide the average time as indicated in the burden statement. If data collectors have questions concerning the BRFSS OMB process, please contact Carol Pierannunzi at ivk7@cdc.gov.

The text is mostly in Spanish and mentions BRFSS (BRFSS) Questionnaire, indicating that it is related to health surveys. However, the document appears to be a draft or an excerpt from a questionnaire, as indicated by the style and content. The sections and questions are numbered, suggesting it is part of a larger document. The text includes instructions and questions related to dietary habits, specifically about the frequency of consuming fruits during the past month. It also provides interviewer instructions and notes on how to enter the quantities in times per day, week, or month. The document ends with the page number 62.

Please note that the text is partially in Spanish, and while the context is clear, it may require translation for full comprehension.

CT9_6: The next question is about genetic counseling for breast and ovarian cancer. Genetic counseling is a process where a specially trained health professional helps someone learn about their risk of an inherited medical condition.

Have you or any of your family members received genetic counseling for breast and ovarian cancer?

Interviewer Note: If “Yes,” ask: “Would you say yourself only, yourself and at least one family member, or at least one family member but not yourself?”

Genetic counseling for breast and ovarian cancer always occurs together. If the respondent indicates that a family member or themselves has received genetic counseling for breast OR ovarian cancer, but they are unsure or don’t think they have had counseling for both, please consider this a “yes” response for that particular person.

1 Yes, yourself only

Built Environment

//ask if CT18t=1 and cstate ne 2//

CT18_10: Now, think about your neighborhood when answering the next two questions. For this interview, neighborhood is defined as the area within one-half mile or a ten-minute walk from your house.

During the past 30 days, for about how many days did you walk in your neighborhood for leisure or as a way to get to your destination?

Interviewer note: If asked, say “These questions assess what is available to support walking, biking, and other types of physical activity in your neighborhood.”

_ _ Number of days [RANGE 01-30]
88 None

If 4 or less go to CT18_11; Otherwise go to next question
CT18_11: What is the number one reason that you do not walk more frequently in your neighborhood?

Sexual Violence

//ask if CT18t=1 and cstate ne 2//

CT18_18t: Finally, I’d like to ask you some questions about sexual violence or other unwanted sexual experiences as an adult. This information will allow us to better understand the problem of violence and unwanted sexual contact and may help others in the future. This is a sensitive topic. Please keep in mind that if you are not in a safe place you can ask me to skip any question you do not want to answer.
