Special Formulas			
*EleCare® (All powdered can sizes)	*Medical Documentation required. Contact your health care provider and your local agency WIC office.		
*Alimentum® (All powdered can sizes)			

Please note that due to availability concerns we have added larger container sizes than what is typically WIC approved. If you are purchasing a larger container size, you will notice that your WIC benefits will appear to remove more formula than may be expected. This is due to the container size. You will still receive a similar quantity of formula.
